# Dish TV 'no' to YES EGM demand

ABHJIT LELE

Mumbai, 13 October

**YES Bank, which holds a 25.93 per cent stake stake in DTL, had sought the removal of directors, including Managing Director Jawahar Lal Goel, and the appointment of the bank's own nominees**

The board of Dish TV on Wednesday rejected YES Bank's demand to hold an extraordinary general meeting (EGM) to consider resolutions citing regulatory limitations and the absence of approvals from the government and lenders.

YES Bank, which holds a 25.93 per cent stake in DTL, had sought the removal of directors, including Managing Director Jawahar Lal Goel, and the appointment of the bank's own nominees.

The bank had sought their removal for the alleged hasty and arbitrary decision to proceed with the rights issue, despite its objections.

DTL in a filing with the BSE said the board had considered facts, legal

advice and opinions of various legal experts on the matter

YES Bank's stake in the company is because of the invocation of pledged shares. Hence, there are embargos under regulations and laws (Banking Regulation Act, 1949 and SEBI's Substantial Acquisition of Shares and

Takeovers regulations) which prevent it from placing resolutions before the shareholders.

Also, YES Bank needs prior approval from the government (Ministry of Information and Broadcasting) in respect of national security clearance, and the company's

lenders before placing such proposals before shareholders.

"The board has considered its fiduciary duties and it shall be in violation of extant laws if it acts upon the notice. The board unanimously agreed that the EGM cannot be called, as sought by YBL," the company said.

On September 21, YES Bank had asked Dish TV to call an EGM to induct its seven nominees on the board and remove Goel and four directors. YES Bank had lent ₹3,000 crore to Essel Group promoters but as they defaulted on loans, the bank invoked pledged shares of the promoters in May last year. Goel is the younger brother of Subhash Chandra whose flagship firm, ZEE Entertainment Enterprises announced a merger with its rival, Sony to create a \$2-billion entertainment major.

The two-dose Sputnik V vaccine shows efficacy over 83 per cent against infection and over 94 per cent against hospitalisation.

Dimitriev said that Sputnik Light can thus act as a booster shot for even those who have been vaccinated with other vaccines like mRNA candidates. "We are working with AstraZeneca, Sinopharm, and Moderna to test a mix-and-match approach of two different vaccines."

RDIF has 20 manufacturing partners across 10 countries and almost 50 per cent of the Sputnik vaccine production happens outside Russia.

As such in India, the Subject Expert Committee (SEC) under the Central Drugs Standard Control Organisation has recommended the conduct of Phase III clinical trials of Russia's single-dose Covid-19 vaccine Sputnik Light in September.

Standalone use of Sputnik Light also provides much higher efficacy against severe disease and hospitalisations, RDIF claimed. "The analy-
