**To the Resolution Professional and Board of Directors
Innovative Tyres and Tubes Limited**

Qualified Opinion

We have audited the accompanying financial results of Innovative Tyres and Tubes Limited for the half-year ended 31st March, 2022 and the year-to-date results for the period from 1st April, 2021 to 31st March, 2022, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. except for the possible effects of matters described in basis of qualified opinion below, give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other financial information for the half-year ended 31st March, 2022 as well as the year to date results for the period from 1st April, 2021 to 31st March, 2022.

Basis for Qualified Opinion

1. Attention is invited to Note 5 of the statement, the Company has defaulted in repayment of loan taken from State Bank of India. Company's accounts have been classified as Non-Performing Assets (NPA) by the Bank as on 6th March 2022. The Company's Bankers have not charged any interest for the month of March 2022, and it has reversed unrealised interest already charged in accounts. The Company has not made any provision for Interest which has not been charged (including unrealized interest) by the bank on account of NPA on Bank Borrowings and accordingly the loss & finance cost for the half year and year ended 31st March 2022 are understated and not quantifiable.
2. The Company has received claims from its Operational and Financial Creditors post initiation of Corporate Insolvency Resolution Process. Claims of these creditors are under process of verification with books of accounts and no impact has been taken in books of accounts. Due to pending process of

BRANCH:

verifications and reconciliations, consequential impact of the same on financial results of the company cannot be ascertained.

3. We draw attention to the note no. 9 of the statement with respect to assessment of impairment of Property, Plant and Equipments, based on internal evidences and in accordance to AS 28 "Impairment of Asset", the Company is required to determine impairment losses in respect of Property, Plant and Equipments as per the methodology prescribed under the said Standard. However, the Management of the Company has not done impairment testing for the reasons explained in note no. 9. In the absence of any working for impairment of the Property, Plant and Equipments as per AS, the impact of impairment losses, if any, on the financial results is not ascertainable.
4. The Company has appointed external agency for internal audit under section 138 of the Companies Act 2013. However no internal audit report has been furnished to us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern:

The Company has been continuously incurring cash losses past three years. Net worth of the Company has been substantially eroded. The Company has incurred operating losses and is undergoing substantial financial stress. It has defaulted in repayment of loans (including interest thereon) taken from lenders. Further credit rating of the Company is also downgraded to "D" grade from "BB" grade during the year. The Company is unable to utilise its assets effectively.

One Operational creditor has filed the petition for initiation of Corporate Insolvency Resolution Process (CIRP) with Hon'ble NCLT Ahmedabad under section 9 of Insolvency and Bankruptcy Code 2016. The said petition has been admitted vide Order of Hon'ble NCLT Ahmedabad dated 28th March 2022. Mr. Abhishek Nagori has been appointed as the Resolution Professional (RP) in terms of the Insolvency and Bankruptcy code 2016 to manage the affairs of the Company as per the provisions of the Code.

The financial results of the Company have been prepared on the going concern basis under the ongoing Corporate Insolvency Resolution Process (CIRP), the outcome of which cannot be presently ascertained. The appropriateness of the assumptions of

the going concern is critically depended upon outcome of the ongoing CIRP. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Financial Results

These half-yearly financial results as well as the year-to-date financial results have been prepared on the basis of the standalone annual financial statements. The Company's management under direction of Resolution Professional (RP) are responsible for the preparation of these financial results that give a true and fair view of the net profit (loss) and other financial information in accordance with the recognition and measurement principles laid down in Accounting Standard 25, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the management under direction of Resolution Professional (RP) are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management under direction of Resolution Professional (RP) are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.
