Note:

As a result of the unprecedented shutdowns / bankruptcies and consolidation in telecom sector during last 3-4 years, debt of the Company became unsustainable and there is urgent need to restructure the same.

However, the Company is in ongoing litigations with Edelweiss Asset Reconstruction Company Limited, acting on behalf of EARC – Trust SC (“EARC”) (who bought 79.34% outstanding loan from other lenders at an enterprise valuation of INR 2400 crores) and other remaining lenders before various judicial forums. Hence, the outstanding amount and amount of default as stated in above table are as per terms and conditions of Strategic Debt Restructuring Scheme as approved by then lenders.

Further, in the opinion of management, EARC have an obligation to restructure the debt in time bound manner after completing TEV study as per RBI guidelines. However, EARC / lenders failed to restructure the debt of the Company till date. In this connection, the Company has taken appropriate legal steps to protect its interest.

Meanwhile, the Company has received recall notices from EARC and IDBI Bank claiming alleged defaults of INR 3,822.62 crores and INR 201.02 crores respectively. The Company is seeking legal advice and will take such necessary actions as it may be advised.

** It may be noted that the Company has raised objections to withdrawals of INR 356 crores made by lenders in violation of EARC's mandatory obligation to restructure debt and in direct contravention of Status Quo order of the Hon'ble Supreme Court of India.*
