Limited Review Report on unaudited consolidated financial results for the quarter and half year ended 30<sup>th</sup> September 2021 of Kamat Hotels India Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To The Board of Directors of Kamat Hotels (India) Limited

1. We have reviewed the accompanying unaudited consolidated financial results of Kamat Hotels (India) Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its share of the net (loss) after tax and total comprehensive (loss) of its joint venture for the quarter and half year ended 30th September, 2021 ('the Statement'), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 as amended ("Listing Regulation").

### Management's responsibility for the Statement

2. This Statement, is the responsibility of the Holding Company's Management and has been approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

### Auditor's responsibility

3. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing regulations, as amended, to the extent applicable.

### Basis of qualified conclusion

5. In respect of subsidiary company ('OHPPL'), reference is invited to note 6(i) to the Statement. Vide agreement dated 24<sup>th</sup> December 2018, International Asset Reconstruction Company Private Limited (IARC) acquired the loan from M/s Asset Reconstruction Company India Limited (ARCIL) [lender to whom loan was assigned by ICICI Bank in earlier years] for an aggregate amount of Rs. 13,500.00 lakhs. As per the books of the subsidiary Company, total outstanding towards this loan is Rs. 18,833.99 lakhs (including interest liability accounted in books upto 30<sup>th</sup> September, 2013). The interest amount from 1<sup>st</sup> October, 2013 till 30<sup>th</sup> September, 2021 has not been provided in the books nor has the same been quantified. Non-provision of interest is not in compliance with the accounting treatment as prescribed under Ind AS 23 Borrowing Cost. As per the legal opinion obtained by the management, no further liability is required to be accounted now considering the terms of settlement and pending execution of the definitive agreement (the modalities of which are being worked out).

Had the provision been made, borrowing cost and loss for the current period and previous year and negative net worth as at 30<sup>th</sup> September, 2021 would increase by the amount of interest for the period 1<sup>st</sup> October, 2013 to 30<sup>th</sup> September, 2021 which has not been provided as per the management's view mentioned above.

In respect of above matter, qualification was also given in our report for the previous quarter, quarters of earlier years and report for the year ended 31st March, 2021, 31st March, 2020.

### Qualified conclusion

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and except for the effect of matter described in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms Listing regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Material uncertainty related to going concern

7. Attention is invited to note 5, 6(ii) and 7 of the Statement, which indicates that there, is material uncertainty related to continuity as going concern of the Holding Company, OHPPL (subsidiary company), MPPL (subsidiary company) respectively and note 8(i) related to material uncertainty related to going concern at Group level. In Consolidated financial results, material uncertainty exists that may cast doubt on the Group's ability to continue as a going concern on account of accumulated losses, negative net worth and negative working capital in Holding Company and two subsidiaries as mentioned in those notes. For preparation of standalone financials results of Holding Company and two subsidiaries, going concern assumption is considered appropriate by the management as appropriate steps are being taken to mitigate the impact of accumulated losses, improve the cash flows, management's request for seeking extension of the loan dues where applicable [also refer para 9 in emphasis of matter section below], management's action to mitigate the impact of COVID-19 as described in note 11 of the Statement, fair value of the assets of Holding Company are significantly higher than the borrowing/debts and that the Holding Company is exploring possibilities to divest / liquidate some of its properties. In view of the above and in the opinion of management, the consolidated financial results have also been prepared on a going concern basis.

Our conclusion is not modified in respect of above matter. In respect of above matter, attention was also drawn by us in our report for the previous quarter, quarters of earlier years and reports for the year ended 31st March 2021, 31st March 2020.
