Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, this is to inform you that the Company has launched innovative and unique kind of product named as "Razor"

**Brief Details of newly launched product: Razor**

Focus Lighting & Fixtures Limited ("the **Company**") is into a business of technology LED lights manufacturing Company. Recently, the Company has launched an innovative and unique kind of product named as "Razor" which is used for an Outdoor Bollard application.

The product has been designed around a highly specialized optic which has unique facets, engineered to generate an accurate and controlled light effect. It is well-designed with a unique option to direct light in either Side or Forward Throw which covers the larger area.

This bollard is patented technology which will generate zero light pollution and reduce the quantity of light fixtures by less than one fourth. The Company has technology tie up with Bartenbach which is in Germany and product designs from Serge Cornelissen which is in Belgium.

The Razor in the newly launched product will have an edge over competitors and monopoly in the vertical market. It is the first foray of PLUS Light Tech in the architectural outdoor space. Further, the same aspires to set a benchmark by delivering the potential to the company and open a large segment which has been unexplored by Focus Lighting & Fixtures Limited in past.

**You are requested to kindly take the same on records.**

**Thanking you,**  
**Yours faithfully,**
