ANNEXURE TO NOTICE:**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013****ITEM No.3****CONSIDER AND APPROVE THE PROPOSAL OF INCREASE IN LIMIT UP TO RS. 20 CRORES TO MAKE INVESTMENTS, LOAN/GUARANTEE & ADVANCES IN EXCESS OF LIMITS SPECIFIED UNDER SECTION 186 OF COMPANIES ACT, 2013**

The Company may make investments in, give loans and guarantees to and providing securities in connection with loans to various persons and bodies corporate (including its subsidiary) from time to time, in compliance with the applicable provisions of the Act. The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, to (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, with prior approval of Members by means of a Special Resolution is required.

In view of the above and considering the long term business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits, subject to the approval of members the proposed to be increased in the limit up to Rs. 20 Crores for the company. Hence, the Special Resolution at Item No. 3 of the Notice, notwithstanding the fact that the same exceeds the limits provided under Section 186 of the Act.

The Directors, therefore, recommend the Resolution as set out in item no. 3 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

ITEM No.4**TO CONSIDER AND APPROVE THE PROPOSAL OF INCREASE IN LIMIT UP TO RS. 20 CRORES OF RELATED PARTY TRANSACTION FOR THE FINANCIAL YEAR 31ST MARCH, 2023**

Pursuant to Section 188 of the Companies Act, 2013 ("the Act"), read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 the Company is required to obtain consent of the Board/Audit Committee and prior approval of the members by resolution in case certain Related Party Transactions exceed such sum as is specified in the rules, the company in its meeting dated 5th September, 2022 get approval for all 'material' related party transactions (RPT) from Board and its Committees for any of the Related Party Transactions to be done by company in future up to the limit prescribed here. The aforesaid provisions are not applicable in respect transactions entered into by the Company in the ordinary course of business.

However, pursuant to Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), approval of the shareholders through Ordinary Resolution is required for all 'material' related party transactions (RPT) even if they are entered into in the ordinary course of business on an arm's length basis. For this purpose, a RPT will be considered 'material' if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year exceeds 10% or any amended prescribed limits as per the Companies Act, 2013 and its Rules, SEBI (LODR) Regulations, 2015 of the Company as per the last audited financial statements of the Company.

In terms of the provisions of Section 188 of the Companies Act, 2013 and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the contracts/ arrangements/transactions relating to sale, purchase, transfer or receipt of products, goods, materials, assets or services, selling or otherwise disposing, lending, borrowing, Sub Contract Arrangement, appointment to any office or place of profit, availing or rendering of any services, leasing of property on such terms and conditions as the Board of Directors may deem fit, up to a maximum aggregate value of 20 Crore for the financial year 2022-23, provided that the said contract(s)/ arrangement(s)/ transaction(s) so carried out in the ordinary course of business of the Company.

The Directors, therefore, recommend the Resolution as set out in item no. 4 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

ITEM No. 5

TO CONSIDER AND APPROVE THE PROPOSAL OF INCREASE IN LIMIT UP TO RS. 20 CRORES OF BORROWING POWER IN EXCESS OF LIMITS SPECIFIED UNDER SECTION 180 (1) (C) OF COMPANIES ACT, 2013.

Keeping in view the existing and future financial requirements to support its business operations, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits to 20 crores for the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting. In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1) (a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting, which authorization is also proposed to be increased to Rs. 20 Crores for the Company.

The Directors, therefore, recommend the Resolution as set out in item no. 5 for the approval of the Members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are in any way, financially or otherwise concerned or interested in this Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW:

The real estate sector in India has come a long way by becoming one of the fastest growing markets in the world. It is not only successfully attracting domestic real estate developers, but foreign investors as well. The growth of the industry is attributed mainly to large population base, rising income level, and rapid animation.

The sector comprises of four sub-sectors – housing, retail, hospitality and commercial. While housing contributes to five-six percent of the country's gross domestic product (GDP), the remaining three sub-sectors are also growing at a rapid pace, meeting the increasing infrastructural needs.

The real estate sector has transformed from being unorganized to a dynamic and organized sector over the past decade. Government policies have been instrumental in providing support after recognizing the need for infrastructure development in order to ensure better standard of living for its citizens. In addition to this adequate infrastructure forms a prerequisite for sustaining the long term growth momentum of the economy.

The Indian real estate sector is one of the most globally recognized sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 percent over the next decade. It comprises four sub-sectors – housing, retail, hospitality and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

It is also expected that this sector will incur more non-resident Indian (NRI) investments in the near future, as a survey by an industry body has revealed a 35 percent surge in the number of enquiries with property dealers. Bengaluru is expected to be the most favored property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun. Private Equity (PE) funding has picked up in the last one year due to attractive valuations. Furthermore, with the Government of India introducing newer policies helpful to real estate, this sector has garnered sufficient growth in recent times.

REAL ESTATE MARKET:

The real estate sector in India is being recognized as an infrastructure service that is driving the economic growth engine of the country. The Indian real estate market size is expected to touch US\$180 billion by 2020. Foreign direct investment (FDI) in the sector is expected to increase to US\$ 25 billion in the next 10 years, from present US\$ 4 billion.

According to Department of Industrial Policy and Promotion (DIPP), the construction development sector in India has received foreign direct investment (FDI) equity inflows to the tune of US\$ 23,874.1 million in the period April 2000-September 2014.

The Indian real estate market size is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6 percent to the country's gross domestic product (GDP). Also, in the period FY 2008-2020, the market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 percent. Retail, hospitality and commercial real estate are also growing significantly, providing the much needed infrastructure for India's growing needs.

Mumbai is the best city in India for commercial real estate investment, with returns of 12-19 percent likely in the next five years, followed by Bengaluru and Delhi National Capital Region (NCR). Also Delhi NCR was the biggest office market in India with 10 million sqft out of which 88 million sqft were occupied. Sectors such as IT and ITeS, retail consulting and e-commerce have registered high demand for office space in recent times.

The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy. The industry's growth is linked to developments in the retail, hospitality and entertainment (hotels, resorts, cinema theatres) sectors, economic services (hospitals, schools) and information technology (IT) – enabled series (like call centers) etc., and vice versa.

The sector is divided into four sub-sectors:

- Housing
- Retail
- Hospitality
- Commercial

The housing subsector contributes five-six percent to the country's gross domestic product. Meanwhile, retail, hospitality and commercial real estate are also growing significantly catering to India's growing needs of infrastructure.

The Indian real estate market size is expected to touch US\$ 180 billion by 2020.

India is going to produce an estimated 2 million new graduates from various Indian universities during this year, creating demand for 100 million sqft of office and industrial space.

CHALLENGES:

The key challenges that the Indian real estate industry is facing today are:

- Lack of clear land titles.
- Absence of title insurance
- Absence of industry status
- Lack of adequate sources of finance
- Shortage of labor
- Rising manpower and material costs
- Approvals and procedural difficulties

INDEPENDENT AUDITOR'S REPORT**TO MEMBERS OF
SALASAR EXTERIORS AND CONTOUR LIMITED****Report on the Accounting Standards Financial Statements****Opinion**

We have audited the accompanying standalone financial statements of financial statements of **SALASAR EXTERIORS AND CONTOUR LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March 2022**, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2022**, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including Accounting standards referred to in section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Mater

We draw the attention to note no. 36 of the financial statement which describe sundry income from sundry balances written off from balance sheet amounting around Rs. 4.79 crore, our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE FINANCIAL STATEMENT OF
SALASAR EXTERIORS AND CONTOUR LIMITED FOR THE YEAR ENDED 31ST MARCH 2022**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **SALASAR EXTERIORS AND CONTOUR LIMITED** ('the Company') as of **31st March, 2022** in conjunction with our audit of the Accounting Standards financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to financial statement of **SALASAR EXTERIORS AND CONTOUR LIMITED** ('The Company') as of **31st March 2022** in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March, 2022**, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

All other assets and liabilities are classified as Non - Current.

For the purpose of Current / Non - Current classification of assets and liabilities, the Company has ascertained its operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of the assets or liabilities for processing and their realization in Cash and Cash Equivalents.

1.2 Basis of Preparation

a) Property, Plant & Equipment and Intangible Assets:-

- i. The company has adopted Cost Model to measure the gross carrying amount of Property Plant & Equipment.
- ii. Tangible Property Plant & Equipment are stated at cost of acquisition less accumulated depreciation. Cost includes the purchase price and all other attributable costs incurred for bringing the asset to its working condition for intended use.
- iii. Intangible assets are stated at the consideration paid for acquisition and customization thereof less accumulated amortization.
- iv. Cost of fixed assets not ready for use before the balance sheet date is disclosed as Capital Work in Progress. **W3**
- v. Cost of Intangible Assets not ready for use before the balance sheet date is disclosed as Intangible Assets under Development.

b) Depreciation / Amortisation : -

Depreciation has been provided under Straight Line Method at the rates prescribed under schedule III of the Companies Act, 2013 on single shift and Pro Rata Basis to result in a more appropriate preparation or presentation of the financial statements.

In respect of assets added/sold during the year, pro-rata depreciation has been provided at the rates prescribed under Schedule II.

Intangible assets being Software are amortized over a period of its useful life on a straight line basis, commencing from date the assets are available to the company for its use.

c) Impairment of Assets:-

An asset is treated as impaired when the carrying cost of an asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior period is reversed if there has been a change in the estimate of the recoverable amount.

d) Investments:-

- Long term investments are stated at cost. Provision for diminution in the value of long-term investment is made only if such decline is other than temporary.
- Current investments are stated at lower of cost or market value. The determination of carrying amount of such investment is done on the basis of specific identification.

e) Government Grants and Subsidies:-

The Company is entitled to receive any subsidy from the Government authorities or any other authorities in respect of manufacturing or other facilities are dealt as follows:

- Grants in the nature of subsidies which are non – refundable are credited to the respective accounts to which the grants relate, on accrual basis, where there is reasonable assurance that the Company will comply with all the necessary conditions attached to them.
- Grants in the nature of Subsidy which are Refundable are shown as Liabilities in the Balance Sheet at the Reporting date.

f) Retirement Benefits:-

a) Short Term Employee Benefits:

All employee benefits payable within twelve months of rendering the service are classified as short term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. and the same are recognised in the period in which the employee renders the related service.

b) Employment Benefits:

i) Defined Contribution Plans:

The company has Defined Contribution Plans for post employment benefit in the form of Provident Fund which are administered by the Regional Provident Fund Commissioner. Provident Fund are classified as defined contribution plans as the company has no further obligation beyond making contributions. The company's contributions to defined contribution plans are charged to the Statement of Profit and Loss as and when incurred.

ii) Defined Benefit Plans:

a) Gratuity:

The company has defined benefit plan for post employment benefit in the form of gratuity for the employees which are administered through Life Insurance Corporation of India.
