Independent Auditor's Review Report on Unaudited Standalone Financial Results of the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

TO THE BOARD OF DIRECTORS OF
ESSAR SHIPPING LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Essar Shipping Limited ("the Company") for the quarter ended 30th June 2022, ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors at its meeting held on 10th August 2022, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A

review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Standalone Financial Results prepared in accordance with applicable Indian Accounting Standards, prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which, it is to be disclosed, or that it contains any material misstatement.

5. **Material Uncertainty Related to Going Concern**

We draw attention to Note No. 4 and Note No. 5 of the Standalone Financial Results wherein it is stated that

- The Company's current liabilities exceed its current assets as on 30th June 2022
- Some of the Lenders of the Company's Subsidiary (where the Company is a Guarantor) and the Company's lenders and Public Financial Institution have filed applications before the High Court / National Company Law Tribunal / Debt Recovery Tribunals for recovery of overdue amounts and / or enforcement of guarantees
- The Company has disposed off most of its assets with prior approval of the lenders to pay off its outstanding dues to lenders / vendors and has no revenue generating assets as at the year-end
- The value of the security offered in connection with various borrowings as at 30th June 2022 is lower than the amounts outstanding to the lenders from last several years due to downturn in shipping and oilfield markets
- The net worth of the Company is eroded and it is incurring continuous losses since last several years

The above factors give rise to a material uncertainty related to the Company's ability to continue as a Going Concern.

Further, as informed to us, the management is exploring business opportunity of in-chartering in the shipping sector (as referred in Note No.4(d) of Standalone Financial Results)

We have relied on the management representations, as above, and based on the same, the Standalone Financial Results have been prepared by the management on going concern basis.

6. Emphasis of Matter

- i. We draw attention to Note No.6 of the Standalone Financial Results relating to recognition of revenue amounting to Rs. 369.81 crore (including accrued interest up to 31st March 2018) in the financial year 2017-18 based on compensation granted to the Company in the arbitration proceedings for breach of contract terms by a charterer of which Rs. 305.81 crore remains outstanding receivable as on 30th June 2022. As informed to us, the Company is confident of full recovery of its claims. However, pending conclusion of the said proceedings, no interest is accrued on the same for the period 1st April 2018 till 30th June 2022.
- ii. Attention is drawn to Standby Letter of Credit (SBLC) issued by the Company with 3 banks for Rs. 687.37 crore to secure a loan availed by a subsidiary, which were invoked in an earlier year. The Company has settled the loan and paid the dues through monetization of assets. In case of 2 banks the amounts due have been paid and on receipt of no dues certificates, necessary effect has been given to the One Time Settlement with these banks. In case of the third bank, no due certificate will be provided on the basis of agreed milestone as mentioned in One Time Settlement (OTS), pending which no accounting effect has been given to the OTS with the said bank. The loan amount is recoverable from the subsidiary Company which has been impaired to the extent not recoverable.
- iii. Attention is drawn to netting off of amount payable to a wholly owned overseas subsidiary with the amount receivable from the said subsidiary. This is subject to pending application and approval from the regulatory authorities.
- iv. The Company has availed loans from banks and financial institutions which are secured by charge over various movable and immovable assets of the Company as well as subsidiary/ associate/ group companies and corporate guarantee of the ultimate Parent Company. The

value of the security as at 30th June 2022 is lower than the amount outstanding as at that date due to downturn in shipping and oilfield markets from last several years.

- v. The Company has issued Non-Convertible Debentures which are inter alia secured by a charge over six rigs owned by one of its subsidiary companies. Out of the six rigs, three rigs owned by the said subsidiary have been taken possession of and disposed off / sold by the said vendor with a view to recover the dues from the said subsidiary Company. The transaction has been intimated by the said subsidiary to the debenture holder.
- vi. Borrowings from various lenders are subject to confirmation / reconciliation.

Our conclusion on the Unaudited Standalone Financial Results is not modified for the above matters.

Independent Auditor's Review Report on Unaudited Consolidated Financial Results of Essar Shipping Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

TO THE BOARD OF DIRECTORS OF
ESSAR SHIPPING LIMITED

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Essar Shipping Limited (hereinafter referred to as the "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and jointly controlled entity for quarter ended 30th June, 2022, ("The Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). This Statement includes the results of the subsidiaries, associate and jointly controlled entity as given in the Annexure to this report.
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors at its meeting held on 10th August 2022, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and

consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33 (8) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. Based on our review conducted and procedures performed stated in paragraph 3 above, on the consideration of review reports of Subsidiaries' auditors and management certified unaudited financial results of subsidiaries referred to in paragraph 6 & 7 below and read with our comments in paragraph 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. **Material Uncertainty Related to Going Concern**

We draw attention to Note No. 5 and 6 of the Consolidated Financial Results wherein it is stated that

- The Group's current liabilities exceed its current assets as on 30th June, 2022.
- Some of the lenders of one of the subsidiaries (where the Holding Company is a Guarantor) and the Holding Company's lenders and Public Financial Institution have filed applications before the High Court / National Company Law Tribunals / Debt Recovery Tribunals for recovery of overdue amounts and / or enforcement of guarantees.
- The Holding Company has disposed off most of its assets, with prior approval of lenders, to pay off its outstanding dues to lenders / vendors and has no revenue generating assets as at the year end.
- The value of the security offered in connection with various borrowings as at 30th June 2022 is lower than the amounts outstanding to the lenders.
- The net worth of the Group has eroded, and the Group has been incurring continuous losses since last several years.

The above factors give rise to material uncertainty related to the Group's ability to continue as a Going Concern.

As informed to us, the management is exploring business opportunity of in-chartering in the shipping sector. (Refer Note No. 5 of Consolidated Financial Results).

We have relied on the management representations as above, and based on the same, these Consolidated Financial Results have been prepared by the management on going concern basis.

6. Emphasis of Matter

- a. We draw attention to our observations in paragraph 4 above whereby, in spite of several factors mentioned therein, the results are prepared on "Going Concern" basis.
- b. In case of certain subsidiaries, the respective auditors have pointed out that the concerned financial statements / results have been prepared on going concern basis in view of the representation by the management that it is confident of rolling over its short-term borrowings to address cash flow mismatches.
- c. We draw attention to Note No. 9 of the Consolidated Financial Results relating to recognition of revenue amounting to Rs. 369.81 crore (including accrued interest up to 31st March 2018) in the financial year 2017-18 based on compensation granted to the Holding Company in the arbitration proceedings for breach of contract terms by a charterer of which Rs. 305.81 crore remains outstanding receivable as on 30th June 2022. As informed to us, the Holding Company is confident of full recovery of its claims. However, pending conclusion of the said proceedings, no interest is accrued on the same for the period 1st April 2018 till 30th June 2022.
- d. Attention is drawn to Standby Letter of Credit (SBLC) issued by the Company with 3 banks for Rs. 687.37 crore to secure a loan availed by a subsidiary, which were invoked in an earlier year. The Company has settled the loan and paid the dues through monetization of assets. In case of 2 banks the amounts due have been paid and on receipt of no dues certificates, necessary effect has been given to the One Time Settlement with these banks. In case of the third bank, no due certificate will be provided on the basis of agreed milestone as mentioned in One Time Settlement (OTS), pending which no accounting effect has been given to the OTS with the said bank. The loan amount is recoverable from the subsidiary Company which has been impaired to the extent not recoverable.
- e. In case of one subsidiary, the Company had availed term loan of USD 5 million from a Bank and as on 30th June 2022, USD 2.366 million principal amount is outstanding after the Restructuring plan being initiated, which shall be paid as per the terms of the Restructuring Plan.
- f. In case of the Holding Company and one of the subsidiaries, the Company has availed loans from banks and financial institutions which are secured by charge over various movable and immovable assets and corporate guarantee of the intermediate Holding Company. Majority of the immovable assets have either been held for sale or have been sold. The value of the security as at 30th June 2022 is lower than

the amount outstanding as at that date due to downturn in shipping and oilfield markets from last several years.

- g. The Holding Company has issued Non-Convertible Debentures which are inter alia secured by a charge over six rigs owned by one of its subsidiaries. Out of the six rigs, three rigs owned by the said subsidiary have been disposed off / sold by a vendor with a view to recover the dues from the said subsidiary Company to the said vendor. The said transaction has been intimated by the subsidiary to the debenture holder.
- h. In case of a subsidiary, during the year, the Company has entered into a settlement agreement with one of its lenders to settle the outstanding dues to the said party. The Company has made upfront payment in terms of the said settlement agreement but has defaulted in payment of the dues payable on or before 30th June 2022. Further, the Company is in the process of reconciling the amount payable under the settlement agreement. Pending reconciliation of amounts payable and compliance with payment requirements under the settlement agreement, no effect has been given to the settlement agreement in the accounts of the said subsidiary Company for the quarter ended 30th June 2022.
- i. In case of the Holding Company and a subsidiary, borrowings from various lenders are subject to confirmation / reconciliation.

Our Opinion is not modified for the above matters.

7. Other Matters

- a. We did not review the financial results of one subsidiary, whose financial results reflect net assets of Rs. (987.32) crore as at 30th June 2022, total revenue of Rs. 15.84 crore and total comprehensive loss (comprising of net loss after tax and other comprehensive income) of Rs. 1.46 crore for the quarter ended on 30th June 2022, as considered in the Unaudited Consolidated Financial Results. These financial results and other financial information have been reviewed by other auditors whose report has been furnished to us by the Board of Directors. Our conclusion on the Unaudited Consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary is based solely on the report of such other auditor and the procedures performed by us as stated in paragraph 3 above.
- b. The Statement also includes the unaudited interim financial results of one step-down subsidiary whose interim financial information reflect Group's share of total net assets of Rs. (12.57) crore as at 30th June 2022, Group's share of total revenue of Rs. Nil and Group's share of total comprehensive loss after tax of Rs. 0.08 crore for the quarter ended on 30th June 2022 respectively. These unaudited interim financial results and other unaudited financial information have been furnished to us by the

Board of Directors and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary is based solely on such unaudited interim financial results and other unaudited financial information provided by the management. In our opinion and according to the information and explanations given to us by the Board of Directors, these unaudited interim financial results and other unaudited financial information are not material to the Group.

- c. In case of an associate, share of profit / (loss) for the quarter ended 30th June 2022 has not been included in the consolidated financial results. In our opinion and according to the information and explanations given to us by the Board of Directors, these unaudited interim financial results of the said associate are not material to the Group.
- d. For the jointly controlled entity, share of profit / (loss) of Rs. (0.59) crore for the quarter ended 30th June 2022 is considered based on management certified accounts. In our opinion and according to the information and explanations given to us by the Board of Directors, these unaudited interim financial results of the said jointly controlled entity are not material to the Group.

Our conclusion on the Consolidated Financial Results is not modified for the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial results/financial information certified by the Board of Directors.
