The Buy-back Size represents 14.06% and 11.97% of the aggregate of fully paid-up Equity Share Capital and free reserves (including securities premium account) as per latest audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2023, respectively. The Equity Shareholders approved the Buyback by way of a special resolution through postal ballot, the results of which were announced on August 25, 2023. The Buyback is subject to the receipt of approvals as may be required, including but not limited to SEBI and the Stock Exchanges.
- 19.2. The Buyback is open to all Eligible Shareholders (including GDS holders who submit their desired number of GDS to the Depository and withdraw the underlying Equity Shares such that they are holding Equity Shares as of the Record Date) and beneficial owners of the Company holding Equity Shares either in physical or electronic form, as on the Record Date.
- 19.3. The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback and, accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.
- 19.4. In terms of the Buyback Regulations, under the Tender Offer route, promoters have the option to participate in a buyback. However, the Company is professionally managed and does not have any identifiable promoters or promoter group or persons in control.

Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:

- 19.5. The Company has fixed September 12, 2023 as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback.
- 19.6. The Equity Shares to be bought back pursuant to the Buyback are divided into 2 (two) categories:
- 19.6.1. Reserved category for Small Shareholders (“**Reserved Category**”); and
- 19.6.2. General category for all other Eligible Shareholders (“**General Category**”).
- 19.7. As defined in the Buyback Regulations, a “Small Shareholder” is an Eligible Shareholder who holds Equity Shares having market value, on the basis of closing price on BSE or NSE, on which the highest trading volume

in respect of the Equity Shares on the Record Date was recorded, of not more than ₹2,00,000 (Rupees Two Lakh only). As on the Record Date, the closing price on NSE, the stock exchange having the highest trading volume, was ₹ 2,944.10 (Rupees Two Thousand Nine Hundred and Forty-Four and Ten Paisa only) per Equity Share. Accordingly, all Eligible Shareholders holding not more than 67 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback.

- 19.8. Based on the aforementioned definition, there are 10,80,853 Small Shareholders of the Company with an aggregate shareholding of 1,97,67,143 Equity Shares as on the Record Date, which constitutes 1.41 % of the total paid-up equity share capital of the Company and 63.25% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback.
- 19.9. In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of:
- 19.9.1. 15% of the number of Equity Shares which the Company proposes to buy back i.e. 15% of 3,12,50,000 (Three Crore Twelve Lakh Fifty Thousand) Equity Shares which is 46,87,500 Equity Shares; or
- 19.9.2. The number of Equity Shares entitled as per their shareholding as on the Record Date (i.e. $(1,97,67,143 / 1,40,56,48,717) \times 3,12,50,000$) which is 4,39,458 Equity Shares.
- 19.10. All the outstanding fully paid up Equity Shares have been used for computing the Buyback Entitlement of Small Shareholders.
- 19.11. Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 46,87,500 Equity Shares have been reserved for the Small Shareholders (“**Reserved Portion**”) and accordingly, the General Category for all other Eligible Shareholders shall consist of 2,65,62,500 Equity Shares (“**General Portion**”).
- 19.12. Based on the above Buyback Entitlements, the ratio of Buyback for both categories is set out below:

Category of Eligible Shareholder	Ratio of Buyback (i.e. Buyback Entitlement)
Reserved category for Small Shareholders	9 Equity Shares for every 38 Equity Share held on the Record Date
General category for all other Eligible Shareholders	11 Equity Shares for every 574 Equity Share held on the Record Date

Note: The above ratio of Buyback is approximate and provides indicative Buyback Entitlement. Any computation of the Buyback Entitlement using the above Buyback ratio may provide a slightly different number than the actual entitlement due to rounding-off. The actual Buyback Entitlement factor for Small Shareholders under the Reserved Category is 23.7135938157578% and for other shareholders under the General Category is 1.91665005858574%. Also, the numbers arrived at using the actual Buyback Entitlement may not conform exactly to the Buyback Entitlement printed in the Tender Form due to rounding-off of the factor.

Fractional Entitlements

- 19.13. If the Buyback Entitlement under the Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date is not in the multiple of 1 (one) Equity Share, then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Shareholders.
- 19.14. On account of ignoring the fractional entitlement, those Small Shareholders who hold 4 or less Equity Shares

as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders may tender Additional Equity Shares as part of the Buyback and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

19.15. Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

19.15.1. Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.

19.15.2. After the Acceptance as described in Paragraph 19.15.1 above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of fractional entitlement), and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and one Equity Share each from such Additional Equity Shares shall be bought back in the Reserved Category.

19.15.3. After the Acceptance as described in Paragraph 19.15.2 above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per Small Shareholder shall be made in accordance with the Buyback Regulations. Valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been Accepted in accordance with the Paragraph 19.15.2, shall be reduced by one.

Adjustment for fractional results in case of proportionate Acceptance, as described above:

19.16. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not a multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

19.17. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares validly tendered in the General Category

19.18. Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Shareholders in the General Category in the following order of priority:

19.18.1. Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.

19.18.2. After the Acceptance as described in Paragraph 19.18.1 above, in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible

Shareholders over and above their Buyback Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.

Adjustment for fractional results in case of proportionate acceptance as described above:

- 19.19. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares between categories

- 19.20. In the event the Equity Shares tendered by the Small Shareholders in accordance with the process set out under Paragraph 19.15 (Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders) of the Letter of Offer is less than the Reserved Portion, Additional Equity Shares tendered by the Eligible Shareholders in the General Category over and above their Buyback Entitlement shall, in accordance with the Buyback Regulations, be accepted in proportion of the Additional Equity Shares tendered by them i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by an Eligible Shareholder in the General Category divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the Additional Equity Shares that can be accepted due to shortfall in the Reserved Portion.
- 19.21. Clubbing of Entitlement

- 19.26. In order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body –broker” as per the beneficial position data as on the Record Date, with common PAN, are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Post receiving the IDT message from target depository, source Depository will cancel/release excess or unaccepted block shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.
- 20.26.7. The Equity Shares bought back in the dematerialized form would be transferred directly to the demat account of the Company opened for the Buyback ("Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.
- 20.26.8. Excess Equity Shares or unaccepted Equity Shares, in dematerialised form, if any, tendered by the Eligible Shareholders would be transferred by the Clearing Corporation directly to the respective Eligible Shareholder's DP account. If the securities transfer instruction is rejected in the Depository system, due to any issue then such securities will be transferred to the stock broker's depository pool account for onward transfer to the respective Eligible Shareholder.
- 20.26.9. **In relation to the physical Equity Shares: a) If physical Equity Shares tendered by Eligible Shareholders are not accepted, the share certificate would be returned to such Eligible Shareholders by registered post or by ordinary post or courier at the Eligible Shareholders'**

sole risk. The Company also encourages Eligible Shareholders holding physical shares to dematerialize their physical shares. b) If however, only a portion of the physical shares held by an Eligible Shareholder is accepted in the Buyback then the Company shall instead of issuing a split share certificate towards the unaccepted shares, issue a Letter of Confirmation (“LOC”) in accordance with SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022. The LOC shall be dispatched to the address registered with the RTA. The RTA shall retain the original share certificate and deface the certificate with a stamp “Letter of Confirmation Issued” on the face / reverse of the certificate to the extent of the excess physical shares. The LOC shall be valid for a period of 120 days from the date of its issuance, within which the Equity Shareholder shall be required to make a request to their depository participant for dematerializing the physical Equity Shares. In case the Equity Shareholder fails to submit the demat request within the aforementioned period, the RTA shall credit the physical Equity Shares to a separate demat account of the Company opened for the said purpose. The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders’ sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Buyback are completed.

- 20.26.10. The stock broker would issue contract note for the Equity Shares accepted under the Buyback. The Company’s Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
- 20.26.11. Equity Shareholders who intend to participate in the Buyback should consult their respective stock broker for payment to them of any cost, applicable taxes, charges and expenses (including brokerage) that may be levied by the stock broker upon the selling Eligible Shareholder for tendering Equity Shares in the Buyback (secondary market transaction). The Managers to the Buyback and the Company accept no responsibility to bear or pay any additional cost, applicable taxes, charges and expenses (including brokerage) levied by the stock broker, and such costs will be incurred solely by the Eligible Shareholders.
- 20.26.12. The Equity Shares lying to the credit of the Company Demat Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.

20.27. **Rejection Criteria**

- 20.27.1. The Equity Shares tendered by Eligible Shareholders would be liable to be rejected on the following grounds.

For Eligible Shareholders holding shares in the dematerialized form if:

- i. The Shareholder is not an Eligible Shareholder of the Company as on the Record Date;
- ii. There exists any restraint order of a Court/any other competent authority for transfer/disposal/sale or where loss of share certificates has been notified to the Company or where the title to the Equity Shares is under dispute or otherwise not clear or where any other restraint subsists.

21. NOTE ON TAXATION

A. INDIAN TAXATION

THE SUMMARY OF THE TAX CONSIDERATIONS RELATING TO THE BUYBACK OF EQUITY SHARES AS LISTED ON THE STOCK EXCHANGE SET OUT IN THIS SECTION ARE BASED ON THE CURRENT PROVISIONS OF THE TAX LAWS OF INDIA AND THE REGULATIONS THEREUNDER, THE JUDICIAL AND THE ADMINISTRATIVE INTERPRETATIONS THEREOF, WHICH ARE SUBJECT TO CHANGE OR MODIFICATION BY SUBSEQUENT LEGISLATIVE, REGULATORY, ADMINISTRATIVE OR JUDICIAL DECISIONS. ANY SUCH CHANGES COULD HAVE DIFFERENT TAX IMPLICATIONS.

IN VIEW OF THE PARTICULARIZED NATURE OF TAX CONSEQUENCES OF A BUYBACK TRANSACTION, ELIGIBLE SHAREHOLDERS ARE REQUIRED TO CONSULT THEIR TAX ADVISORS FOR THE APPLICABLE TAX PROVISIONS INCLUDING THE TREATMENT THAT MAY BE GIVEN BY THEIR RESPECTIVE TAX OFFICERS IN THEIR CASE, AND THE APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE.

THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF THIS TAX SUMMARY AND THERE CAN BE NO LIABILITY ON THE COMPANY IF ANY ACTION IS TAKEN BY THE SHAREHOLDER SOLELY BASED ON THIS TAX SUMMARY.

THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUYBACK OF EQUITY SHARES LISTED ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

1 General

The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act.

A person who qualifies as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income or income received by such person in India. In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the Company's shares would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Income Tax Act. Further, the non-resident can avail themselves of the beneficial provisions of the Double Taxation Avoidance Agreement between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions of eligibility and otherwise and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The summary of tax implications on the buyback of equity shares listed on the stock exchanges in India is set out below. All references to equity shares in this note refer to equity shares listed on the stock exchanges in India unless stated otherwise.

2 Income tax provisions in respect of buyback of equity shares listed on the recognized stock exchange

- a. Section 115QA of the Income Tax Act, introduced with effect from June 1, 2013, contains provisions for taxation of a domestic company in respect of buy-back of shares. The Finance Act (No 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of equity shares of a company listed on a recognized stock exchange as well. The Section provides for the levy of additional income tax at the rate of twenty per cent (as increased by surcharge and Health and Education cess, as applicable) of the distributed income on account of buyback of shares of all domestic Indian companies including listed companies, i.e., companies whose shares are listed on a recognized stock exchange.
- b. The tax is chargeable on distributed income which is defined under section 115QA to mean the consideration paid by the company on buyback of shares as reduced by the amount which was received by the company for issue of such shares (determined in the manner as prescribed under the Income-tax Rules, 1962). Such tax on distributed income is to be discharged by the company as per the procedure laid down in section 115QA read with any applicable rules framed thereunder. Buyback Tax does not form part of the Buyback Size and will be appropriated out of free reserves of the company.
- c. The tax on the distributed income by the company shall be treated as the final payment of tax in respect of the said income and no further credit therefore is allowable to the company or to any other person in respect of the amount of tax so paid.
- d. No deduction under any other provision of the Income Tax Act shall be allowed to the company or a shareholder in respect of the income which has been charged to tax on the distributed income under section 115QA or the tax thereon.
- e. As additional income-tax has been levied on the company under Section 115QA of the Income Tax Act, the consequential income arising in the hands of shareholders has been exempted from tax under section 10(34A) of the Income Tax Act. Accordingly, any income arising in the hands of shareholder (whether resident or non-resident) on account of buyback of shares shall be exempt from any subsequent tax in India irrespective of the characterisation of the shares, i.e. whether long term or short term or held as investment or stock-in-trade.

3 Taxation for Global Depository Shares ('GDS') holders ('Holder')

A non-resident Holder may participate in the Buyback by submitting their GDSs to the Depository for cancellation and withdrawing the underlying Equity Shares and then tendering those Equity Shares back to the Company for buyback through the stock exchange in India. There can be no assurance that the Equity Shares offered by a Holder in the Buyback will be accepted.

Holder are advised to consult their legal, financial and tax advisors for advice prior to participating in the Buyback, including advice related to any regulatory approvals and tax issues.

The following is a brief summary of capital gains taxation in respect of GDSs (as defined in Explanation to Section 115AC read with 115ACA of the Income Tax Act) issued to non-resident holders against the issue of ordinary equity shares of the Company:

- a. There are no specific tax provisions enumerating India tax consequences on redemption of GDSs into Equity Shares. If GDSs are treated as a title receipt to underlying shares of an Indian company, there are good arguments to support that Equity Shares received by non-resident Holders upon redemption of GDSs may not be considered as transfer and hence not subject to capital gains tax in India at the point of redemption. While there are arguments in favor of the position that redemption of GDSs into equity shares should not be subject to capital gains tax, the law is not clear on this and there are no relevant tax rulings. As a result, this view is not free from doubt.
- b. Refer to the India tax implications as provided above in connection with the buyback of shares post conversion of GDSs.

4 RATE OF SURCHARGE AND CESS

The applicable Surcharge and Health and Education Cess leviable on a Buyback transaction in all circumstances would be 12% and 4% respectively.

THE ABOVE NOTE ON TAXATION SETS OUT THE PROVISIONS OF LAW IN A SUMMARY MANNER ONLY AND IS NOT A COMPLETE ANALYSIS OR LISTING OF ALL POTENTIAL TAX CONSEQUENCES OF THE DISPOSAL OF EQUITY SHARES. THIS NOTE IS NEITHER BINDING ON ANY REGULATORS NOR CAN THERE BE ANY ASSURANCE THAT THEY WILL NOT TAKE A POSITION CONTRARY TO THE COMMENTS MENTIONED HEREIN. HENCE, YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISORS FOR THE TAX PROVISIONS APPLICABLE TO YOUR PARTICULAR CIRCUMSTANCES.

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

B. CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of certain material U.S. federal income tax consequences that may be relevant with respect to a participation in the Buyback of Equity Shares to U.S. holders (as defined below) (or the exchange of GDSs for Equity Shares and subsequent participation in the Buyback) and is for general information only. For purposes of this discussion, "U.S. holders" are (i) individuals who are citizens or residents of the United States, (ii) corporations (or other entities treated as corporations for U.S. federal income tax purposes) created in or organized under the laws of the United States or any political subdivision thereof or therein, (iii) estates, the income of which is subject to U.S. federal income taxation, regardless of its source and (iv) trusts (A) that have in effect a valid election to be treated as a U.S. person under U.S. Treasury regulations or (B) for which the administration is subject to the primary supervision of a U.S. court and a U.S. person within the meaning of the Code (as defined below) has the authority to control all substantial decisions.

This summary is limited to U.S. holders who hold Equity Shares or GDSs as capital assets. In addition, this summary is limited to U.S. holders who are not residents in India for purposes of the Convention between the Government of the United States of America and the Government of the Republic of India for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income (the “**Treaty**”). If a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holds the Equity Shares or GDSs, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. A partner in a partnership holding Equity Shares or GDSs should consult its own tax advisor.

This summary does not address any tax considerations arising under the laws of any U.S. state or local or non-U.S. jurisdiction, potential application of the Medicare contribution tax on net investment income, or tax considerations under any U.S. non-income tax laws. In addition, this summary does not address tax considerations applicable to U.S. holders that may be subject to special tax rules, such as banks, insurance companies, regulated investment companies, real estate investment trusts, financial institutions, dealers in securities or currencies, tax-exempt entities, persons liable for alternative minimum tax, persons that hold Equity Shares or GDSs as a position in a “straddle” or as part of a “hedging” or “conversion” transaction for tax purposes, persons holding GDSs or Equity Shares through partnerships or other pass-through entities, persons that have a “functional currency” other than the U.S. dollar, persons who are subject to special tax accounting rules under Section 451(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”) or U.S. holders of 10% or more, by voting power or value, of the paid-up share capital of the Company. This summary is based on the tax laws of the United States as in effect on the date of this document and on U.S. Treasury regulations in effect or, in some cases, proposed, as of the date of this document, as well as judicial and administrative interpretations thereof available on or before such date and is based in part on the assumption that each obligation in the Deposit Agreement and any related agreement will be performed in accordance with its terms. All of the foregoing is subject to change, which change could apply retroactively and could affect the tax consequences described below.

EACH ELIGIBLE SHAREHOLDER SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF PARTICIPATING IN THE BUYBACK.

1. OWNERSHIP OF GDSs

For U.S. federal income tax purposes, U.S. holders of GDSs will generally be treated as the owners of Equity Shares represented by such GDSs. Accordingly, the conversion of GDSs into Equity Shares to participate in the Buyback will generally not be subject to U.S. federal income tax.

2. TAX TREATMENT OF BUYBACK

An exchange of Equity Shares for cash by a U.S. holder pursuant to the Buyback will be a taxable transaction for U.S. federal income tax purposes. Accordingly, depending on the applicable U.S. holder’s particular circumstances, such tendering U.S. holder will be treated either as recognizing gain or loss from the disposition of the Equity Shares or as receiving a distribution from the Company. Under Section 302 of the Code, a tendering U.S. holder will recognize gain or loss on the exchange of Equity Shares for cash if the exchange:

- results in a “complete termination” of the U.S. holder’s interest in the Company;
- results in a “substantially disproportionate” redemption with respect to such U.S. holder; or
- is “not essentially equivalent to a dividend” with respect to the U.S. holder.

In determining whether any of the foregoing tests are satisfied, a U.S. holder takes into account not only Equity Shares actually owned by the U.S. holder, but also Equity Shares that are constructively owned by it. A U.S. holder may constructively own, in addition to Equity Shares owned directly, Equity Shares owned by certain related individuals and entities in which the U.S. holder has an interest or that have an interest in such U.S. holder, as well as any Equity Shares that the U.S. holder has a right to acquire by exercise of an option.

The receipt of cash by a U.S. holder in the exchange of Equity Shares will be deemed to result in a “complete termination” of the U.S. holder’s interest in the Company if either: (i) all the Equity Shares actually and constructively owned by the U.S. holder are redeemed or (ii) all the Equity Shares actually owned by a U.S. holder are redeemed pursuant to the Buyback, the U.S. holder is eligible to waive, and effectively waives under procedures described in Section 302 of the Code, constructive ownership of Equity Shares owned by family members, and the U.S. holder does not actually or constructively own any other Equity Shares of the Company (after giving effect to such waiver). Any U.S. holder intending to waive family attribution for purposes of satisfying the requirement set forth in the preceding clause (ii) should consult with his or her own tax advisor.

An exchange of Equity Shares for cash will generally be a substantially disproportionate redemption with respect to a U.S. holder if the percentage of the paid-up share capital actually and constructively owned by such U.S. holder immediately after the exchange is, among other requirements, less than 80% of the percentage of the paid-up share capital owned by such U.S. holder immediately before the exchange and, immediately after the exchange, the U.S. holder owns less than 50% of the total combined voting power of all classes of paid-up share capital entitled to vote.

An exchange of Equity Shares for cash will not be essentially equivalent to a dividend if it results in a “meaningful reduction” of the U.S. holder’s proportionate equity interest in the Company based on such U.S. holder’s particular facts and circumstances.

The Internal Revenue Service (the “**IRS**”) has indicated in published rulings that a relatively minor reduction of the proportionate equity interest of a small minority U.S. holder in a publicly held corporation who does not exercise any control over, or participate in the management of, corporate affairs may constitute a “meaningful reduction.”

Sale or Exchange. Subject to the “passive foreign investment company” (the “**PFIC**”) rules described below, if a U.S. holder is treated under the Section 302 tests as recognizing gain or loss for U.S. federal income tax purposes from the exchange of Equity Shares for cash, such gain or loss will be equal to the difference between the U.S. dollar value of the amount realized and the U.S. holder’s tax basis, determined in U.S. dollars, in the Equity Shares. Gain or loss recognized will be long-term capital gain or loss with respect to Equity Shares held for more than 12 months at the time of the disposition and any gain recognized will generally be income from sources within the United States for foreign tax credit limitation purposes. Long-term capital gains of non-corporate U.S. holders are generally taxed at preferential rates. Capital gains realized by a U.S. holder upon sale of Equity Shares may be subject to tax in India, including withholding tax. See “Certain Tax Consequences of the Buyback for Non- Resident Shareholders – Indian Taxation.” Due to limitations on foreign tax credits, a U.S. holder may not be able to claim a credit against the U.S. holder’s federal income tax liability in respect of such Indian taxes. U.S. holders should consult their own tax advisors regarding the tax treatment to them if the Buyback is treated as a sale or exchange, including the treatment of Indian taxes, if any.

Distribution. If a U.S. holder is not treated under the Section 302 tests as recognizing gain or loss from the exchange of Equity Shares for cash, such U.S. holder will be treated as having received a distribution from the Company. The gross amount of the distribution will generally be treated as dividend income to the extent made from the current or accumulated earnings and profits (as determined under U.S. federal income tax principles) of the Company. Such dividends will not be eligible for the dividends received deduction generally allowed to corporate U.S. holders in respect of dividends received from domestic corporations. To the extent, if any, that the amount of the distribution exceeds the Company’s current and accumulated earnings and profits as determined under U.S. federal income tax principles, such excess will be treated first as a tax-free return of capital to the extent of the U.S. holder’s tax basis in the Equity Shares and thereafter as capital gain (generally subject to tax as described above).

The Company does not intend to calculate its earnings and profits according to U.S. federal income tax principles. Accordingly, notwithstanding the discussion in the preceding paragraph, if the Buyback is treated as a distribution on the Company’s Equity Shares, such distribution will generally be taxed to the U.S. holder as a dividend for U.S. tax purposes. In addition, as discussed above, a U.S. holder may not be able to claim a credit against the U.S. holder’s federal income tax liability in respect of such Indian taxes.

Subject to certain conditions and limitations, including the PFIC rules described below, dividends paid to non-corporate U.S. holders, including individuals, may be treated as a “qualified dividend” and, therefore, eligible for a reduced rate of taxation if the Company is deemed to be a “qualified foreign corporation” for U.S. federal income tax purposes. A qualified foreign corporation includes a foreign corporation (1) with respect to any dividend it pays on its shares that are readily tradable on an established securities market in the United States, or (2) if it is eligible for the benefits under a comprehensive income tax treaty with the United States that the U.S. Treasury Secretary determines is satisfactory and that includes an exchange of information program. In addition, a corporation is not a qualified foreign corporation if it is a PFIC in the current taxable year or the prior taxable year (as discussed below). Although the Equity Shares are not themselves listed on a U.S. exchange, the Company may be eligible for benefits under the Treaty, which the U.S. Treasury Secretary has determined is satisfactory for this purpose and includes an exchange of information program.

EACH U.S. HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR REGARDING THE TREATMENT OF DIVIDENDS AND SUCH U.S. HOLDER’S ELIGIBILITY FOR REDUCED RATE OF TAXATION UNDER THE LAW IN EFFECT FOR THE YEAR OF THE BUYBACK AND WHETHER ANY FOREIGN TAX CREDITS ARE AVAILABLE TO IT IN RESPECT OF INDIAN TAX, IF ANY.

3. PASSIVE FOREIGN INVESTMENT COMPANY

A non-U.S. corporation will be classified as a PFIC for U.S. federal income tax purposes if either:

- 75% or more of its gross income for the taxable year is passive income; or
- 50% or more of its average quarterly value of its assets during the taxable year is attributable to assets that produce or are held for the production of passive income.

For purposes of these tests, a non-U.S. corporation that directly or indirectly owns at least 25% by value of the shares of another corporation is treated as if it directly held its proportionate share of the assets of, and directly received its proportionate share of the income of, such other corporation. Passive income generally includes dividends, interest, rents, royalties and capital gains.

The Company has not undertaken any analysis as to its PFIC status and thus there can be no assurance whether the Company is or has been a PFIC for any taxable year or may be treated as a PFIC for its current taxable year. If the Company were to be a PFIC for any taxable year in which a U.S. holder held Equity Shares or GDSs, any gain recognized by the U.S. holder on a sale or other disposition of the shares of Equity Shares (including as a result of the Buyback) would generally be allocated ratably over the U.S. holder’s holding period for its Equity Shares. The amounts allocated to the taxable year of the sale or other disposition and to any year before the Company became a PFIC would be taxed as ordinary income. The amount allocated to each other taxable year would be subject to tax at the highest rate in effect for individuals or corporations, as appropriate, for that taxable year, and an interest charge would be imposed. Further, to the extent that any distribution received by a U.S. holder on its Equity Shares were to exceed 125% of the average of the annual distributions on the Equity Shares received during the preceding three years or the U.S. holder’s holding period, whichever is shorter, that distribution would be subject to taxation in the same manner as gain on the sale or other disposition of Equity Shares if the Company is a PFIC, described above. If the Company is treated as a PFIC with respect to a U.S. holder for any taxable year, the U.S. holder would be subject to the PFIC rules with respect to any of the Company’s subsidiaries that are also PFICs. Unless a U.S. holder has made a “qualified electing fund” or “mark-to-market” election (as described below) with respect to the Equity Shares, a U.S. holder that holds Equity Shares during a period in which the Company is a PFIC will be subject to the PFIC rules for that taxable year and all subsequent taxable years in which the U.S. holder holds Equity Shares, even if the Company ceases to be a PFIC. In addition, individual U.S. holders will not be eligible for the reduced rates of dividend taxation described above if the Company is a PFIC for the fiscal year of the dividend payment or the preceding taxable year.

If the Company is or was a PFIC in any year, so long as the Equity Shares or GDSs are and remain “marketable,” a U.S. holder may have been able to avoid the excess distribution rules described above by having made a

timely so-called “mark-to-market” election with respect to such U.S. holder’s Equity Shares or GDSs at the close of the first taxable year in which it held the Equity Shares. U.S. holders should consult their own tax advisors with respect to any mark-to-market election(s) that have been made and the tax consequences of the Buyback if such an election is in effect.

In addition, if the Company is or was a PFIC in any year, a U.S. holder may have been able to avoid the excess distribution rules described above by making a timely so-called “qualified electing fund,” or “**QEF**”, election to be taxed currently on such U.S. holder’s pro rata portion of the Company’s income and gain. However, the Company has not provided the information necessary for the QEF election, so such election generally would not have been available to U.S. holders.

In addition, certain information reporting obligations on IRS Form 8621 may apply to U.S. holders if the Company is determined to be a PFIC, including in the year of a sale or disposition.

4. BACKUP WITHHOLDING TAX AND INFORMATION REPORTING

Any dividends on, or proceeds from a sale of, Equity Shares paid to a U.S. holder may be subject to U.S. information reporting and backup withholding unless such U.S. holder is an exempt recipient or provides a U.S. taxpayer identification number, certifies that such holder is not subject to backup withholding and otherwise complies with any applicable backup withholding requirements. Any amount withheld under the backup withholding rules may be credited against the U.S. holder’s U.S. federal income tax liability (subject to certain rules and limitations).

THE ABOVE SUMMARY IS NOT INTENDED TO BE A COMPLETE ANALYSIS OF ALL TAX CONSEQUENCES RELATING TO PARTICIPATION IN THE BUYBACK. YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISORS REGARDING THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO YOUR PARTICULAR CIRCUMSTANCES, AS WELL AS ANY ADDITIONAL TAX CONSEQUENCES RESULTING FROM PARTICIPATION IN THE BUYBACK, INCLUDING THE APPLICABILITY AND EFFECT OF THE TAX LAWS OF ANY STATE, LOCAL OR NON-U.S. JURISDICTION AND ANY ESTATE, GIFT AND INHERITANCE LAWS.

This declaration is made and issued pursuant to the resolution passed at the meeting of the Board held on July 25, 2023.
