"I think I stayed aggressive. I was moving well. When you

Bottas ahead of Verstappen ASSOCIATED PRESS

ercedes driver Valtteri Bottas won the sprint race to take pole position for the Brazilian Grand Prix as a dramatic day at Interlagos accelerated championship leader Max Verstappen's quest for his first Formula One title. Verstappen finished the

sprint race in second position and added two points in the standings on Saturday. The Red Bull driver also saw his rival, seven-time world champion Lewis Hamilton, hit by another punishment and set to start from 10th on Sunday despite an impressive run from last to fifth.

Earlier, Hamilton was forced to start the sprint race from last after being disqualified from Friday's qualifying session, where he was fastest, due to a technical infringement by Mercedes. Mercedes did not appeal the decision.

Despite Hamilton's fifthplace finish in the sprint race, a separate five-place penalty means the defending champion will start 10th after Mercedes decided to change his car's engine in Sao Paulo. It wasn't all good news for Verstappen. The Dutch driver was fined after being seen touching the rear wing of the Mercedes car. He leads Hamilton by 21 points in the standings.

ICC could award 2024 T20 World Cup to **USA cricket and the Cricker West Indies**

PTI / Sydney

The USA is likely to host the T20 World Cup in 2024, which could serve as a launch pad in the ICC's bid for cricket's inclusion in the 2028 Los Angeles Olympics.

The ICC is expected to award a joint bid by USA Cricket and Cricket West Indies to host the 2024 T20 showpiece.

According to a report in Sydney Morning Herald, a decision on venues for ICC events in the next cycle was imminent, and that an outward, global focus would mean they were more widely distributed than in the recent past.

If all goes as per the plans, it would be the first global tournament not hosted by either India, England or Australia since the 2014 T20 World Cup in Bangladesh. The ICC has been for a long

time looking to give emerging countries the hosting rights for the mega events. The 2024 T20 World Cup is expected to have 20 teams

and 55 matches as compared to the 2021 and 2022 editions which have seen 16 teams playing 45 matches. Between 2024 and 2031, the

ICC is set to host several global tournaments, which will begin with the 2024 T20 World Cup. "In addition to marking a

significant move away from those years, the choice of the US to help host the 2024 tournament would also serve as a launch pad.
