Dear Sir/Madam,

With reference to above captioned subject matter and pursuant to Reg. 30 of SEBI (Listing obligation and Disclosure Requirements), Regulations, 2015, we wish to inform that Swiss based HBM Healthcare Investments; a leading global healthcare private equity recently invested Rs 14.85 crore in Sakar Healthcare through its wing COBRA. Sakar is one the fastest growing pharmaceutical companies in India, engaged in manufacturing and marketing of premium medicines with a product portfolio of 155 formulations in more than 23 therapeutic areas.

Its Liquid & Lyophilized injectable facility received EU GMP approval in March 2020. The company has recently set up a research-driven backwardly integrated Oncology manufacturing unit.
