Independent Auditor's Report on Unaudited Quarterly Standalone Financial Results of VISA Steel Limited pursuant to regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015.

To, The Board of Directors, VISA Steel Limited VISA HOUSE 8/10 Alipore Road Kolkata – 700 027

 We have reviewed the accompanying statement of unaudited standalone financial results of M/s. VISA Steel Limited ('the Company') for the quarter ended June 30, 2021 together with notes thereon (herein after referred to as 'the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Regulation) as amended.

### Management's Responsibility for the standalone financial results

2. This Statement is the responsibility of the Company's Management and approved by the Board of Directors in their meeting held on August 13, 2021. Our responsibility is to issue a report on the Statement based on our review.

## Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to enquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

### **Basis of Qualified Conclusion**

4. We draw attention to Note 4 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Company. The accumulated interest not provided as on June 30, 2021 is Rs.7,526.13 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21 and Rs.318.47 million for the quarter ended June 30, 2021 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter ended June 30, 2021 would have been Rs.374.02 million instead of the reported amount of Rs.55.55 million. Total expenses for the quarter ended June 30, 2021 would have been Rs.1,570.79 million instead of the reported amount of Rs.1,252.32 million. Net loss after tax for the quarter ended June 30, 2021 would have been Rs.515.49 million instead of the reported amount of Rs.197.02 million. Total Comprehensive Income for the quarter ended June 30, 2021 would have been Rs.(518.71) million instead of the reported amount of Rs.(200.24) million. Loss per share for the quarter ended June 30, 2021 would have been Rs.4.45 instead of the reported amount of Rs.1.70.

The above reported interest has been calculated using Simple Interest Rate.

### **Qualified Conclusion**

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### 6. We draw your attention to the following matters:

## a) Material Uncertainty Relating to Going Concern

We draw attention to Note - 3 and 6 to the standalone financial results regarding the preparation of the statement on a going concern basis, for the reason stated therein. The Company has accumulated losses and has also incurred losses during the quarter ended June 30, 2021. As on date, the Company's current liabilities are substantially higher than its current assets and the Company's net worth has also been fully eroded. Further the State Bank of India (financial creditor) had filed an application before National Company Law Tribunal (NCLT) Kolkata Bench for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC), which was dismissed by NCLT, Cuttack Bench. SBI preferred an appeal before National Company Law Appellate Tribunal (NCLAT) New Delhi which has directed the NCLT, Cuttack Bench to restore the application and proceed further in accordance with law. The NCLAT order has been challenged by the Company in the Hon'ble Supreme Court which is pending. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern and therefore it may be unable to realise its assets and discharge its liabilities including potential liabilities in the normal course of business.

All the assets including non-current assets and liabilities are still being carried at their book value. The appropriateness of assumption of going concern, and evaluation of recoverable value of its non-current assets is critically dependent upon the debt resolution of the Company which is under process, the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Company to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Company.

Management of the Company has prepared the statement on going concern basis based on their assessment of the successful outcome of the debt resolution which will enhance the Company's viability and accordingly no adjustments have been made to the carrying value of the assets and liabilities.

b) Refer Note 5 to the Statement regarding accounting for transfer of Special Steel Undertaking, pursuant to the Scheme of Arrangement ("the scheme") approved by the National Company Law Tribunal vide its order dated July 8, 2019, all the assets and liabilities of the Special Steel Undertaking of Visa Steel Limited ("transferor Company" or "the Company") has been transferred to and vested in Visa Special Steel Limited, (a wholly owned step down subsidiary) ("VSSL" or "transferee Company") on a going concern basis from April 1, 2013 being the appointed date. Effective date of the scheme is July 13, 2019 being the date on which certified copy of the order sanctioning the said scheme is filed with the Registrar of Companies, Cuttack.

On January 17, 2020, Hon'ble Supreme Court of India vide its ex-parte order in Civil Appeal No. 56 of 2020 filed by State Bank of India, has ordered issuance of notice and in the meanwhile stayed the aforesaid NCLT Order. The NCLT Order had been given effect to and stood implemented by the Company prior to January 17, 2020.

.....contd.

To give the impact of the sanctioned scheme, the Standalone Financial Statement of the Company for the year ended March 31, 2019 were revised and the same were approved by the Board of Directors in their meeting held on October 18, 2019 and audited by us on which we have issued our audit report dated October 18, 2019 and same were approved by the members in their meeting held on December 23, 2019. In compliance to the sanctioned schemes, the company has transferred various income, expenses, assets and liabilities related to special steel undertaking to VSSL from 1st April 2013 resulting in accumulated receivable of Rs.3,828.14 million from VSSL as on June 30, 2021 (March 31, 2021: Rs.3,776.91 million). Since the matter is pending with Hon'ble Supreme Court, the impact of the sanctioned scheme considered as above on financial statements including aforesaid receivable from a subsidiary VSSL is dependent on the final judgment of the Hon'ble Supreme Court.

### **Other Matter**

7. That the figures for the quarter ended March 31, 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not qualified in respect of above matters.

#### **Qualified Conclusion**

- 5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

  - d) VISA Special Steel Limited (VSSL), a wholly owned subsidiary of VFCL

Joint Ventures

VISA Urban Infra Limited

## 7. We draw attention to the following matters:

## a) Material Uncertainty Relating to Going Concern

Refer Note 4 to the consolidated financial results regarding the preparation of the consolidated financial results on going concern basis, for the reason stated therein. The Parent Company and one of its subsidiary VISA Special Steel Limited (VSSL), has accumulated losses and has also incurred losses during the quarter ended June 30, 2021. As on date, the Parent Company and one of its subsidiary VSSL's current liabilities are substantially higher than its current assets and their net worth has also been fully eroded. Further the State Bank of India (financial creditor) had filed an application before National Company Law Tribunal (NCLT) Kolkata Bench for initiating Corporate Insolvency Resolution Process (CIRP) of the Parent Company under Insolvency and Bankruptcy Code (IBC), which was dismissed by NCLT, Cuttack Bench. SBI preferred an appeal before National Company Law Appellate Tribunal (NCLAT) New Delhi which has directed the NCLT, Cuttack Bench to restore the application and proceed further in accordance with law. The NCLAT order has been challenged by the Parent Company before the Hon'ble Supreme Court which is pending. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in the normal course of business.

All the assets including non-current assets and liabilities of the Group are still being carried at their book value except in respect of one of its subsidiary VISA Special Steel Limited (VSSL) where part of the non-current assets have been impaired and are carried at its recoverable value. The appropriateness of assumption of going concern, and evaluation of recoverable value of non-current assets of the Parent Company is critically dependent upon the debt resolution of the Parent Company and VSSL which is under process, the Parent Company and VSSL's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Group to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Group.

Management of the Parent Company has prepared the statement on a going concern basis based on their assessment of the successful outcome of the debt resolution which will enhance the Parent Company and VSSL's viability and accordingly no adjustments have been made to the carrying value of the assets and liabilities.

b) Refer Note 6to the Statement regarding accounting for transfer of Special Steel Undertaking, pursuant to the Scheme of Arrangement ("the scheme") approved by the National Company Law Tribunal vide its order dated July 8, 2019, all the assets and liabilities of the Special Steel Undertaking of Visa Steel Limited ("transferor Company" or "the Company") has been transferred to and vested in the Visa Special Steel Limited, (a wholly owned step down subsidiary) ("VSSL" or "transferee Company") at their respective values on a going concern basis from April 1, 2013 being the appointed date. Effective date of the scheme is July 13, 2019 being the date on which certified copy of the order sanctioning the said scheme is filled with the Registrar of Companies, Cuttack.

.....contd.

To give the impact of the sanctioned scheme, the Consolidated Financial Statements of the Parent Company for the year ended March 31, 2019 were revised and the same were approved by the Board of Directors in their meeting held on October 18, 2019 and audited by us on which we have issued our audit report dated October 18, 2019 and same were approved by the members in their meeting held on December 23, 2019.

On January 17, 2020, Hon'ble Supreme Court of India vide its ex-parte order in Civil Appeal No. 56 of 2020 filed by State Bank of India, has ordered issuance of notice and in the meanwhile stayed the aforesaid NCLT Order. The NCLT Order had been given effect to and stood implemented by the Company prior to January 17, 2020. The NCLT Order sanctioning the schemes does not have any impact on the Consolidated Financial results of the Group.

Our conclusion is not qualified in respect of above matters.
