Zero cases! Bidar first to become Covid-free

RAMKRISHNA BADSESHI
@Bidar:

BIDAR district on Thursday became the first Covid-free district in Karnataka. No cases were reported on September 2, and all patients under treatment and in home quarantine have recovered, giving Bidar the distinction of having zero cases.

It may be recalled that during the first and second waves of Covid, Bidar district gave cause for concern as Covid cases kept mounting. But in the past one month, cases have decreased considerably.

The district recorded 24,300 positive cases in the last two waves -- 23,898 persons recovered and 398 persons died.

In all, 7,54,223 people above the age of 18 were given the first dose of vaccination. Official sources said that perhaps more people are getting vaccinated and following Covid-19 protocols, which could be the reason for the district becoming Covid-free.

However, official sources maintained that the district administration will keep vigil and continue taking all precautionary measures, as many villages are on the Maharashtra and Telangana borders. Testing will continue, sources said.

Highest recovery rate yet at 98.11 pc

Bengaluru: The state reported its highest Covid-19 recovery rate yet with 1,252 discharges taking the percentage to 98.11 and the tally to 28,96,079.
