CERTAIN CONVENTIONS, USE OF FINANCIAL INFORMATION, INDUSTRY AND MARKET DATA AND CURRENCY OF FINANCIAL PRESENTATION

All references to “India” contained in this DRHP are to the “Republic of India”.

Unless stated otherwise, all references to page numbers in this DRHP are to the page numbers of this DRHP.

Financial Data

Unless the context requires otherwise, the financial data in this DRHP is derived from our Restated Financial Information. Our Restated Financial Information has been prepared in accordance with the Companies Act, 2013 and Indian GAAP and restated in accordance with the SEBI ICDR Regulations as amended.

In this DRHP, any discrepancies in any table between the total and the sum of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal place and all percentage figures have been rounded off to two decimal places and accordingly there may be consequential changes in this DRHP.

Our Company’s Financial Year commences on April 1 and ends on March 31 of the following year accordingly, all references to a particular financial year, are to the 12 month period ended on March 31 of that year. Unless the context otherwise requires, all references to a year in this DRHP are to a calendar year and references to a Fiscal Year are to March 31 of that calendar year.

The Restated Standalone Financial Information and Restated Consolidated Financial Information as of and for the three months period ended June 30, 2017 and the Financial Years ended March 31, 2017, 2015, 2014 and 2013 are included in this DRHP.

There are significant differences between Indian GAAP and accounting principles and auditing standards with which prospective investors may be familiar in other countries, including IFRS and U.S. GAAP. We have not attempted to explain those differences or quantify their impact on the financial data included herein, and we urge you to consult your own advisors regarding such differences and their impact on our financial data. Accordingly, the degree to which the Restated Financial Information included in this DRHP will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting practices. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this DRHP should accordingly be limited. Our Company does not provide a reconciliation of its financial statements to IFRS or U.S. GAAP financial statements.

Any percentage amounts, as set forth in “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 17, 114 and 233 of this DRHP, respectively, and elsewhere in this DRHP, unless otherwise stated or context requires otherwise, have been calculated on the basis of our Restated Financial Information.

Currency and units of presentation

All references to:

- “₹” or “Rupees” or “Rs.” or “INR” are to Indian Rupees, the official currency of the Republic of India.
- “US\$” or “USD” are to United States Dollars, the official currency of the United States of America.
- “€” or “Euro” the official currency of the European Union.

Our Company has presented certain numerical information in this DRHP in “Lakh” units. The words “Lakh” or “lac” mean “100,000”.

Industry and Market Data

Unless stated otherwise, industry and market data used in this DRHP has been obtained or derived from the report titled “Market Assessment of the cold chain industry in India”, October 2017 by CRISIL Limited and publicly available information as well as other industry publications and sources. The ‘Market Assessment of the cold chain industry in India’ Report has been prepared at the request of our Company.

Industry publications generally state that information contained in those publications has been obtained from sources believed to be reliable but their accuracy, timeliness and completeness are not guaranteed and their reliability cannot be assured. Accordingly, no investment decision should be made on the basis of such

information. The industry data used in this DRHP has not been independently verified by the BRLM or our Company, or any of their affiliates or advisors. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those discussed in “*Risk Factors - We have commissioned industry reports from certain agencies, which have been used for industry related data in this DRHP and such data has not been independently verified by us.*” on page 30 of this DRHP. Accordingly, investment decisions should not be based solely on such information.

The extent to which market and industry data used in this DRHP is meaningful depends on the reader’s familiarity with and understanding of methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which our business is conducted, and methodologies and assumptions may vary widely among different industry sources.

Exchange rates

This DRHP contains conversions of certain other currency amounts into Indian Rupees that have been presented solely to comply with the requirements of the SEBI ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the periods indicated, information with respect to the exchange rate between the Rupee and the U.S. Dollar:

Currency	As on June 30, 2017	As on March 31, 2017	As on March 31, 2016	As on March 31, 2015	As on March 31, 2014

In case March 31 of any of the respective years is a public holiday, the previous calendar day not being a public holiday has been considered.

FORWARD LOOKING STATEMENTS

This DRHP contains certain “forward-looking statements”. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “objective”, “plan”, “project”, “will”, “will continue”, “will pursue” or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement.

Actual results may differ materially from those suggested by forward-looking statements due to risks or uncertainties associated with expectations relating to, *inter alia*, regulatory changes pertaining to the industries in India in which we operate and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India which have an impact on its business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in the industries in which we operate.

Certain important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- General economic and business conditions in the markets in which we operate and in the local, regional, national and international economies;
- Changes in laws and regulations relating to the sectors/areas in which we operate;
- Increased competition in the Industry which we operate;
- Factors affecting the Industry in which we operate;
- Our ability to meet our capital expenditure requirements;
- Fluctuations in operating costs;
- failure to attract, retain, train and optimally utilise our management team and other skilled manpower;
- Changes in political and social conditions in India, the monetary and interest rate policies of India and other countries;
- Inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or prices;
- The performance of the financial markets in India and globally;
- Any adverse outcome in the legal proceedings in which we are involved;
- Our failure to keep pace with rapid changes in technology;
- The occurrence of natural disasters or calamities;
- Other factors beyond our control;
- Our ability to manage risks that arise from these factors;
- Changes in government policies and regulatory actions that apply to or affect our business.

For further discussion on factors that could cause actual results to differ from expectations, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 17, 114 and 233, respectively of this DRHP. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual gains or losses could materially differ from those that have been estimated.

There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

Forward-looking statements reflect current views as of the date of this DRHP and are not a guarantee of future performance. These statements are based on the management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect. Neither our Company, our Directors, the BRLM nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI ICDR Regulations, our Company and the BRLM will ensure that the investors in India are informed of material developments until the time of the grant of listing and trading permission by the Stock Exchange.

SECTION II - RISK FACTORS

RISK FACTORS

An investment in Equity Shares involves a high degree of risk. You should carefully consider all the information in this DRHP, including the risks and uncertainties described below, before making an investment in our Equity Shares. In making an investment decision, prospective investors must rely on their own examination of our Company and the terms of this Issue including the merits and risks involved. Any potential investor in, and subscriber of, the Equity Shares should also pay particular attention to the fact that we are governed in India by a legal and regulatory environment in which some material respects may be different from that which prevails in other countries. The risks and uncertainties described in this section are not the only risks and uncertainties we currently face. Additional risks and uncertainties not known to us or that we currently deem immaterial may also have an adverse effect on our business. If any of the following risks, or other risks that are not currently known or are now deemed immaterial, actually occur, our business, results of operations and financial condition could suffer, the price of our Equity Shares could decline, and you may lose all or part of your investment. Additionally, our business operations could also be affected by additional factors that are not presently known to us or that we currently consider as immaterial to our operations.

Unless otherwise stated in the relevant risk factors set forth below, we are not in a position to specify or quantify the financial or other implications of any of the risks mentioned herein. Unless otherwise stated, the financial information of our Company used in this section is derived from our restated financial statements prepared in accordance with Indian GAAP and the Companies Act and restated in accordance with the SEBI ICDR Regulations.

To obtain a better understanding, you should read this section in conjunction with the chapters titled “Our Business” beginning on page 114, “Industry Overview” beginning on page 97 and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” beginning on page 233 respectively, of this DRHP as well as other financial information contained herein.

The following factors have been considered for determining the materiality of Risk Factors:

- *Some events may not be material individually but may be found material collectively;*
- *Some events may have material impact qualitatively instead of quantitatively;*
- *Some events may not be material at present but may have material impact in future.*

The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are risk factors where the impact may not be quantifiable and hence the same has not been disclosed in such risk factors. Unless otherwise stated, the financial information of the Company used in this section is derived from our financial statements under Indian GAAP, as restated in this DRHP. Unless otherwise stated, we are not in a position to specify or quantify the financial or other risks mentioned herein. For capitalized terms used but not defined in this chapter, refer to the chapter titled “Definitions and Abbreviation” beginning on page 3 of this DRHP. The numbering of the risk factors has been done to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another.

Internal Risk Factors

- 1. *We require certain approvals and licenses in the ordinary course of business and are required to comply with certain rules and regulations to operate our business, and the failure to obtain, retain and renew such approvals and licences or comply with such rules and regulations, and the failure to obtain or retain them in a timely manner or at all may adversely affect our operations.***

We require several statutory and regulatory permits, licenses and approvals to operate our business, some of which our Company has either received, applied for or is in the process of application. Many of these approvals are granted for fixed periods of time and need renewal from time to time. Non-renewal of the said permits and licenses would adversely affect our Company’s operations, thereby having a material adverse effect on our business, results of operations and financial condition. There can be no assurance that the relevant authorities will issue any of such permits or approvals in the time-frame anticipated by us or at all. Further, some of our permits, licenses and approvals are subject to several conditions and we cannot provide any assurance that we will be able to continuously meet such conditions or be able to prove compliance with such conditions to the statutory authorities, which may lead to the cancellation, revocation or suspension of relevant permits, licenses or approvals.

Further, our Company requires statutory and regulatory registration / permits for our business, which have not been obtained by us, as on date of this DRHP. Details of the approvals for which applications are yet to be made or which are pending before the appropriate authorities are more particularly mentioned in the chapter titled “Government and Other Approvals” beginning on page 255 of this DRHP. In particular, our Company will require to obtain factory license in respect of the coil manufacturing facility proposed to be set-up on land bearing Survey Number 194/2, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 at time of setting-up of the same. Further, the factory license in respect of the factory of our Subsidiary located at 2/21 A, Kanniappan Street, Shanti Nagar, Ramapuram, Opposite DLF, Chennai, Tamil Nadu, India – 600089 is under renewal and our Subsidiary may also require applying to the relevant authorities for obtaining the requisite environmental approvals in respect of the said factory. We may be penalized for any non-compliance with the aforementioned laws for which we have not obtained or fail to obtain the requisite permissions / consents / licenses / approvals. For further details, kindly refer chapters titled “Key Industry Regulations and Policies” and “Government and Other Approvals” beginning on pages 128 and 255 respectively of this DRHP.

2. *There have been instances of incorrect / delayed filings in the past with the RoC. If the authorities impose monetary penalties on us or take certain punitive actions against our Company in relation to the same, our business, financial condition and results of operations could be adversely affected.*

Our Company had issued 4,50,000 Equity Shares to our Promoters on May 28, 2009 in consideration of the business as was acquired by our Company from Ice Make Refrigeration, a partnership firm registered under the provisions of the Indian Partnership Act, 1932 of which our Promoters, Mr. Chandrakant P. Patel and Mr. Rajendra P. Patel were partners and Colpan Poly Panel Industries, a proprietorship firm of Mr. Vipul I. Patel in terms of Memorandum of Understanding dated May 01, 2009 in their capacity as partners and proprietor, respectively of the said firms. The return of allotment filed in respect of the above allotments made to our Promoters inadvertently mentioned that the allotments as made for cash as opposed to consideration other than cash being the transfer of the running business of the firms to our Company. Our Company is in the process of rectifying the said return filed with the RoC and may be made subject to penalties under the Companies Act, 2013. Further, our Company had availed a construction equipment loan of ₹11.00 Lakh from Yes Bank for which our Company is yet to make appropriate filings with the RoC in relation to creation of charge on the assets of our Company. If the authorities impose monetary penalties on us or take certain punitive actions against our Company in relation to the same, our business, financial condition and results of operations could be adversely affected.

3. *We have made an applications seeking registration of our trademarks. There is no assurance that this application shall result in us being granted registration in a timely manner. Failure to protect our intellectual property may adversely affect our reputation, goodwill and business operations.*

While the trademark “ICE MAKE” has been registered in the name of our Promoter as a wordmark, our logo, as it appears on the cover page of this DRHP has not been registered. However, our Company made applications to the Trademarks Registry for registration of the logos  and  in the name of our Company. Similarly while the trademark “BHARAT” of our Subsidiary is registered under the Trademarks Act, 1999 our Subsidiary also utilises the logo  for which it has not yet obtained registration. We have been using the said logos extensively for many years and the same has been associated with us by our customers. Further, on October 3, 2017, our Company has entered into a deed of assignment with one of our Promoters, Mr. Rajendra P. Patel, the registered proprietor of the trademark “ICE MAKE” for assignment of the said trademark in our Company’s favour. Our Promoter, Mr. Rajendra P. Patel is yet to make the necessary applications to the Registrar of Trademarks for causing the particulars of the assignment to be entered into its records. There is no assurance that the above applications shall result in us being granted registration / assignment in a timely manner or at all or that third parties would not infringe upon our intellectual property or any order restraining or prohibiting us from using the trademark, shall adversely affect our business prospects, reputation and goodwill. In such a case protection of the trademark may be difficult and we may be a party to litigation for infringement. In addition, we may not be able to detect any unauthorized use or take appropriate and timely steps to protect our intellectual property rights. Our inability to protect the same could adversely affect our business. We cannot provide any assurance that third parties will not infringe upon our trademark, trade names, logos or brand names and thereby cause damage to our business prospects, reputation or goodwill.

4. *The factory of our Subsidiary is being operated on premises which have been taken on rent basis.*

Our Subsidiary has taken on lease basis a premises admeasuring 15,300 square feet located at 2/21 A, Kanniappan Street, Shanti Nagar, Ramapuram, Opposite DLF, Chennai, Tamil Nadu, India – 600089 for a period of a period of 2 (two) years commencing from December 16, 2016 to December 15, 2018. The lease arrangements grant our Subsidiary the right to use the said premises for industrial / commercial purpose. Under the lease arrangement, the lessors may terminate the agreement pursuant to specified notice periods if our Subsidiary is in arrears of lease rental payments. Further, our Subsidiary requires permissions from the lessors of the aforesaid premises for any additions to the built-up area of the said premises. Our Subsidiary may also require the prior written consent of the lessors for sub-letting the said premises. A loss of our Subsidiary's interests in the said premises, including through actual or alleged non-compliance with the terms of the lease / rent arrangements, the termination of leases by lessors, or an inability to secure renewal thereof on commercially reasonable terms when they expire, would interfere with our Subsidiary's ability to operate its current operations thus affecting its financial performance. The cost of relocating a site is significant. We may not be able to pass these costs on to our customers and any such relocation could cause disruption to our customers. In addition, we may not always have the ability to access, analyse and verify all information regarding title and other issues prior to entering into lease in respect of the leased site, and to the extent there is any defect in the titles of any of such leased / rent site, our Subsidiary's ability to continue operating at such leased site may be adversely affected.

5. *The proposed coil manufacturing facility is proposed to be set-up on land taken on leave and license basis.*

We have taken on leave and license basis land admeasuring 2,759 square meters, bearing Survey Number 194/2, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 on which the coil manufacturing facility of our Company is proposed to be set-up for a period of 11 (eleven) months 29 (twenty-nine) days commencing from October 1, 2017. Under the leave and license arrangement, the licensee may terminate the agreement pursuant to breach of the same by our Company. A loss of our Company's interests in the said premises, including through actual or alleged non-compliance with the terms of the leave and license agreement or an inability to secure renewal thereof on expiry, would interfere with our Company's ability to utilise the coil manufacturing facility thus affecting our financial performance and may cause our Company to incur relocation costs. We may not be able to pass these costs on to our customers and any such relocation could cause disruption to our customers.

6. *Our Company utilises certain premises for storage purposes on which non-agricultural use is not permitted and our Company does not own certain premises from which it carries out its business operations.*

Our Company has taken on rent basis, (i) agricultural land bearing Survey Number 169/3, Lapkaman, Taluka Daskoi, District Ahmedabad, Gujarat, India – 380060 from our Promoters which is utilised for storage of our Company's products and (ii) agricultural land bearing Survey Number 226/127, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 from the relatives of our Promoters which is utilised for parking and storage purposes. However, neither our Promoters nor our Company have obtained any permission for use of the said lands for parking and storage purposes i.e. non-agricultural use from the Collectors / other authorities. We may be penalized for any non-compliance with the aforementioned laws for which we have not obtained the requisite permissions and may be required to vacate such premises in case of any adverse action being taken by the concerned authorities. Further, our Company has also taken on leave and license basis, land bearing Survey Number 194/1, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 which is used for assembly purposes. In the event that our Company is unable to renew such rent / leave and license arrangements and is required to vacate the aforesaid premises, it shall be required to make alternative arrangements for storage and assembly space at short notice and for a price that may be higher than what we are currently paying, which may affect our ability to conduct our business or increase our operating costs. For further details, please refer chapter titled "Our Business" beginning on page 114 of this DRHP.

7. *Delay in schedule of implementation may subject our Company to risks related to time and cost overrun which may have a material adverse effect on our business, results of operations and financial condition.*

Our Company intends to set up an in-house manufacturing facility of condenser coil and evaporator coil as a part of backward integration of our manufacturing operations. For further details regarding to our proposed manufacturing facility, kindly refer the chapter titled our "Objects of the Issue" beginning on

page 76 of this DRHP. We may face risks relating to the commissioning of our in-house manufacturing facility for production of condenser coil & evaporator coil including delays to construction timetables, failure to complete the projects within our estimated budget, failure of our contractors and suppliers to adhere to our specifications and timelines, and changes in the general economic and financial conditions in India and other jurisdictions in which we operate. We have limited control over the timing and quality of services, equipment or other supplies from third party contractors and / or consultants appointed by us, and we may be required to incur additional unanticipated costs to remedy any defect or default in their services or products to ensure that the planned timelines are adhered to. Further as and when we commission our planned manufacturing facilities, our raw material requirements and costs as well as our staffing requirements and employee expenses may increase and we may face other challenges in extending our financial and other controls to our new units as well as in realigning our management and other resources and managing our consequent growth. In the event that the risks and uncertainties discussed above or any other unanticipated risks, uncertainties, contingencies or other events or circumstances limit or delay our efforts to use the Net Proceeds to achieve the planned growth in our business, the use of the Net Proceeds for purposes identified by our management may not result in actual growth of our business, increased profitability or an increase in the value of your investment in our Equity Shares.

8. *There may be changes in the estimated project cost.*

We also propose to utilize a proportion of the Issue Proceeds for funding our capital expenditure requirements in relation to setting up of coil manufacturing facility, upgradation of existing facilities and constructing of administration office. Further, while we have received quotations from various vendors for the purchase of the machinery and equipment for the proposed activities, we have not yet placed orders for the plant and machinery required to be utilized at our facilities. The actual procurement of equipment, machineries and other items may entail significant outlay of cash in addition to the timeframe involved in procuring and implementing them. Moreover, some of the quotations and estimates may expire in due course and we may be required to obtain fresh quotations and estimates which we may be unable to obtain in a timely manner or at the same rates. We may have to revise our expenditure and fund requirements as a result of variations in cost estimates on account of variety of factors such as changes in our financial condition, business or strategy, change in quotation for machinery, revision in purchase orders as well as external factors which may not be in our control and may entail rescheduling and revising the planned expenditure and funding requirement and increasing or decreasing the expenditure for a particular purpose from the planned expenditure at the discretion of our management.

Any delays or failure in the purchase of the equipment and machinery and time and cost overruns may mean that we may not achieve the economic benefits expected from such investment which could impact our business, financial condition and results of operations. Further, we may have to revise our expenditure and funding requirements as a result of variations in costs, estimates, quotations or other external factors, which may not be within the control of our management. This may entail rescheduling, revising or cancelling planned expenditure and funding requirements at the discretion of our Board.

Our Company intends to use a certain portion of the Net Proceeds for the purposes of enhancement of our brand through brand building activities. We cannot ascertain whether such initiatives will result in increased sales or have an equivalent monetary impact. Our estimates for the proposed expenditure are based on several variables, a significant variation in any one or a combination of which could have an adverse effect. There can be no assurance that we will be successful in our efforts and may not be able to undertake effective marketing initiatives to deepen the presence of our brand and differentiate it from competition. Further, our deployment of money for advertising expenses on different media is contingent on various factors, such as the nature of the advertising campaign, ratings of programs or segments, specific media, sports and entertainment events, expected viewership of our advertisements, expected growth of the Indian economy, and our business and marketing plans. Accordingly, we may choose to purchase more advertising time / space for certain specific desirable media, channels or segments and less advertising time in others. If our marketing and advertising programmes are unsuccessful, our results of operations and cash flows could be materially adversely affected.

For further details, kindly refer the section entitled “Objects of the Issue” beginning on page 76 of this DRHP.

9. ***Our Promoters and some of our Directors have interests in our Company other than the reimbursement of expenses and normal remuneration or benefits. Any such interests may result in a conflict of interest, which may have an adverse effect on our business.***

Our Promoters and Directors being Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel, Mr. Vipul I. Patel may be deemed to be interested in our Company, in addition to regular remuneration or benefits and reimbursements of expenses, to the extent of Equity Shares held by them, their relatives, their dividend or bonus entitlement, benefits arising from their directorship in our Company, and to the extent of sitting fees payable to them for attending each of our Board and Committee meetings. Further, our Company has taken two properties on rent basis from our Promoters and certain relatives of our Promoters for periods ranging from 1 (one) year to 3 (three) years. These properties are utilized by our Company for warehousing/storage purposes. Also, our Company has granted a loan to our wholly owned Subsidiary towards working capital requirement. As on June 30, 2017, the outstanding amount is ₹ 144.08 Lakh. Since the loan is extended to a wholly owned subsidiary, our Company has as yet not entered into any definitive loan documentation in terms of the loan. Some of the above interests may conflict with the duties of these persons as Promoters / Directors of the Company. For further details, kindly refer the chapters titled “Our Management” and “Our Promoters and Promoter Group” beginning on pages 141 and 154, respectively of this DRHP.

10. ***As a manufacturing business, our success depends on efficiently managing the supply chain logistics. Such supply chain logistics involve substantial costs and are also subject to various uncertainties and risks, and delays in delivery may result in rejected or discounted deliveries.***

We depend on trucking to deliver our products from our manufacturing facilities to our warehouses of our logistics service provider and finally to our dealers and retailers. Transport of our products to various locations in the country entails high transportation costs and may also lead to few operating cost inefficiencies. Transportation of our products from our manufacturing facilities to our logistics service provider and finally to our dealers and retailers need to be efficiently managed. Since safe and timely of delivery of products is of prime importance, we may be required to engage third party transporters at high costs. Disruptions of transportation services due to heavy rains, storm, theft, inadequacies in road infrastructure; or due to labour problems like strikes, lockouts; or other events could impair our ability to manage the supplies of our products. There can be no assurance that such disruptions will not occur. Any such disruptions could materially adversely affect our business, financial condition, cash flows and results of operations. Further, we do not have long term agreements with our logistics service providers.

11. ***The shortage or non-availability of power and water facilities or work stoppages may adversely affect our manufacturing process and have an adverse impact on our results of operations and financial condition.***

Our manufacturing process requires substantial amount of power and water facilities. The quantum and nature of power requirements of our industry and Company is such that it cannot be fully supplemented/ augmented by alternative / independent sources of power supply since it involves significant capital expenditure and per unit cost of electricity produced is very high. Our electricity requirements are met by supply from UGVCL at our factory located at Dantali. However, we have not entered into any firm arrangements for such supply with the UGVCL. Further our Company has also installed 1x50 KWP captive solar power plant at our manufacturing facility. To battle electricity failures, we also have diesel generator to meet exigencies at our facility, however, we cannot assure you that our facility will be operational during power failures.

Further our manufacturing process also requires substantial amount of water. Water is majorly required for administrative purpose. We currently source our water requirement from borewells. We have not made any alternate arrangements for supply of water for our manufacturing facilities. Any disruption / non availability of power or water or any failure on our part to arrange alternate sources of electricity and water supply, in a timely manner and at an acceptable cost shall directly affect our production which in turn shall have an impact on operations and results of our Company.

The industry in which we operate is labour intensive and is dependent on labour force for carrying out its manufacturing operations. Our manufacturing operations may be materially adversely affected by strikes, work stoppages or increased wage demands by our employees or those of our suppliers. We have also employed contract labour at our manufacturing facilities. Shortage of skilled / unskilled personnel or work stoppages caused by disagreements with employees could have an adverse effect on our business and results of operations. Though we have not experienced any major disruptions in our business operations due to disputes or other problems with our work force in the past; however there can be no assurance that we will not experience such disruptions in the future. Such disruptions may adversely

affect our business and results of operations and may also divert the management's attention and result in increased costs. India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for the establishment of unions, dispute resolution and employee removal and legislation that imposes certain financial obligations on employers upon retrenchment. We are also subject to laws and regulations governing relationships with employees, in such areas as minimum wage and maximum working hours, overtime, working conditions, hiring and terminating of employees and work permits. Although our employees are not currently unionized, there can be no assurance that they will not unionize in the future. If our employees unionize, it may become difficult for us to maintain flexible labour policies, and we may face the threat of labour unrest, work stoppages and diversion of our management's attention due to union intervention, which may have a material adverse impact on our business, results of operations and financial condition.

12. *We have not entered into any long term or definitive agreements with our customers. If our customers choose not to source their requirements from us, our business, financial condition and results of operations may be adversely affected.*

Our business is dependent on our continuing relationships with our customers. As per the Restated Standalone Financial Information, direct channel business contributed 60.29% of our total revenue for FY 2017. There are no formal long-term arrangements obliging any of these customers to purchase products from us in the future, at the current prices or at all and instead, we rely on purchase orders to govern the volume, pricing and other terms of sales of our products. However, such orders may be amended or cancelled prior to finalisation, and should such an amendment or cancellation take place, we may be unable to seek compensation for any surplus unpurchased products that we manufacture. Further, any change in the buying pattern of our end users or disassociation of major customers can adversely affect the business of our Company. Our customers do not, typically, place firm purchase orders until a short time before the products are required from us as a result of which, we do not hold a significant order book at any time, making it difficult for us to forecast revenue, production or sales. Consequently, there is no commitment on the part of the customer to continue to source their requirements from us, There is no assurance that we will be able to maintain the same levels of business from our existing customers or to retain our existing customers, or that we will be able to replace our customer base in a timely manner or at all, in the event our existing customers do not continue to purchase the products of our Company. The loss of or interruption of work by, a significant customer or a number of significant customers or the inability to procure new orders on a regular basis or at all may have an adverse effect on our revenues, cash flows and operations. Additionally, our customers have high and exacting standards for product quantity and quality as well as delivery schedules. Any failure to meet our customers' expectations could result in cancellation of orders. There are also a number of factors other than our performance that are beyond our control and that could cause the loss of a customer. Customers may demand price reductions, set-off any payment obligations, require indemnification for themselves or their affiliates, change their outsourcing strategy by moving more work in-house, or replace their existing products with alternative products, any of which may have an adverse effect on our business, results of operations and financial condition.

13. *We have not entered into any long term or definitive agreements with our raw material suppliers. Our inability to obtain raw material in a timely manner, in sufficient quantities and / or at competitive prices could adversely affect our operations, financial condition and / or profitability.*

Our business is dependent on our suppliers for procuring raw material required for manufacturing our products. Typically, we do not enter into long term contracts with our suppliers and prices for raw materials are normally based on the quotes we receive from various suppliers on an ongoing basis. Therefore, there are no fixed terms and conditions on which we purchase our raw materials. Further, fluctuations in the price, availability and quality of raw materials used in our manufacturing process, could have a material adverse effect on cost of sales or our ability to meet customer demands with respect to pricing and quality. There can be no assurance that we will always be successful in our efforts to protect our business from the volatility of the market price of raw materials, and our business may be adversely affected by dramatic movements in the prices of raw materials. Discontinuation of production by these suppliers or a failure of these suppliers to adhere to the delivery schedule or the required quality could hamper our production schedule and the quality of our products. There can be no assurance that strong demand, capacity limitations or other problems experienced by our suppliers will not result in occasional shortages or delays in their supply of raw materials to us. Further, we cannot assure you that our suppliers will continue to be associated with us on reasonable terms, or at all. In the event that we fail to secure sufficient quantities of such raw materials from our suppliers at acceptable quality and prices in a timely manner, our business, financial performance and cash flows may be adversely affected. Further should there be any significant increases in prices of the raw materials used, and we are unable to pass on such increases in raw material prices to our customers or find alternative suppliers / sources for supply of

raw materials at competitive prices, our business, operations and financial performance could be adversely affected. Further, such factors can also lead to delay in delivering our products to our customers in a timely manner or at all thereby exposing us to the risk of losing our customers or not obtaining repeat orders from them.

14. *We have not entered into any long-term arrangements with our dealers.*

We market, sell and distribute our wide range of products to a diverse set of customers based in India and abroad through a strong and dedicated sales and marketing team. Our sales network in domestic and international markets comprises more than 60 dealers. As per the Restated Standalone Financial Information, dealers channel business contributed significantly to 31.96% of our total revenue for FY 2017. There is no assurance that we will be able to obtain continuous business from our dealers or that we will be able to replace our dealers in a timely manner or at all. The loss of, or interruption of work by, a significant loss of the dealer-relationships may have an adverse effect on our revenues, cash flows and operations, including an interruption or partial or total work stoppage at our manufacturing facilities.

15. *Our business is subject to a variety of safety, health and environmental laws, labour, and workplace related laws and regulations. Any failure on our part to comply with these applicable laws and regulations could have an adverse effect on our operations and financial condition.*

Our Company is subject to various central, state and local environmental and safety laws, concerning issues such as harm caused by air or wastewater emission and contamination. While we believe that our facilities are currently in compliance in all material respects with applicable environmental laws, legislations and regulatory requirements, additional costs and liabilities related to compliance with these laws and regulations may impact our business. For further details, kindly refer the chapter 'Government and Other Approvals' beginning on page 255 of this DRHP. Further, any changes in the applicable laws and regulations in the future may create substantial environmental compliance or remediation liabilities and costs, including monetary fines, criminal penalties on our Company's officers for violation of applicable laws, or imposition of restrictions on our Company's operations (which may include temporary suspension or closure of its operations). We may also, in the future, become involved in legal or regulatory proceedings, in relation to which we may be required to comply with more rigorous environmental or safety standards, or to incur significant capital and operating expenses and / or remedial costs. These factors may adversely affect our revenues and operations. Since we need labour to run our manufacturing units, our Company is subject to variety of workplace related laws and regulations. We are required to maintain records and also file periodic returns in relation to the same. Although, we believe that we have complied with all the applicable laws and regulations, in the event of any breach of such laws and regulations, we may be subject to penal consequences which would adversely affect our operations and financial condition.

16. *Our loan agreements / arrangements with various lenders have several restrictive covenants and certain unconditional rights in favour of the lenders, which could influence our ability to expand, in turn affecting our business and results of operations. Further as on date of this DRHP, our Company has not received consent from some of our lenders to undertake this Issue. Non receipt of such consent could lead to non-compliance of the terms of loan agreements entered into by our Company with said lenders.*

We have entered into agreements for short term and long term borrowings with certain lenders. As on March 31, 2017, an aggregate of ₹ 1,504.72 Lakh, on a consolidated basis, was outstanding towards loans availed from banks. The credit facilities availed by our Company are secured by way of mortgage and / or hypothecation of properties and assets, respectively owned by the Company, certain properties of our Promoters and their relative, stock and book debts of our Company as well and personal guarantee given by our Promoters and their relative. In particular, our Company's factory premises located at Survey Number 227, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 and Survey Number 226/126, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 whereon our manufacturing activities are conducted have been mortgaged to our lenders. In case we are not able to pay our dues in time, the same may amount to a default under the loan documentation and all the penal and termination provisions therein would get triggered and the loans granted to the Company may be recalled with penal interest. Further, upon enforcement of mortgage for such defaults, it may also lead to a loss of our interest in our Company's aforesaid factory premises. This could severely affect our operations and financial condition.

In addition to the above, our loan documentation includes certain conditions and covenants that require us to obtain consents from the aforesaid banks prior to carrying out certain activities like undertaking a new

project / scheme of modernization, investment by way of share capital, lending / advancing funds, placing deposits, entering into borrowings arrangements, mergers, amalgamations, reconstruction, takeovers shifting of premises, giving of corporate or financial guarantees creating fresh charges on assets, changing equity, management or operating structure of the Company or the Promoters of the Company issuing personal guarantees. Further, as on the date of this DRHP, we have not received consent from some of the Bankers to the Company. We cannot assure you that the said Bankers to the Company will grant us the consent for this Issue. Failure or delay in obtaining such consents can have significant consequences on our capacity to expand and therefore adversely affect our business and operations. Any failure to comply with the requirement to obtain a consent, or other condition or covenant under our financing agreements that is not waived by the lending banks or is not otherwise cured by us, may lead to a termination of our credit facilities, acceleration of all amounts due under the said credit facility, which may adversely affect our ability to conduct our business and operations or implement our business plans. Further, the said credit facilities can be renewed / enhanced / cancelled / suspended / reduced and the terms and conditions of the same can be altered by the lending banks, at their discretion. In the event, the lending banks refuse to renew / enhance the credit facilities and / or cancel / suspend / reduce the said credit facilities and / or alters the terms and conditions to the derogation of our Company, our existing operations as well as our future business prospects and financial condition may be severely affected.

17. *Our lenders have charge over our movable and immovable properties in respect of finance availed by us.*

We have secured our lenders by creating charge over our movable and immovable properties. In the event of our default in repayment of the loans availed by us and any interest thereon, our properties may be forfeited by our lenders. For further information on the financing and loan agreements along with the total amounts outstanding, kindly refer the section titled “Financial Information” beginning on page 161 of this DRHP.

18. *Our Company is party to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.*

Our Company is party to certain legal proceedings. Mentioned below are the details of the proceedings pending against our Company, as on the date of this DRHP along with the amount involved, to the extent quantifiable:

Sr. No	Type of Direct Tax	No. of Cases	Amount in dispute / demanded (in ₹ Lakh)
1.	Income tax-TDS Demand*	1	
Total		1	0.12

*Notice of demand-cum-intimation issued by the Assistant Commissioner of Income-tax, TDS Cell in respect of FY 2016-17.

There can be no assurance that this litigation will be decided in the favour of our Company and consequently it may divert the attention of our Company and our management. If such claims are determined against our Company, there could be a material adverse effect on our reputation, business, financial condition and results of operations, which could adversely affect the trading price of our Equity Shares. For details of above proceedings, kindly refer the chapter titled “Outstanding Litigations and Material Developments” beginning on page 249 of this DRHP.

19. *Delays or defaults in customer payments could result in a reduction of our profits and cash flows.*

We often commit resources to orders prior to receiving advances or other payments from customers in amounts sufficient to cover expenditures on orders as they are incurred. We may be subject to working capital shortages due to delays in customer payments. If the customer defaults in their payments on an order, or cancel their orders for which we have devoted significant resources or incurred expenditure, it could have a material adverse effect on our business, financial condition, results of operations and cash flows and could cause the price of our equity shares to decline. Moreover, some of our products are made as per specifications provided by our customers. Hence, any last minute cancellations would also run the risk of not being able to sell those products to another customer. These events could have a material adverse effect on our revenues, results of operations and cash flows.

20. ***We are subject to product liability claims with respect to quality and defects in our products in India as well as in other countries where we sell our products. Any claims arising from such liabilities may harm our reputation, require us to incur substantial costs and / or have an adverse impact on our business, financial conditions and results of operations.***

We are subject to product liability claims with respect to quality and defects in our products in India as well as in other countries where we sell our products. Our clients will be required to comply with certain quality standards for the products supplied by them to their customers and in turn, our Company may be required to enable them to meet certain quality requirements prescribed by our clients. In case we are unable to provide the prescribed quality standards which enables our clients to meet the quality standards prescribed by them we may not be able to retain such clients which could result in substantial business losses. Defects, if any, in our products could lead to rejection of supplied products and consequential replacement liability. In the event, our Company fails to maintain the quality of its products or if there is any major defect in our products in future, we could be made liable to the customers and the same could consequently lead to a negative publicity against our Company thereby affecting our brand value, reputation, business, results of operations and financial condition. Management resources could also be diverted away from our business towards defending such claims. In the event, there are any liabilities arising from such claims, our business, financial performance and results of operations may be adversely affected. We cannot assure you that no such claims will be brought against us in the future or that such claims will be settled in our favour. Any such successful claims against us could adversely affect our business, financial condition and results of operations.

21. ***Our Company's inability to procure and / or maintain adequate insurance cover in connection with our business may adversely affect our operations and profitability.***

Our Company's operations are subject to inherent risks and hazards which may adversely impact our profitability, such as breakdown, malfunctions, sub-standard performance or failures of manufacturing equipment, fire, third party liability claims, loss-in-transit for our products, accidents and natural disasters. At present Our Company's insurance policies provide for coverage against risks such as fire and accidents. However, there can be no assurance that any claim under the insurance policies maintained by our Company will be honoured fully, in part or on time. While our Company maintains insurance coverage in amounts consistent with industry norms, the said insurance policies do not cover all risks, specifically risks such as loss of profits, and are subject to exclusions and deductibles. There can be no assurance that our Company's insurance policies will be adequate to cover the losses in respect of which the insurance had been availed. If our Company suffers a significant uninsured loss or if the insurance claim in respect of the subject-matter of insurance is not accepted or any insured loss suffered by our Company significantly exceeds its insurance coverage, our Company's business, financial condition and results of operations may be materially and adversely affected. Further, there is no assurance that the insurance premium payable by our Company will be commercially viable or justifiable. For further details on the insurance policies availed by us, kindly refer the paragraph titled "Insurance" on page 126 in the chapter titled "Our Business" beginning on page 114 of this DRHP.

22. ***Our revenues and profits are dependent on several factors. Any adverse change in these factors or in combination of these factors may affect our business operations and the financial condition and consequently, our ability to pay dividends.***

Our revenues and profits are dependent on several factors such as developing new products, retaining key managerial personnel, complying with various regulatory requirements, repeat orders from our clients, managing costs and expenses, maintaining adequate inventory levels and general market conditions. Any adverse change in these factors or a combination of these factors may adversely affect our business operations and financial condition. Further, our ability to pay dividends will depend upon our future earnings, financial condition, cash flows, working capital requirements, capital expenditures, and various other factors and there can be no assurance that we shall have distributable funds or that we will declare dividends in the future as well.

23. ***We may not be able to correctly assess the demand for our products, which may adversely affect our business, financial condition and results of operations.***

We may not be able to correctly assess the demand for our products in the market, domestic as well as international. Historically, we have been able to maintain adequate inventory levels and have been able to deliver our products in the markets as per the prevailing demand. However, we cannot assure you that in the future we will be able to correctly assess the demand for our products and maintain adequate inventory levels. Any misjudgement in assessing demand could result in either high inventory levels or low inventory levels. High inventory levels could disturb our working capital cycle and low inventory

levels could hinder our process of adequately catering to the prevailing demand thus impacting our business, financial condition and results of operations.

- 24. *We operate in a competitive business environment, both globally and domestically. Competition from existing players and new entrants and consequent pricing pressures may adversely affect our business, financial condition and results of operations.***

We operate in a competitive business environment. Growing competition in the domestic and / or international markets may subject us to pricing pressures and require us to reduce the prices of our products in order to retain or attract customers, which may have a material adverse effect on our revenues and margins. While we are focused on research and development to develop innovative and cost effective products, and to broaden our product range, in the event our competitors harness better process technology or improved process yield or are able to source raw materials at more competitive prices, and are therefore able to create new products or substitutes for our products at competitive prices, we may not be able to maintain our growth rate and revenues and profitability may decline. Some of our competitors may be increasing their capacities and targeting the same products or applications as us. Some of our competitors are global companies that have larger technical and financial resources and broad customer bases needed to bring competitive solutions to the market. Such companies may use these advantages to offer solutions that are perceived to be as effective as ours at a lower price. They may also develop different products to compete with our current solutions and respond more quickly and effectively than we do to new or changing opportunities, applications, technologies, standards, or client requirements. There can be no assurance that we can continue to effectively compete with our competitors in the future, and failure to compete effectively may have an adverse effect on our business, financial condition and results of operations. For details concerning our competition, kindly refer the chapter titled “Our Business” beginning on page 114 of this DRHP.

- 25. *Our success depends largely upon the knowledge and experience of our Promoters and other Key Managerial Personnel. Any loss of our key managerial personnel or our ability to attract and retain them could adversely affect our business, operations and financial condition.***

Our Promoters Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel and Mr. Vipul I. Patel has several years of experience in the refrigeration equipment industry. Our Company depends on the management skills and guidance of our Promoters for development of business strategies, monitoring its successful implementation and meeting future challenges. Our Promoters, along with our key managerial personnel, who form an integral part of our Company, have over the years built relations with suppliers, customers and other key stakeholders associated with our Company. Our future performance will depend largely on our ability to retain the continued service of our management team. If one or more of our key managerial personnel are unable or unwilling to continue in his / her present position, it could be difficult for us to find a suitable or timely replacement and our business could be adversely affected. Further, since the demand for the key managerial personnel is very robust, in order to retain them, our Company may be required to offer them higher compensation packages by way of higher pay and more perquisites. This may adversely affect our business, financial condition and results of operations.

- 26. *We have entered into and may continue to enter into related party transactions in the future. As per our Restated Standalone Financial Statements, for FY ended March 31, 2017 and the 3 month period ended June 30, 2017, the aggregate of such transactions was ₹ 185.59 Lakh, and ₹ 97.42 Lakh respectively. There can be no assurance that such transactions, individually or in the aggregate, will not have an adverse effect on our Company’s financial condition and results of operations.***

Our Company has entered into certain related party transactions with its Promoters / Promoter Group and Subsidiary. Our Promoters, Directors and Key Managerial Personnel may also be deemed to be interested in our Company to the extent of the Equity Shares held by them, or their relatives, benefits deriving from their directorship in our Company and arising from transactions entered into between our Company and themselves as well as between our Company and our Subsidiary. While we believe that all such transactions have been conducted on an arm’s length basis, there can be no assurance that our Company could not have achieved more favourable terms had such transactions not be entered into with related parties. Furthermore, it is likely that our Company will enter into related party transactions in the future. For further details, kindly refer chapter titled “Related Party Transactions” beginning on page 159 of this DRHP.

27. *We rely extensively on our systems, including quality assurance and quality control systems to maintain the quality of our products. Any failure of these systems could adversely affect our business, financial condition and results of operations.*

Over the years, we have developed adequate and stringent quality assurance and quality control systems across our manufacturing and R&D facilities to maintain the quality of our products. However, any failure of such systems or any failure on the part of our personnel in correctly implementing these systems could adversely affect our output and in turn may affect our business operations and financial conditions. Further, it may also lead to negative publicity for our Company, if the quality of our products is compromised due to the aforesaid reasons.

35. *We are exposed to foreign currency exchange rate fluctuations, which may harm our results of operations, impact our cash flows and cause our financial results to fluctuate.*

Our financial statements are presented in Indian Rupees. However, our cost of raw materials consumed is influenced by the currencies of geographies from where we import our raw material. The exchange rate between the Indian Rupee and these currencies, primarily the USD, has fluctuated in the past and our results of operations and cash flows have been impacted by such fluctuations in the past and may be impacted by such fluctuations in the future. As a significant part of our raw materials is imported, we believe that our cost of raw material may rise during a sustained depreciation of the Indian Rupee against the USD. We may, therefore, suffer losses on account of foreign currency fluctuations for sale of our products since we may not be able to pass on all losses on account of foreign currency fluctuations to our customers.

28. *Our Company has negative cash flows from its operating activities, investing activities as well as financing activities in the past years, details of which are given below. Sustained negative cash flow could impact our growth and business.*

Our Company had negative cash flows from our operating activities, investing activities as well as financing activities in the previous year(s) as per the Restated Standalone Financial Statements and the same are summarized as under:

Particulars	(₹ in Lakh)				
	For The Year Ended March 31,				
	2017	2016	2015	2014	2013
Cash Flow from / (used in) Operating Activities	754.04	55.02	463.14	(41.45)	254.97
Cash Flow from / (used in) Investing Activities	(410.70)	(156.97)	(240.20)	(311.54)	(101.54)
Cash Flow from / (used in) Financing Activities	(37.06)	(2.80)	52.50	302.21	14.64

Cash flow of a company is a key indicator to show the extent of cash generated from operations to meet capital expenditure, pay dividends, repay loans and make new investments without raising finance from external resources. If we are not able to generate sufficient cash flows in future, it may adversely affect our business and financial operations.

29. *We have certain contingent liabilities that have not been provided for in our Company's financials which if materialised, could adversely affect our financial condition.*

Our contingent liability as disclosed in our Restated Financial Statements are as follows:

Particulars	(₹ in Lakh)					
	As at					
	30-Jun-17	31-Mar-17	31-Mar-16	31-Mar-15	31-Mar-14	31-Mar-13
TDS Defaults	5.88	5.57	4.01	3.94	3.28	2.89
Total	5.88	5.57	4.01	3.94	3.28	2.89

If this contingent liability materializes, our results of operations and financial condition may be adversely affected. For further details of our contingent liabilities, kindly refer the chapter titled "Financial Statements" beginning on page 161 of this DRHP. Furthermore, there can be no assurance that we will not incur similar or increased levels of contingent liabilities in the future.

30. *Our Company has allotted Equity Shares during the preceding one (1) year from the date of this DRHP which may be lower than the Issue Price.*

In the last 12 (twelve) months, we have issued and allotted certain equity shares at a price lower than the Issue Price which are as follows:

The bonus issue made in the ratio of 3 (three) new Equity Shares for every 5 (five) Equity Shares issued 43,17,000 Equity shares face value Rs.10/- per Equity Share for consideration other than cash issued to the following persons:

Sr. No.	Particulars	Bonus Equity Shares
1.	Mr. Rajendra P. Patel	13,84,980
2.	Mr. Vipul I. Patel	13,70,010
3.	Mr. Chandrakant P. Patel	13,62,009
4.	Mr. Popatbhai L. Patel	96,501
5.	Mr. Ishwarbhai L. Patel	36,000
6.	Ms. Gauriben P. Patel	30,000
7.	Ms. Kantaben I. Patel	30,000
8.	Ms. Manishaben B. Patel	7,500
Total		43,17,000

For further details in respect of the above bonus issue of equity shares, kindly refer the chapter titled “Capital Structure” beginning on page 65 of this DRHP.

31. ***Our Subsidiary has objects similar to that of our Company’s business and is engaged in the same and/or similar line of business / industry in which our Company operates. This may be a potential source of conflict of interest for us and which may have an adverse effect on our business, financial condition and results of operations.***

Our Subsidiary is engaged in the same and / or similar line of business / industry in which our Company operates and could offer services that are related to the business of our Company. Further, our Promoters are also on the board of our Subsidiary. This may be a potential source of conflict of interest in addressing business opportunities, strategies, implementing new plans and affixing priorities. As on date, our Promoters and our Company have not entered into any non-compete arrangements in order to avoid the conflict of interest envisaged above.

36. ***Our Subsidiary – Bharat Refrigerations Private Limited has incurred a loss in the previous financial year.***

Sustained financial losses by our Subsidiary may not be perceived positively by external parties such as customers, bankers and suppliers, which may affect our credibility and business operations. Our Subsidiary has incurred a loss of ₹ 4.36 Lakh for the 3 month period ended June 30, 2017. There can be no assurance that our Subsidiary will not incur losses in any future periods, or that there will not be an adverse effect on our reputation or business as a result of such losses.

32. ***If we pursue strategic acquisitions or joint ventures, we may not be able to successfully consummate favourable transactions or successfully integrate acquired businesses.***

From time to time, we may evaluate potential acquisitions that would further our strategic objectives. For instance, Bharat Refrigerations Private Limited became the wholly owned subsidiary of our Company from December 15, 2016. However, we may not be able to identify suitable companies, consummate transaction on terms that are favourable to us, or achieve expected returns and other benefits as a result of integration challenges or anti-monopoly regulations. Companies or operations acquired by our Company may not be profitable or may not achieve sales levels and profitability that justify the investments made. Our corporate development activities may entail financial and operational risks, including diversion of management attention from its existing core businesses, difficulty in integrating or separating personnel and financial and other systems, and negative impacts on existing business relationships with suppliers and customers.

Future acquisitions could also result in potentially dilutive issuances of equity securities, the incurrence of debt, contingent liabilities and increased operating expenses, all of which could adversely affect our business, financial condition, results of operations and prospects.

33. ***Our Promoters and Promoter Group will continue to retain majority control over the Company after the Issue, which will allow them to influence the outcome of matters submitted to shareholders for approval.***

Upon completion of the Issue, our Promoters and Promoter Group, will continue to hold a substantial portion of the post-Issue Equity Share capital of our Company. As a result, our Promoters will have the ability to exercise significant influence over all matters requiring shareholders' approval. Accordingly, our Promoters will continue to retain significant control, including being able to control the composition of our Board of Directors, determine decisions requiring simple or special majority voting of shareholders, relating to any sale of all or substantially all of our assets, timing and distribution of dividends and termination of appointment of our officers, and our other shareholders may be unable to affect the outcome of such voting. There can be no assurance that our Promoters will exercise their rights as shareholders to the benefit and best interests of our Company. Further, such control could delay, defer or prevent a change in control of our Company, impede a merger, consolidation, takeover or other business combination involving our Company, or discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of our Company even if it is in our Company's best interest. The interests of our Promoters could conflict with the interests of our other equity shareholders, and the Promoters could make decisions that materially and adversely affect your investment in the Equity Shares.

34. ***Any variation in the utilisation of the Net Proceeds or in the terms of any contract as disclosed in the DRHP would be subject to certain compliance requirements, including prior shareholders' approval.***

We propose to utilise the Net Proceeds for capital expenditure, enhancement of our brand through brand building activities, investment in our Subsidiary for upgradation of existing facilities at Chennai, working capital requirements and other general corporate purposes. For further details of the proposed objects of the Issue, kindly refer to the section "Objects of the Issue" beginning on page 76.

In case of any exigencies arising out of business conditions, economic conditions, competition or other factors beyond our control which adversely affect our business, we may require to use the Net Proceeds to meet any other expenditure or fund which expenditure cannot be determined with certainty as on the date of this DRHP. In terms of Section 27 of the Companies Act, 2013, we cannot undertake any variation in the utilisation of the Net Proceeds or in the terms of any contract as disclosed in the DRHP without obtaining the shareholders' approval through a special resolution. In the event of any such circumstances requiring us to undertake variation in the utilisation of the Net Proceeds disclosed in the DRHP, we cannot assure that we will be able to obtain the shareholders' approval in a timely manner, or at all. Any delay or inability in obtaining such shareholders' approval may adversely affect our business or operations.

Further, our Promoters would be required to provide an exit opportunity to the shareholders who do not agree with our proposal to change the objects of the Issue. Additionally, the requirement on Promoters to provide an exit opportunity to such dissenting shareholders may deter the Promoters from agreeing to the variation of the proposed utilisation of the Net Proceeds, even if such variation is in the interest of our Company. Further, we cannot assure you that the Promoters of our Company will have adequate resources at their disposal at all times to enable them to provide an exit opportunity at the price prescribed by SEBI.

In light of these factors, we may not be able to undertake variation of objects of the Issue to use any unutilized proceeds of the Fresh Issue, if any, or vary the terms of any contract referred to in the DRHP, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition by re-deploying the unutilised portion of Net Proceeds, if any, which may adversely affect our business and results of operations.

37. ***The deployment of funds raised through this Issue shall not be subject to any Monitoring Agency and shall be purely dependent on the discretion of the management of our Company.***

Since the Issue size is less than ₹10,000.00 Lakh there is no mandatory requirement of appointing an independent monitoring agency for overseeing the deployment of utilization of funds raised through this Issue. The deployment of these funds raised through this Issue, is hence, at the discretion of the management and the Board of Directors of our Company and will not be subject to monitoring by any independent agency. Any inability on our part to effectively utilize the Issue proceeds could adversely affect our financials.

38. ***We have commissioned industry reports from certain agencies, which have been used for industry related data in this DRHP and such data has not been independently verified by us.***

We have commissioned the CRISIL research report titled “Market Assessment of the cold chain industry in India published in 2017. The reports use certain methodologies for market sizing and forecasting. Neither our Company nor the BRLM have independently verified such data and therefore, while we believe them to be true, we cannot assure you that they are complete or reliable. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. While industry sources take due care and caution while preparing their reports, they do not guarantee the accuracy, adequacy or completeness of the data. We accept no responsibility in respect of such information, data and statistics including updating the data and statistics to the date of this DRHP. Such information, data and statistics may be approximations or use rounded numbers. Accordingly, investors should read the industry related disclosure in this DRHP in this context and should not place undue reliance on, or base their investment decision solely on this information.

Issue Specific Risks

39. ***The Issue price of our Equity Shares may not be indicative of the market price of our Equity Shares after the Issue and the market price of our Equity Shares may decline below the issue price and you may not be able to sell your Equity Shares at or above the Issue Price.***

The Issue Price of our Equity Shares will be determined by book building method. The price will be based on numerous factors (For further information, kindly refer chapter titled “Basis for Issue Price” beginning on page 91 of this DRHP) and may not be indicative of the market price of our Equity Shares after the Issue. The market price of our Equity Shares could be subject to significant fluctuations after the Issue, and may decline below the Issue Price. We cannot assure you that you will be able to sell your Equity Shares at or above the Issue Price.

40. ***The average cost of acquisition of Equity Shares by our Promoters could be lower than the Floor Price.***

Our Promoters average cost of acquisition of Equity Shares in our Company may be lower than the Floor Price of the Price Band as may be decided by the Company in consultation with the BRLM. For further details regarding average cost of acquisition of Equity Shares by our Promoters in our Company and build-up of Equity Shares at or above the Issue Price. Among the factors that could affect our share price include without limitation. The following:

- Half yearly variations in the rate of growth of our financial indicators, such as earnings per share, net income and revenues;
 - Changes in revenue or earnings estimates or publication of research reports by analysts;
 - Speculation in the press or investment community;
 - General market conditions; and
 - Domestic and international economic, legal and regulatory factors unrelated to our performance.
- Equity Shares by our Promoters in our Company, kindly refer the section titled “Risk Factors – Prominent Notes” beginning on page 35 of this DRHP.

External Risk Factors

Industry Risks:

41. ***Changes in government regulations or their implementation could disrupt our operations and adversely affect our business and results of operations.***

Our business and industry is regulated by different laws, rules and regulations framed by the Central and State Government. These regulations can be amended / changed on a short notice at the discretion of the Government. If we fail to comply with all applicable regulations or if the regulations governing our business or their implementation change adversely, we may incur increased costs or be subject to penalties, which could disrupt our operations and adversely affect our business and results of operations.

42. *If we are unable to adapt to technological changes coupled with changes in market conditions, demands and requirements of our customers, or to identify and understand evolving industry preferences and manufacture new products to meet our customers' demands, our business and results of operations may be adversely affected.*

Our future success will depend in part on our ability to respond to technological advances and changes in market conditions, demands and the requirements of our customers and also changes in the businesses in which we operate, on a cost-effective and timely basis. Any advancements, changes or up gradation in the present technology being used by us may render the present technology obsolete and may require us to incur additional capital expenditure for upgrading our facilities and equipment so as to compete with our competitors on a global scale. To compete effectively in the industry, we must be able to develop new products to meet our customers' demand in a timely manner. In the event that we are not able to respond to such technological advancements or changes and demands of our customers in a timely manner, we may become less competitive thereby adversely affecting our business, results of operations and financial condition.

Other Risks

43. *Our future fund requirements, in the form of further issue of capital or securities and / or loans taken by us, may be prejudicial to the interest of the Shareholders depending upon the terms on which they are eventually raised.*

We may require additional capital from time to time depending on our business needs. Any further issue of Equity Shares or convertible securities would dilute the shareholding of the existing Shareholders and such issuance may be done on terms and conditions, which may not be favourable to the then existing Shareholders. If such funds are raised in the form of loans or debt or preference shares, then it may substantially increase our fixed interest / dividend burden and decrease our cash flows, thus adversely affecting our business, results of operations and financial condition.

44. *The price of the Equity Shares may be highly volatile after the Issue.*

The price of the Equity Shares on the Indian stock exchanges may fluctuate after this Issue as a result of several factors, including: volatility in the Indian and global securities market; our operations and performance; performance of our competitors and the perception in the market about investments in the industry in which we operate; adverse media reports on us or the industry in which we operate; changes in the estimates of our performance or recommendations by financial analysts; significant developments in India's economic liberalization and deregulation policies; and significant developments in India's fiscal and environmental regulations. There can be no assurance that the prices at which the Equity Shares are initially traded will correspond to the prices at which the Equity Shares will trade in the market subsequently.

45. *You will not be able to immediately sell any of our Equity Shares purchased through this Issue.*

The Equity Shares will be listed on NSE EMERGE. Pursuant to Indian regulations, certain actions must be completed before the Equity Shares can be listed and trading may commence. Investors' book entry, or demat accounts with depository participants in India are expected to be credited within two working days of the date on which the Basis of Allotment is approved by the Designated Stock Exchange. Thereafter, upon receipt of final listing and trading approval from the Stock Exchanges, trading in the Equity Shares is expected to commence within approximately 6 Working Days of the Bid Closing date. There could be a failure or delay in listing the Equity Shares on the Stock Exchanges. Any failure or delay in obtaining the approval would restrict investors' ability to dispose off their Equity Shares. We cannot assure you that the Equity Shares will be credited to investors' demat accounts, or that trading in the Equity Shares will commence, within the time periods specified above. In addition, we would be liable to pay interest at the applicable rates if allotment is not made, funds from the relevant ASBA accounts are not unblocked or demat credits are not made to investors within the prescribed time periods.

46. *You may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.*

Under current Indian tax laws and regulations, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India. Any gain on the sale of shares on a stock exchange held for more than 12 months will not be subject to capital gains tax in India if the securities transaction tax ("STT") has been paid on the transaction. The STT will be levied on and collected by an Indian stock exchange on which equity shares are sold. Any gain on the sale of shares held for more than 12 months to an Indian resident, which are sold other than on a stock exchange and as a result of which no STT has

been paid, will be subject to long term capital gains tax in India. Further, any gain on the sale of shares held for a period of 12 months or less will be subject to capital gains tax in India. Further, any gain on the sale of listed equity shares held for a period of 12 months or less which are sold other than on a stock exchange and on which no STT has been paid, will be subject to short term capital gains tax at a relatively higher rate as compared to the transaction where STT has been paid in India. For further details, kindly refer the chapter titled “Statement of possible tax benefits” beginning on page 94 of this DRHP.

47. *Taxes and other levies imposed by the Government of India or other State Governments, as well as other financial policies and regulations, may have a material adverse effect on our business, financial condition and results of operations.*

Taxes and other levies imposed by the Central or State Governments in India that affect our industry include:

- custom duties on imports of raw materials and components;
- excise duty on certain raw materials and components;
- central and state sales tax, value added tax and other levies; and
- Other new or special taxes and surcharges introduced on a permanent or temporary basis from time to time.

These taxes and levies affect the cost and prices of our products and therefore demand for our product. An increase in any of these taxes or levies, or the imposition of new taxes or levies in the future, may have a material adverse effect on our business, profitability and financial condition.

48. *The nationalized goods and services tax (GST) regime implemented by the Government of India may have material impact on our operations.*

The Government of India has implemented comprehensive national goods and service tax (GST) regime that combines taxes and levies by the Central and State Governments into a unified rate structure.

The final determination of our tax liabilities involves the interpretation of tax laws and related regulations in each jurisdiction as well as the significant use of estimates and assumptions regarding the scope of future operations and results achieved and the timing and nature of income earned and expenditures incurred. Changes in the operating environment, including changes in tax law, could impact the determination of our tax liabilities for any given tax year. Taxes and other levies imposed by the Government that affect our industry include income tax, GST and other taxes, duties or surcharges introduced from time to time and any adverse changes in any of the taxes levied by the Government could adversely affect our competitive position and profitability.

The comprehensive national GST regime has been implemented from July 1, 2017. This GST regime combines taxes and levies by the Central and State Governments into a unified rate structure. The implementation of the GST may also affect incentives available to us. With the implementation of GST, we are required to pay tax at the rate of 12%, 18% and 28%, across all our products and all regions in India where we sell our products. In addition, excise duty, central sales tax and service tax that was charged by our suppliers / service providers on goods / services provided was recognized as a ‘cost’ by our Company. With the implementation of GST, these taxes have been subsumed in GST and are now considered as an ‘input tax credit’ by our Company, and is accordingly not considered as cost. Any future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable which may significantly affect the profits and revenues of our Company.

49. *Political instability or a change in economic liberalization and deregulation policies could seriously harm business and economic conditions in India generally and our business in particular.*

The Government of India has traditionally exercised and continues to exercise influence over many aspects of the economy. Our business and the market price and liquidity of our Equity Shares may be affected by interest rates, changes in Government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. The rate of economic liberalization could change, and specific laws and policies affecting the information technology sector, foreign investment and other matters affecting investment in our securities could change as well. Any significant change in such liberalization and deregulation policies could adversely affect business and economic conditions in India, generally, and our business, prospects, financial condition and results of operations, in particular.

- 50. *We cannot guarantee the accuracy or completeness of facts and other statistics with respect to India, the Indian economy and refrigeration industry contained in this DRHP.***

While facts and other statistics in this DRHP relating to India, the Indian economy and the refrigeration industry has been based on various government publications and reports from government agencies that we believe are reliable, we cannot guarantee the quality or reliability of such materials. While we have taken reasonable care in the reproduction of such information, industry facts and other statistics have not been prepared or independently verified by us or any of our respective affiliates or advisors and, therefore we make no representation as to their accuracy or completeness. These facts and other statistics include the facts and statistics included in the chapter titled '*Industry Overview*' beginning on page 97 of this DRHP. Due to possibly flawed or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, there is no assurance that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

- 51. *Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.***

Global economic and political factors that are beyond our control, influence forecasts and directly affect performance. These factors include interest rates, rates of economic growth, fiscal and monetary policies of governments, inflation, deflation, foreign exchange fluctuations, consumer credit availability, fluctuations in commodities markets, consumer debt levels, unemployment trends and other matters that influence consumer confidence, spending and tourism. Increasing volatility in financial markets may cause these factors to change with a greater degree of frequency and magnitude, which may negatively affect our stock prices.

- 52. *Foreign investors are subject to foreign investment restrictions under Indian law that limits our ability to attract foreign investors, which may adversely impact the market price of the Equity Shares.***

Under the foreign exchange regulations currently in force in India, transfers of shares between non-residents and residents are freely permitted (subject to certain exceptions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or fall under any of the exceptions referred to above, then the prior approval of the RBI will be required. Additionally, shareholders who seek to convert the Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection / tax clearance certificate from the income tax authority. There can be no assurance that any approval required from the RBI or any other government agency can be obtained on any particular terms or at all.

- 53. *The extent and reliability of Indian infrastructure could adversely affect our Company's results of operations and financial condition.***

India's physical infrastructure is in a developing phase, as compared to that of many developed nations. Any congestion or disruption in its port, rail and road networks, electricity grid, communication systems or any other public facility could disrupt our Company's normal business activity. Any deterioration of India's physical infrastructure would harm the national economy, disrupt the transportation of goods and supplies, and add costs to doing business in India. These problems could interrupt our Company's business operations, which could have an adverse effect on its results of operations and financial condition.

- 54. *Any downgrading of India's sovereign rating by an independent agency may harm our ability to raise financing.***

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing, and the interest rates and other commercial terms at which such additional financing may be available. This could have an adverse effect on our business and future financial performance, our ability to obtain financing for capital expenditures and the trading price of our Equity Shares.

55. *Natural calamities could have a negative impact on the Indian economy and cause our Company's business to suffer.*

India has experienced natural calamities such as earthquakes, tsunami and floods in recent years. The extent and severity of these natural disasters determine their impact on the Indian economy. Prolonged spells of abnormal rainfall or other natural calamities could have a negative impact on the Indian economy, which could adversely affect our business, prospects, financial condition and results of operations as well as the price of the Equity Shares.

56. *Changing laws, rules and regulations and legal uncertainties, including adverse application of tax laws and regulations, may adversely affect our business and financial performance.*

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, financial condition, results of operations, cash flows and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. For instance, the Companies Act 2013, several provisions of which (including rules issued thereunder) contain significant changes to Indian company law, including in relation to the issue of capital by companies, related party transactions, corporate governance, audit matters, shareholder class actions, restrictions on the number of layers of subsidiaries and corporate social responsibility. Compliance with such requirements may require significant financial and administrative resources, and any failure to comply may adversely affect our business and prospects. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future. If a determination is made that we were in violation of such laws, rules or regulations, including conditions in the permits required for our operations, we may have to pay fines, modify or discontinue our operations, incur additional operating costs or make capital expenditures and our business, financial positions, results of operations or cash flows could be adversely affected. In addition, government schemes are a source of revenue for us. As a result, if the applicable tariffs specified in the agreements with government payers are revised downwards, or if the extent of coverage or limits are reduced, or if the payment terms are made longer, or if the reimbursement policies are changed in the agreements with the government payers, or if the government payers terminate their agreements with us, our number of new patient registrations will decline and our revenue and profitability could be negatively affected. For further details on the laws currently applicable to us kindly refer the chapter titled "Key Industry Regulations and Policies" beginning on page 128 of this DRHP.

57. *A slowdown in economic growth in India and globally could cause our business to suffer.*

We are highly dependent on prevailing economic conditions in India and globally and our results of operations are significantly affected by factors influencing the Indian and global economy. A slowdown in the economy and per capita income could adversely affect our business, including our ability to grow our assets, the quality of our assets, and our ability to implement our strategy. Factors that may adversely affect the Indian and global economy and per capita income, and hence our results of operations, may include:

- any increase in Indian interest rates or inflation;
- any scarcity of credit or other financing;
- prevailing income conditions among Indian and global consumers and corporations;
- volatility in, and actual or perceived trends in trading activity on, India's principal stock exchanges;
- variations in exchange rates;
- changes in India's tax, trade, fiscal or monetary policies;
- political instability, terrorism or military conflict in India or in countries in the region or globally, including in India's various neighbouring countries;
- prevailing regional or global economic conditions; and
- other significant regulatory or economic developments in or affecting India and other countries.

Any slowdown in the Indian or global economy and per capita income or in the growth of the sectors we participate in or future volatility in global commodity prices could adversely affect our borrowers and contractual counterparties. Specifically, it has been seen that in our industry, that general correlation exists between demand for pharmaceuticals and per capita income, and therefore any slowdown in per capita income would adversely affect the Indian pharmaceutical market, as well as our business. This in turn could adversely affect our business and financial performance and the price of our Equity Shares.

58. *Terrorist attacks, civil unrests and other acts of violence or war involving India or other countries could adversely affect the financial markets, our business, financial condition and the price of our Equity Shares.*

Any major hostilities involving India or other acts of violence, including civil unrest or similar events that are beyond our control, could have a material adverse effect on India's economy and our business. Incidents such as the terrorist attacks, other incidents such as those in US, Indonesia, Madrid and London, and other acts of violence may adversely affect the Indian stock markets where our Equity Shares will trade as well the global equity markets generally. Such acts could negatively impact business sentiment as well as trade between countries, which could adversely affect our Company's business and profitability. Additionally, such events could have a material adverse effect on the market for securities of Indian companies, including the Equity Shares.

Prominent Notes

Bidders are advised to contact the Company Secretary and Compliance Officer and / or the Registrar to the Issue in case of any pre-Issue or post-Issue related problems such as non-receipt of letters of Allotment, credit of Allotted Equity Shares in the respective beneficiary account and non-receipt of funds by electronic mode. All grievances relating to the Issue may be addressed to the Registrar to the Issue, giving full details such as name, address of the Bidder, number of Equity Shares applied for, the Bid amount paid on submission of the Bid cum Application Form and the bank branch or collection centre where the application was submitted. All grievances relating to the ASBA process may be addressed to the Registrar to the Issue with a copy to the relevant SCSB or the member of the Syndicate if the Bid was submitted to a member of the Syndicate at any of the Specified Locations, or the Registered Broker if the Bid was submitted to a Registered Broker at any of the Brokers Centres, as the case maybe, quoting the full name of the sole or first Bidder, Bid cum Application Form number, address of the Bidder, Bidder's DP ID, Client ID, PAN, number of Equity Shares applied for, date of Bid-cum- Application Form, name and address of the member of the Syndicate or the Designated Branch or the Registered Broker, Depository Participant, RTA, as the case may be, where the Bid was submitted, and the ASBA Account number in which the amount equivalent to the Bid Amount was blocked. All grievances relating to Bids submitted through the Registered Broker may be addressed to the Stock Exchanges with a copy to the Registrar.

1. Public Issue of [●] Equity Shares of face value of ₹10 each of our Company for cash at a price of ₹ [●]/- per Equity Share ("Issue Price") aggregating upto ₹ 2,500 Lakh. The Issue and the Net Issue will constitute [●] % and [●] %, respectively of the post Issue paid up equity share capital of the Company.
2. Investors may contact the BRLM or the Company Secretary & Compliance Officer for any complaint / clarification / information pertaining to the Issue. For contact details of the Book Running Lead Manager and the Company Secretary & Compliance Officer, kindly refer to chapter titled "General Information" beginning on page 55 of this DRHP.

Brief overview of Indian Economy

Brief Overview

India’s importance in powering global economic growth is expected to increase. The GDP growth is expected to remain at 7% for FY 2018 similar to previous fiscal despite GST implementation. The recent dip in inflation was contemporaneous with demonetisation led crimp in demand, low-base effect and a seasonal downside pressures on food, all of which are transitory. Inflation will rise further and CRISIL Research expects an average inflation of 4% in the current fiscal, which would be well within the RBI’s target.

While the adverse impact of demonetisation on growth has more or less faded, the short-term disruptive impact of GST is playing out. However, the growth will continue to be consumption-led, given normal monsoon, softer interest rates and inflation, pay commission implementation by the states which will push up purchasing power and pent-up demand (demand postponed due to the demonetisation).

Key growth drivers for GDP

At around 58%, private consumption is the largest contributor to India’s GDP. The nominal per capita GDP growth, which is used as a proxy for income growth, picked up in 2016-17 and rose to 9.6% on-year compared with 8.6% in the previous year. Correspondingly, the nominal per capital private final consumption expenditure, which is used as a proxy for consumer spending, also grew by 11.2% in 2016-17 despite demonetisation compared with 8.3% in the previous year, indicating a pick-up in consumer demand after consecutive years of decline in spending growth.

Population and urbanisation on the rise

India's population stood at 1.2 billion as of 2011, registering an annual growth of 1.64% from 2001 to 2011 and a decadal growth of about 17.6%. It is further expected to grow by 13% from 2011 to 2021 at an annual CAGR of 1.18%.

As of 2011, India's urban population was 377 million, marking an annual growth of 2.8%; rural population stood at 833 million, growing annually at 1.16%. Urbanisation levels have risen from 28% in 2001 to ~ 31% in 2011. As of 2016, the total estimated population was 1,283 million, with an annual growth of 1.18% from 2011.

The share of urban population in total population has been consistently rising over the years from 28% in 2001 to about 31% in 2011. As per a report by the United Nations, nearly 35-37% of India's population is expected to live in urban areas by 2021. Typically, rural populations migrate to cities for better job opportunities, education and better quality of life.

IIP growth improves in 2016-17

In 2016-17, the Index of Industrial Production (IIP) climbed 5% on-year to 121. This was primarily driven by a 5% growth in the manufacturing industry which was allocated a weightage of 77.6% as per the revised IIP index with base year 2011-12. Moreover, 9% growth in the consumer non-durable goods industry and 6% growth in electricity have supported growth in IIP.

Overview of refrigeration products in India

Refrigeration products can be broadly classified into four categories:

- (A) Cold rooms and storage products
- (B) Commercial refrigeration systems
- (C) Industrial refrigeration systems
- (D) Transport refrigeration systems

One or multiple types of these systems are deployed for temperature controlled handling and logistics. CRISIL Research estimates a 14-16% CAGR for Indian cold chain market over FY 2017-2022, which would be a key driver for growth of refrigeration products in India. The below are the key industries for refrigeration products:

Source: CRISIL Research

Overview of the Indian Logistics Industry

According to Press Information Bureau (PIB) as of May 2017, India's logistics cost as a % of GDP is 13-14%. Considering only segments such as road freight, rail freight, coastal freight, warehousing, cold chain and container freight stations / inland container depots (CFS / ICD), CRISIL Research estimates the Indian logistics industry comprising segments at Rs 6.4 trillion as of 2016-17. CRISIL Research expects the industry to grow at ~13% compound annual growth rate (CAGR) to reach Rs 9.2 trillion by 2019-20. While various modes of transport, such as roads, rail and coastal, are expected to grow at a combined CAGR of ~13%, verticals such as warehousing, cold storage and CFS / ICD will likely expand 11-12%.

The industry is dominated by transportation, which accounts for ~88%, and its share is expected to remain high at 88% over the next 3-4 years. Improved infrastructure in segments such as warehousing, cold storage and CFS/ICD, coupled with the evolving regulatory environment and changing consumer behaviour are expected to spearhead the industry's growth. For the purpose of analysis of the logistics industry, the value-added services are included in cold chain, warehousing and CFS / ICD.

Review and outlook of temperature controlled warehousing (TCW) in India

Temperature controlled warehouses play an important role in reducing post-harvest losses. Storage of products at controlled temperature, helps reducing wastages and spoilages. Apart from preserving the quality of the product, cold storages are key to minimizing fluctuation in prices. In the absence of cold storage facilities, farmers are forced to sell their produce immediately after harvest, which results in situations of oversupply, resulting in lower price realisations. Availability of adequate cold storage facilities gives farmers the opportunity to gain from remunerative prices. Consumers too benefit as a result of stable prices and better quality of perishable commodities.

Review and outlook of multi commodity cold storages in India

Multipurpose cold storages are where potatoes, fruits and vegetables and frozen products can be stored at the same time. Over the next five years, multipurpose cold storages will gradually gain volume share over single-commodity (potato) cold storages on faster growth in the production of fruits, vegetables and dairy products versus potatoes, and early payback in multipurpose cold storages. Within the multipurpose segment, CRISIL research estimates organised players (which constitute sub-10% of the overall cold-storage market) to witness faster volume growth than the unorganised players. CRISIL Research estimates the share of multipurpose cold storages to increase from ~30% in 2016-17 to 35-40% in 2021-22.

Multipurpose cold storages to lead growth in value terms

Multipurpose cold storage volumes are expected to rise at a faster pace of 6-7% CAGR compared with single commodity cold storage volumes estimated to increase 1-2% CAGR by 2021-22. Rentals for multipurpose cold storages are projected to increase at 4-5% CAGR between 2016-17 and 2021-22 compared with rentals of single commodity (potatoes) cold storages which are expected to remain flat. Effective August 2016, rentals of single commodity cold storages in West Bengal have increased by Rs 14 to around Rs 148 per quintal. Although demand (in volume) will rise for multipurpose cold storages in the long term, rentals are expected to be under pressure owing to competition among the organised players.

Key commodities stored in organized multipurpose cold storages

Frozen products, quick service restaurants (QSR), imported fruits and vegetables are the major volume contributors. Frozen products are largely for the exports markets. For QSR and imported fruits and vegetables, majority volume is stored for the domestic market. Increasing exports of frozen vegetables such as aubergine, cucumber and onion are likely to contribute to volume as well as value growth of multipurpose cold storages.

Review and outlook of temperature controlled vehicles (TCV) in India

Temperature controlled vehicles play an important role in maintaining the quality of the product in-transit. Temperature controlled vehicles are equipped with active refrigeration for temperature controlled carriage of perishable products. Besides, modern refrigerated transport vehicles (reefer) are equipped with data logger to ensure continuous monitoring of temperature and global positioning system (GPS) to enable real-time tracking. While GPS facilitates real-time information about cargo, data logger ensures that the prescribed temperature is maintained even in transit and the quality of temperature-sensitive products is not compromised. Temperature controlled vehicles are broadly classified into primary haul vehicles and secondary haul vehicles.

Majority of reefer vehicles are deployed for secondary transportation

The bulk of refrigerated transport segment is fragmented with a large number of small private players focusing on select commodities or regions. About 60-65% of reefer vehicles are deployed for secondary transportation. Primary and secondary transportation

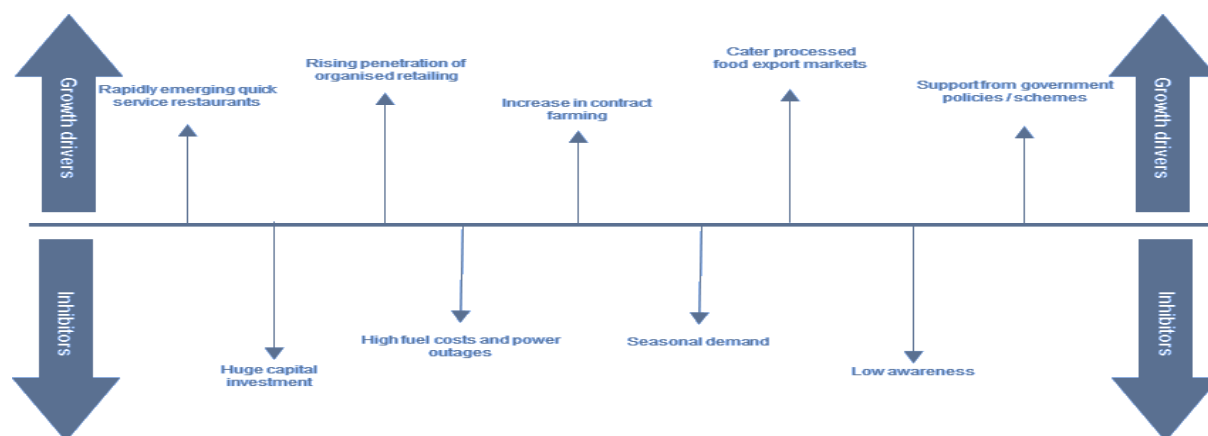

Share of ice cream and pharmaceuticals to increase in TCV volumes

Due to stringent USFDA regulations necessitating temperature-controlled conditions during the entire supply chain, CRISIL Research expects the volume share of pharmaceuticals and ice cream to increase in the overall TCV volumes. In value terms, CRISIL Research expects the ice-cream industry to grow at CAGRs of 22-23% over 2015-16 to 2018-19, driven by rising milk prices; change in the product mix; rising share of branded products and increased consumption of value-added products. As increase in ice cream consumption and pharmaceutical products is expected to outpace that of frozen products, CRISIL Research expects the share of frozen products in the TCV segment to whittle down over the next five years.

TCV growth to be led by strong volume

Despite a strong volume increase expected aided by end-user industries, intense competition resulting in pricing pressure would lead to a moderate 6-8% revenue CAGR for TCV industry over FY 2017–2022, compared to 10-12% CAGR over the past five years. Volumes of TCV are expected to grow at a CAGR of 6-7% from 2016-17 to 2021-22 driven primarily by pharmaceuticals and frozen products which is largely for export markets as well as QSR in domestic markets. Among these, pharmaceutical segment would lead the growth because of increasing regulatory requirements by US FDA necessitating temperature controlled conditions during the entire supply chain including reefer vehicles. Realisations in the TCV segment are expected to grow at marginally at a CAGR of 1-2% over the same period. CRISIL Research interactions with market participants indicate that there is intense pressure on rentals especially in frozen products, ice cream as large numbers of unorganised players cater to the segment. On the other hand, rentals are comparatively higher for pharmaceutical products because of the sensitivity and quality that needs to be maintained.

Cold chain industry: Key growth drivers and inhibitors

Key inhibitors

(A) Huge capital investment

Maintaining controlled temperature conditions necessitates investment in insulation equipment, making cold chain business a capital-intensive one. Excluding land cost, typical investment is Rs 5,000-6,000 per tonne for single-commodity potato cold storages, and about Rs 20,000-30,000 per tonne for multi-purpose commodity cold storages. For the temperature-controlled vehicles (TCV) segment, typical investment is Rs 2-3 million for a 8-10 tonne reefer vehicle.

(B) High fuel costs and irregular power supply

Fuel costs account for a major chunk (~ 50%) of operating costs in cold storages. Moreover, while cold storages are dependent on steady power supply to maintain temperatures, large parts of India face regular power cuts. Investment in power backup systems also increases overall costs, making it unviable for smaller players.

(C) Seasonal demand

Seasonal demand for fruits and vegetables makes the cold chain business susceptible to seasonal variations. However, catering to multiple commodities with varying seasonality helps avoid fluctuation in utilisation.

(D) Low awareness

The supply chain of most products is long and fragmented in India. Quality of temperature-sensitive products deteriorates, if not handled well. Thus, greater awareness on this aspect is required.

SUMMARY OF OUR BUSINESS

This section should be read in conjunction with the sections “Risk Factors”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Financial Statements” beginning on pages 17, 233 and 161 of this DRHP, respectively. Our Restated Financial Information for FY 2017, FY 2016 and FY 2015 and for the 3 months period ended June 30, 2017, included in this DRHP is prepared in accordance with the Companies Act and restated in accordance with the SEBI Regulations. References to “Restated” below are to our Restated Standalone Financial Information for FY 2017, FY 2016 and FY 2015 and for the 3 months period ended June 30, 2017 All figures in this section are on a standalone basis, unless as specified otherwise.

Overview

We are a refrigeration equipment manufacturer, engaged in providing cooling solutions. We provide cooling solutions for cooling systems and accessories used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. We classify our business into the following 4 verticals: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. We operate our business verticals under the brand of “Ice Make”.

Our Company is promoted by Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel and Mr. Vipul I. Patel. Our promoters commenced the business in 2 firms (i) Ice Make Refrigeration (Proprietorship Firm) in 1993 and (ii) Hi Make Engineers (Proprietorship Firm) in 1997 (The name was thereafter modified to Colpan Poly Panel Industries). The running business of the 2 firms was taken over by way of a business transfer agreement in 2009.

Our Promoters, through the aforesaid firms, had initiated business as refrigeration equipment manufacturer by Commercial Refrigeration manufacturing in 1993 and forayed into Cold Room manufacturing in 2002 as well as Industrial Refrigeration manufacturing in 2003. Subsequently, our Company introduced Transport Refrigeration manufacturing in 2012. As per the Restated Standalone Financial Information for FY 2017, our top 5 products are: (i) Cold Room (ii) Commercial Freezer (iii) Chiller (iv) Refrigerated Vehicle and (v) Ice Cream Hardener.

In December 2016, we had acquired ‘Bharat Refrigerations Private Limited’, a company based in Chennai, engaged in a business similar to our business, which is now our wholly owned subsidiary. Bharat Refrigerations Private Limited is present in the above business verticals through the brands named ‘Bharat’ and ‘Trans Freez’.

The manufacturing facilities of our Company are located at Dantali, Gujarat and the manufacturing facilities of our Wholly Owned Subsidiary are located at Chennai, Tamil Nadu. Our dealers and associates are present in the cities of Bikaner, Cochin, Cuttack, Goa, Hubli, Jodhpur, Kolhapur, Kolkata, Nagpur, Patna, Pune, Pondicherry, Trivandrum, Kathmandu and Colombo. Our customers include leading and reputed names across each industry.

We have received external certifications such as ISO 9001: 2015 for management system, BS OHSAS 18001: 2007 for health and safety, AN ISO 14001: 2004 for friendly environment working atmosphere, CRISIL NSIC – CRISIL SE1B for excellence and DSIR for the in-house research and development laboratory of our Company.

On the basis of our restated standalone financial statements for FY 2017, FY 2016, FY 2015, FY 2014 and FY 2013, our total revenue was ₹ 8,788.28 Lakh, ₹ 7,182.07 Lakh, ₹ 5,061.84 Lakh, ₹ 3,925.93 Lakh and ₹ 4,048.26 Lakh respectively and our net profit was ₹ 510.89 Lakh, ₹ 264.34 Lakh and ₹ 93.41 Lakh, ₹ 89.05 Lakh and ₹ 82.96 Lakh respectively. For the 3 month period ended June 30, 2017, our total revenue was ₹ 2,305.19 Lakh and our net profit were ₹ 146.53 Lakh. On the basis of our restated consolidated financial statements for FY 2017, our total revenue was ₹ 8,823.57 Lakh and our net profit was ₹ 509.11 Lakh, whereas for the 3 month period ended June 30, 2017, our revenue was ₹ 2,308.27 Lakh and net profit was ₹ 140.93 Lakh.

On the basis of our restated standalone financial statements, our CAGR for total revenue from FY 2013 to FY 2017 is 21.0%, our CAGR for EBIDTA from FY 2013 to FY 2017 is 49.0% and our CAGR for net profit from FY 2013 to FY 2017 is 58.0%. On the basis of our restated standalone financial statements, our ROCE has increased from 14.0% in FY 2013 to 39.0% in FY 2017, our ROE has increased from 13.1% in FY 2013 to 34.6% in FY 2017. Additionally, our debt / equity ratio has reduced from 1.57 times in FY 2013 to 0.93 times in FY 2017 whereas our working capital days have increased from ~ 34 days in FY 2013 to ~ 41 days in FY 2017.

Key strengths

Manufacturers of wide range of refrigeration equipments

We offer a wide range of refrigeration equipments. We manufacture products under 4 categories: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. Over the years, our product offerings have evolved to include Cold Room, Glass Door Display Chiller, Refrigeration Systems, Incubation Chambers, Ripening Chambers, Pre-Cooling Chambers, Blast Freezers / Chillers, Water Chilling Plant, Brine Chilling Plant, Ice Building Tank, Chest Freezer, Chest Cooler, Vertical Cooler, Dairy Freezer, Bulk Milk Chiller, Ice Cream Hardener, Ice Candy Production Machine, Under Counter Refrigeration, Mortuary Chambers, Ageing Vat, Refrigerated Vehicles, Eutectic Van and Bunk House in these verticals. Our diversified product portfolio helps us reduce the risks of adverse market condition and dependence on any single product.

Well established manufacturing facilities

The manufacturing facility of our Company is located at Dantali, Gujarat and the manufacturing facility of our Wholly Owned Subsidiary is located at Chennai, Tamil Nadu. Our manufacturing facilities are equipped with the requisite infrastructure enabling us to produce high quality products in a cost efficient manner to the satisfaction and as per the standards of our domestic and international customers. Our production operations at our manufacturing facilities are managed by a team of skilled technical engineers with requisite technical know-how. With the expertise of these technical persons, we have developed many efficient production processes aimed to maximize yield and minimize costs. Over the years, we have evolved our production process to diversify into a wide range of products and create a low dependence on raw materials from the external sources.

Experienced Promoters and qualified technical team

We believe that our Promoters possess extensive knowledge and understanding of the refrigeration business and have the expertise and vision to organically and inorganically scale up our business. They are supported by our qualified technical team which includes several persons having an experience of more than 20 years in the refrigeration industry. We believe that our management bandwidth is efficient and we are able to segregate the responsibilities of the business within the promoters. Our Promoters have established the business direction of our Company and will continue to guide our Company in the expansion of our business with their experience.

Strong marketing and distribution network

We market, sell and distribute our wide range of products to a diverse set of customers based in India and abroad. We conduct our marketing arrangements through a strong and dedicated sales and marketing team which is supported by our Promoters. Over the years we have established our sales network in domestic and international markets. We operate on a two-way marketing strategy, (i) Direct customer sales and (ii) Sales through dealers. As on August 31, 2017, our marketing strength comprises of 38 employees and 60 dealers. We are present in Ahmedabad and Chennai while our dealers and associates are present in Bikaner, Cochin, Cuttack, Goa, Hubli, Jodhpur, Kolhapur, Kolkata, Nagpur, Patna, Pune, Pondicherry, Trivandrum, Kathmandu and Colombo. We currently export our products to Algeria, Philippines, Singapore, Sri Lanka, Uganda and UAE.

Providing customized solutions with a focus on after sales service

Our Company is able to provide products based on certain customer specifications and also has a robust after sales service. We customize certain products on the specifications received from the customer while some of our products are standardized as per the industry requirements. We focus on quality as well as on giving solutions to clients based on their requirement. We believe that our efficient after sales service has earned customer satisfaction, which has helped us to create a trustworthy brand for the Company. With our wide presence through our dealers and associates, we have delivered after sales service to the satisfaction of our clients. As per standard practices, we provide a one year warranty for all our products. On expiry of the said warranty period, our Company, either through its employees or through the support of its associates, provides after sales services.

Catering to clients from diverse sectors and industries

Our wide range of products has helped us cater to companies in various industries. We cater to industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. Over the past years, we believe that we have built a strong and diverse customer base.

Consistent delivery of quality products

We believe that we offer quality products to our customers. Through our efforts in improving our production processes, we have developed products suitable to the requirement of our customers. Due to the consistency of our product quality, we are able to effectively sell our products at competitive prices through prudent cost optimization. We believe that our customers are satisfied with our products and the after-sales services we offer.

Key strategies

Backward integration at Dantali to improve production efficiencies

At present, our Company procures condenser coil from the domestic markets, while a majority of suppliers of evaporator coil are located overseas. The condenser coils and the evaporator coils are an essential component of the condenser and evaporator respectively, which are integrated into the refrigeration equipment. In order to improve production efficiencies and reduce lead time in procurements, our Company plans to set up the coil manufacturing facility at Dantali as a backward integration to our process. This backward integration will enable us to reduce dependency of procuring coil from external suppliers, optimize manufacturing cost and provide us with a pricing advantage. We possess the requisite knowledge to manufacture the coils for meeting our demand. For further details, kindly refer the chapter titled “Objects of the Issue” beginning on page 76 of this DRHP.

Upgradation of existing facilities at Dantali and Chennai

Our Company plans to upgrade our existing manufacturing facility at Dantali by installing Laser Cutting Machine, upgrading the PUF foaming technologies, adding new models of Bulk Milk Chillers and carrying out other ancillary improvements in the system assembly. Our Company also plans to replace certain existing obsolete machineries at Chennai by installing auto controlled shearing machine and CNC press break machine, upgrading the existing refrigeration unit, purchasing pyramid type sheet bending machine and mig welding machine, upgrading the fabrication shop with new hand tools and pneumatic tools and investing in information technology and surveillance system, for increasing product efficiency and improving the quality of our products. For further details, kindly refer the chapter titled “Objects of the Issue” beginning on page 76 of this DRHP.

Continuous expansion of our product portfolio

We have the technical knowledge to consistently create new products. We shall continue to add new products to add value to our business and customers. We have used various research and development techniques to build and develop new equipment to the satisfaction of our customers. Some of these products have been well received by our customers. We believe that high-value added and technology-driven components will provide us with an early-mover advantage to improve the profit margin and continue as a preferred supplier to customers, giving us an opportunity to further consolidate our position with our customers and increase our market share.

Expanding our customer base within India

We focus to increase the reach of our products, to cover additional business locations. Our acquisition of Bharat Refrigerations Private limited is in line with our planned strategy of increasing the reach of our products. This acquisition has resulted in enhancement of our existing manufacturing facilities and has added our presence in South India. Our Company plans to strengthen our sales network in the domestic market by actively engaging with companies that are engaged in the dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail industries, which have specific applications for our products. In order to enhance timely delivery of products to other locations, we plan to hire or setup adequate warehousing facilities in strategic business locations in India. We believe that there is potential in the Indian refrigeration market and hence we shall channelise our efforts to gain greater market share of the Indian refrigeration market.

Expanding our presence in after sales services

We believe that our after sales services provide us significant growth opportunities. We provide after sales services with a view to serve our clients better. Our team of dedicated professionals is responsible for the day-to-day operations of our after sales services. For our after sales service, we are able to charge our customer for the product repaired / replaced and the efforts undertaken for providing the services. In addition to having better profit margins, expanding our after sales presence also ensures reinforcing our brand image and brand visibility.

Business description

The registered office of our Company is situated at B-1, Vasupujya Chamber, Near Navdeep Building, Income-Tax Road, Ahmedabad, Gujarat, India – 380009, whereas the corporate office as well as the manufacturing facility of our Company is situated at Survey Number 227, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 and Survey Number 226/126, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721, while the registered office and the manufacturing facility of our Wholly Owned Subsidiary is situated at 2/21 A, Kanniappan Street, Shanti Nagar, Ramapuram, Opposite DLF, Chennai, Tamil Nadu, India – 600089. We classify our business into 4 verticals: (i) Cold Room (iii) Commercial Refrigeration (ii) Industrial Refrigeration and (iv) Transport Refrigeration. We provide erection and installation services as per customer requirement with an annual maintenance contracts for after-sales services. We usually provide a one year warranty for our products. We have dedicated service teams in many cities to facilitate servicing of the products. The peak season for the sale of our refrigeration equipment is generally considered to be from November to May. Key manufacturing resources

Plant and Machinery

We have installed the requisite machinery in our facilities such as CNC PUF Dispensing Machines, CNC Roll Forming Machine, CNC Punching Machine, CNC Bending Machine, PUF Panel Press, Corner Panel Press, Fabrication Line, Roll Forming Machine, Seaming Machine and others, to support our manufacturing operations. Most of the machinery used in our production facilities are manufactured in India and are readily available from such manufacturers. Except for scheduled maintenance shut downs, our units generally operate throughout the year. We schedule and carry out maintenance, repairing and servicing of our equipment at a regular intervals.

Raw Materials

We procure raw material domestically or through imports from our suppliers. We use raw materials such as Stainless Steel, PUF Chemical, Condensing Units, Evaporator Units, Condenser Coils, Evaporator Coils, Compressors, Exchangers, Copper Fittings, Refrigerant Gases, Heaters, Plywood, Colours, Cables and Pumps. All our raw materials are procured in required quantities from well-established and reputed suppliers at reasonable prices. In case of any delay in supplying, we have alternate vendors, who can meet our requirements.

Appraising Entity

None of the purposes for which the Net Proceeds are proposed to be utilised have been financially appraised by any banks or financial institution or any other independent agency.

Credit Rating

This being a public issue of Equity Shares, there is no requirement of credit rating for the Issue.

Debenture Trustees

As the Issue is of Equity Shares, the appointment of a debenture trustee is not required.

IPO Grading

Our Company has not obtained any grading from any credit rating agency for the present Issue.

Book Building Process

Book building, in the context of the Issue, refers to the process of collection of Bids from investors on the basis of the RHP within the Price Band, the Bid cum Application Form and the Revision Form. The Price Band and minimum Bid Lot size for the Issue will be decided by our Company in consultation with the BRLM and will be advertised in [●] editions of [●], [●] editions of [●] and [●] editions of [●] which are widely circulated in English, Hindi and Gujarati newspapers, respectively (Gujarati being the local language of Gujarat, where our Registered Office is located) with wide circulation, at least five Working Days prior to the Bid/ Issue Opening Date and shall be made available to the Stock Exchange for the purpose of upload on its website. The Issue Price shall be determined by our Company in consultation with the BRLM, after the Bid/ Issue Closing Date.

The major parties involved in the Book Building Process are:

- Our Company;
- The Book Running Lead Manager in this case being Vivro Financial Services Private Limited;
- The Syndicate Member(s) who are intermediaries registered with SEBI/ registered as brokers with NSE and eligible to act as Underwriters. The Syndicate Member(s) will be appointed by the BRLM;
- The Registrar to the Issue;
- The Bankers to the Issue; and
- The Designated Intermediaries.

All Bidders, are mandatorily required to use the ASBA process for participating in the Issue. In accordance with the SEBI ICDR Regulations, QIBs bidding in the QIB Portion and Non-Institutional Bidders bidding in the Non-Institutional Portion are not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders can revise their Bids during the Bid/Issue Period and withdraw their Bids until the Bid/Issue Closing Date. For further details on the method and procedure for Bidding, kindly refer the chapter titled “*Issue Procedure*” beginning on page 282 of this DRHP.

Illustration of Book Building and Price Discovery Process

Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue.

Bidders can bid at any price within the price band. For instance, assume a price band of ₹ 20 to ₹ 24 per equity share, offer size of 3,000 equity shares and receipt of five bids from bidders, details of which are shown in the table below. A graphical representation of the consolidated demand and price would be made available at the bidding centers during the bidding period. The illustrative book below shows the demand for the equity shares of the issuer company at various prices and is collated from bids received from various investors.

Bid Quantity	Bid Price (in ₹)	Cumulative Quantity	Subscription
500	24	500	16.70%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.70%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the issuer is able to issue the desired number of shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The issuer, in consultation with the Book Running Lead Manager will finalize the Issue price at or below such cut-off price, i.e., at or below ₹ 22.00. All bids at or above this issue price and cut-off bids are valid bids and are considered for allocation in the respective categories.

Steps to be taken by the Bidders for Bidding

- Check eligibility for making a Bid (kindly refer the chapter titled “*Issue Procedure*” beginning on page 282 of this DRHP);
- Ensure that you have a demat account and the demat account details are correctly mentioned in the Bid cum Application Form;
- Ensure correctness of your PAN, DP ID and Client ID mentioned in the Bid cum Application Form. Based on these parameters, the Registrar to the Issue will obtain the demographic details of the Bidders from the Depositories.
- Except for Bids on behalf of the Central or State Government officials, residents of Sikkim and the officials appointed by the courts, who may be exempt from specifying their PAN for transacting in the securities market, for Bids of all values ensure that you have mentioned your PAN allotted under the Income Tax Act

in the Bid cum Application Form. The exemption for Central or State Governments and officials appointed by the courts and for investors residing in Sikkim is subject to the Depository Participant's verification of the veracity of such claims of the investors by collecting sufficient documentary evidence in support of their claims

5. Ensure that the Bid cum Application Form is duly completed as per instructions given in the DRHP and in the Bid cum Application Form;
6. Bids by ASBA Bidders will have to be submitted to the designated branches of the SCSBs or to the Syndicate at the Specified Locations or to the Registered Brokers at the Broker Centres. Ensure that the SCSB where the ASBA Account (as specified in the Bid cum Application Form) is maintained has named at least one branch at the Specified Location or the Broker Centre for the members of the Syndicate or the Registered Broker, respectively, to deposit Bid cum Application Forms (a list of such branches is available at the website of the SEBI at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>);
7. ASBA Bidders should ensure that the ASBA Accounts have adequate credit balance at the time of submission to the SCSB or the Syndicate or the Registered Brokers to ensure that the Bid cum Application Form is not rejected.

Bid/Issue Schedule

An indicative timetable in respect of the Issue is set out below:

Event	Indicative Date
Bid / Issue Opening Date	●
Bid / Issue Closing Date	●
Finalisation of Basis of Allotment with the Designated Stock Exchange	●
Unblocking of Funds	●
Credit of Equity Shares to demat accounts of Allottees	●
Commencement of trading of the Equity Shares on the Stock Exchange	●

The above timetable is indicative and does not constitute any obligation on our Company or the BRLM. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within 6 Working Days of the Bid/Issue Closing Date, the timetable may change due to various factors, such as extension of the Bid/Issue Period by our Company, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.

Bids and revision of Bids, shall be accepted only between 10.00 a.m. and 5.00 p.m. (IST) during the Bid/Issue Period as mentioned above at the Bidding centers and designated branches of SCSBs as mentioned in the Bid Cum Application Form. On the Bid/Issue Closing Date, the Bids and any revision in the Bids shall be accepted only between 10.00 a.m. and 3.00 p.m. (IST) and shall be uploaded until (i) 4.00 p.m. (IST) in case of Bids by QIB Bidders and Non-Institutional Bidders, and (ii) until 5.00 p.m. (IST) or such extended time as permitted by the Stock Exchange, in case of Bids by Retail Individual Bidders after taking into account the total number of applications received up to the closure of timings and reported by the BRLM to the Stock Exchange. It is clarified that Bids not uploaded on the electronic bidding system would be rejected. Bids will be accepted only on Working Days, i.e. Monday to Friday (excluding any public holiday).

Due to limitation of time available for uploading the Bids on the Bid/ Issue Closing Date, the Bidders are advised to submit their Bids one day prior to the Bid/ Issue Closing Date and, in any case, no later than 3.00 p.m. (IST) on the Bid/ Issue Closing Date. All times mentioned in this DRHP are Indian Standard Times. Bidders are cautioned that in the event a large number of Bids are received on the Bid/ Issue Closing Date, as is typically experienced in public offerings, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under the Issue. Bids will be accepted only on Business Days. Neither our Company nor the Book Running Lead Manager or the Syndicate Member is liable for any failure in uploading the Bids due to faults in any software/hardware system or otherwise.

QIBs and Non-Institutional Investors shall neither withdraw nor revise their Bids so as to lower the size of their Bid at any stage after they have bidden in the Issue. QIBs and Non-Institutional Investors may revise their Bids upwards (in terms of quantity of Equity Shares or the Bid Amount) during the Bid/Issue Period. Such upward revision must be made using the Revision Form.

Our Company in consultation with the BRLM, reserves the right to revise the Price Band during the Bid/ Issue Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in Price Band shall not exceed 20% on the either side i.e. the floor price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly.

In case of revision of the Price Band, the Bid/Issue Period will be extended for at least three additional working days after revision of Price Band subject to the Bid/ Issue Period not exceeding 10 working days. Any revision in the Price Band and the revised Bid/ Issue Period, if applicable, will be widely disseminated by notification to the Stock Exchange, by issuing a press release and also by indicating the changes on the websites of the Book Running Lead Manager and at the terminals of the Syndicate Member(s).

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Bid Cum Application Form, for a particular Bidder, the details as per the Bid file received from the Stock Exchange may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Bid Cum Application Form, for a particular ASBA Bidder, the Registrar to the Issue shall ask the relevant SCSBs / Syndicate Member / RTAs / DPs / Stock Brokers, as the case may be, for rectified data.

Withdrawal of the Issue

Our Company in consultation with the BRLM, reserve the right not to proceed with the Issue at any time before the Issue Opening Date without assigning any reason thereof.

If our Company withdraws the Issue anytime after the Issue Opening Date but before the allotment of Equity Shares, a public notice within two (2) Working Days of the Issue Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Issue shall be issued by our Company. The notice of withdrawal will be issued in the same newspapers where the pre-Issue advertisements have appeared and the Stock Exchange will also be informed promptly.

The BRLM, through the Registrar to the Issue, will instruct the SCSBs to unblock the ASBA Accounts within one (1) working Day from the day of receipt of such instruction. Our Company shall also inform the same to the Stock Exchange, i.e. NSE EMERGE on which Equity Shares are proposed to be listed.

If our Company withdraws the Issue after the Issue Closing Date and subsequently decides to proceed with an Issue of the Equity Shares, our Company will file a fresh offer document with the stock exchange where the Equity Shares may be proposed to be listed. Notwithstanding the foregoing, the Issue is subject to obtaining (i) the final listing and trading approvals of the Stock Exchange with respect to the Equity Shares issued through this DRHP, which our Company will apply for only after Allotment; and (ii) the final RoC approval of the RHP and Prospectus.

Underwriting and Underwriting Agreement

The Company and the Book Running Lead Manager to the Issue hereby confirm that the Issue is 100% Underwritten.

The Underwriting Agreement entered into by our Company with the Underwriter is dated [●]. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriter are subject to certain conditions specified therein. The Underwriter has indicated their intention to underwrite the following number of specified securities being offered through this Issue. The details of the Underwriting commitments are as under:

Market Maker Registration No. (SME Segment of NSE): INB231323339

In terms of chapter XB of SEBI ICDR Regulations, the Market Making arrangement through the Market Maker will be in place for a period of three years from the date of listing of our Equity Shares and shall be carried out in accordance with SEBI ICDR Regulations and the circulars issued by the NSE and SEBI regarding this matter from time to time.

Summary of Market Making Arrangement

1. The Market Maker(s) (*individually or jointly*) shall be required to provide a 2-way quote for 75% of the time in a day. The same shall be monitored by the stock exchange. Further, the Market Maker(s) shall inform the exchange in advance for each and every black out period when the quotes are not being issued by the Market Maker(s).
2. The prices quoted by Market Maker shall be in compliance with the Market Maker Spread Requirements and other particulars as specified or as per the requirements of NSE EMERGE and SEBI from time to time.
3. The minimum depth of the quote shall be ₹ 1,00,000. However, the investors with holdings of value less than ₹ 1,00,000 shall be allowed to Offer their holding to the Market Maker(s) (*individually or jointly*) in that scrip provided that he sells his entire holding in that scrip in one lot along with a declaration to the effect to the selling broker.
4. The Market Maker shall not sell in lots less than the minimum contract size allowed for trading on NSE EMERGE (in this case currently the minimum trading lot size is [●] equity shares; however the same may be changed by the NSE EMERGE from time to time).
5. After a period of three (3) months from the market making period, the Market Maker would be exempted to provide quote if the Shares of Market Maker in our Company reaches to 25% of Issue Size. Any Equity Shares allotted to Market Maker under this Issue over and above 25% of Issue Size would not be taken in to consideration of computing the threshold of 25% of Issue Size. As soon as the Shares of Market Maker in our Company reduces to 24% of Issue Size, the Market Maker will resume providing two (2) way quotes.
6. There shall be no exemption/threshold on downside. However, in the event the Market Maker exhausts his inventory through market making process, NSE may intimate the same to SEBI after due verification.
7. Execution of the order at the quoted price and quantity must be guaranteed by the Market Maker(s), for the quotes given by him.
8. There would not be more than five (5) Market Makers for a script at any point of time and the Market Makers may compete with other Market Makers for better quotes to the investors. At this time Airan Finstocks Private Limited, is the sole Market Maker.
9. The Equity Shares of the Company will be traded in the continuous trading session from the date of listing on the NSE EMERGE and the Market Maker will remain present as per the guidelines issued by NSE and SEBI from time to time.
10. There will be special circumstances under which the Market Maker may be allowed to withdraw temporarily/fully from the market – for instance due to system problems, any other problems. All controllable reasons require prior approval from the Exchange, while force-majeure will be applicable for non-controllable reasons. The decision of the Exchange for deciding controllable and non-controllable reasons would be final.
11. The Market Maker(s) shall have the right to terminate said arrangement by giving a one (1) month's notice or on mutually acceptable terms to the Book Running Lead Manager, who shall then be responsible to appoint a replacement Market Maker(s).

In case of termination of the above mentioned Market Making agreement prior to the completion of the compulsory Market Making period, it shall be the responsibility of the Book Running Lead Manager to arrange for another Market Maker in replacement during the term of the notice period being served by the

Market Maker but prior to the date of releasing the existing Market Maker from its duties in order to ensure compliance with the requirements of regulation 106V of the SEBI ICDR Regulations. Further our Company and the Book Running Lead Manager reserve the right to appoint other Market Makers either as a replacement of the current Market Maker or as an additional Market Maker subject to the total number of Designated Market Makers does not exceed five (5) or as specified by the relevant laws and regulations applicable at that particular point of time. The Market Making Agreement is available for inspection at our registered office from 11.00 a.m. to 5.00 p.m. on Working Days.

12. NSE EMERGE will have all margins, which are applicable on the NSE main board viz., Mark-to- Market, Value-At-Risk (VAR) Margin, Extreme Loss Margin, Special Margins and Base Minimum Capital etc. NSE can impose any other margins as deemed necessary from time-to-time.
13. **Punitive Action in case of default by Market Makers:** NSE Emerge will monitor the obligations on a real time basis and punitive action will be initiated for any exceptions and/or non-compliances. Penalties / fines may be imposed by the Exchange on the Market Maker, in case he is not able to provide the desired liquidity in a particular security as per the specified guidelines. These penalties / fines will be set by the Exchange from time to time. NSE Emerge will impose a penalty on the Market Maker in case he is not present in the market (offering two way quotes) for at least 75% of the time. The nature of the penalty will be monetary as well as suspension in market making activities / trading membership. The Department of Surveillance and Supervision of the Exchange would decide and publish the penalties / fines / suspension for any type of misconduct/ manipulation/ other irregularities by the Market Maker from time to time.
14. Pursuant to SEBI Circular number CIR/MRD/DSA/31/2012 dated November 27, 2012, limits on the upper side for market makers during market making process has been made applicable, based on the Issue size and as follows:

Issue Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the Issue size)	Re-Entry threshold for buy quote (including mandatory initial inventory of 5% of the Issue size)
Upto ₹ 20 Crore	25%	24%
₹ 20 Crore to ₹ 50 Crore	20%	19%
₹ 50 Crore to ₹ 80 Crore	15%	14%
Above ₹ 80 Crore	12%	11%

All the above mentioned conditions and systems regarding the Market Making Arrangement are subject to change based on changes or additional regulations and guidelines from SEBI/NSE from time to time.

[●]	[●]	[●]	[●]	[●]	[●]	[●]

The details of Equity Shares to be kept under lock-in shall be finalised upon determination of the Issue Price, consequent to the Book Building Process. For the build-up of share capital of Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel and Mr. Vipul I. Patel, kindly refer to Point 3(a) above - "History of Equity Share capital held by our Promoters" on page 68 of this DRHP.

Our Promoters have vide their letters dated [●] given undertaking that they will keep their shareholding under lock-in for the period mentioned hereinbefore and shall not sell or dispose off or transfer the same save as permissible under regulations 39 and 40 of the SEBI ICDR Regulations.

Total shareholding of our Promoters, post completion of the present Issue, will be 1,09,78,664 Equity Shares, constituting [●] % of post Issue paid up equity share capital of our Company.

Eligibility of Equity Shares forming part of minimum promoters' contribution

The Equity Shares that are being locked-in are eligible for computation of Promoters' Contribution under Regulation 33 of the SEBI ICDR Regulations. In this connection, as per Regulation 33 of the SEBI ICDR Regulations, our Company confirms that the Equity Shares locked-in do not consist of:

- Equity Shares acquired during the preceding three years for consideration other than cash and revaluation of assets or capitalization of intangible assets or bonus shares out of revaluations reserves or unrealised profits or bonus shares of shares which are otherwise ineligible for computation of Promoters' Contribution;
- Equity Shares acquired during the preceding one year, at a price lower than the price at which the Equity Shares are being offered to the public in the Issue;
- Equity Shares issued to the Promoters upon conversion of a partnership firm;
- Equity Shares held by the Promoters that are subject to any pledge; and
- Equity Shares for which specific written consent has not been obtained from the respective shareholders for inclusion of their subscription in the Promoters' Contribution subject to lock-in.

The minimum Promoters' Contribution shall be brought in to the extent of, not less than the specified minimum lot and from the persons defined as "Promoters" under the SEBI ICDR Regulations.

Our Promoters will not participate in the Issue.

Details of share capital locked in for one year

Other than the above Equity Shares that would be locked-in for 3 (three) years, the entire pre-Issue equity share capital of our Company shall be locked-in for a period of 1 (one) year from the date of Allotment in the Issue pursuant to Regulation 36(b) and Regulation 37 of the SEBI ICDR Regulations.

Other requirements in respect of lock-in

Pursuant to Regulation 39 of the SEBI ICDR Regulations, the locked-in Equity Shares held by the Promoters, as specified above, can be pledged only with scheduled commercial banks or public financial institutions as collateral security for loans granted by such scheduled commercial banks or public financial institutions, provided that the pledge of the Equity Shares is one of the terms of the sanction of the loan.

Provided that securities locked in as Promoters' Contribution for 3 years under Regulation 36(a) of the SEBI ICDR Regulations may be pledged only if, in addition to fulfilling the above requirement, the loan has been granted by such scheduled commercial bank or public financial institution for the purpose of financing one or more of the objects of the Issue.

Pursuant to Regulation 40 of the SEBI ICDR Regulations, the Equity Shares held by the Promoters may be transferred to and amongst the Promoters, the Promoter Group or to new promoters or persons in control of our Company subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the SEBI Takeover Regulations.

Further, pursuant to Regulation 40 of the SEBI ICDR Regulations, the Equity Shares held by persons other than the Promoters prior to the Issue may be transferred to any other person holding the Equity Shares which are locked-in as per Regulation 37 of the SEBI ICDR Regulations, provided that lock-in on such Equity Shares will continue for the remaining period with the transferee and such transferee shall not be eligible to transfer such Equity Shares till the lock-in period stipulated under the SEBI ICDR Regulations has ended, subject to compliance with the SEBI Takeover Regulations, as applicable.

7. Our Company, our Directors, our Promoters and the Book Running Lead Manager have not entered into any buy-back and/or standby and/or similar arrangements for the purchase of Equity Shares from any person.
8. Neither Book Running Lead Manager to the Issue nor any associate thereof hold any Equity Shares in our Company.
9. As on the date of this DRHP, our Company has 8 (eight) shareholders.
10. Except as stated in "*Our Management*" beginning on page 141 of this DRHP, none of our Directors or Key Management Personnel hold any Equity Shares in our Company.
11. Our Company has not made any public issue or rights issue of any kind or class of securities since its incorporation.
12. Our Company does not have any employee stock option or employee stock purchase scheme.
13. As on the date of filing of this DRHP, there are no outstanding warrants, options or rights to convert debentures, loans or other instruments which would entitle Promoters or any shareholders or any other person any option to acquire our Equity Shares after this Initial Public Offer.
14. No further issue of capital by way of issue of bonus shares, preferential allotment, rights issue or public issue or in any other manner which will affect the equity capital of our Company, shall be made during the period commencing from the filing of this DRHP to the date on which the Equity Shares allotted pursuant to the Issue are listed or application moneys refunded on account of the failure of the Issue.
15. The Equity Shares offered in the present Issue will be fully paid up at the time of allotment.
16. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
17. An over-subscription to the extent of 10% of the Net Issue to Public can be retained by our Company for the purpose of rounding off to the nearest integer during finalizing the allotment, subject to minimum allotment, which is the minimum application size in this Issue. In such an event, the amount of post issue paid equity share capital of our Company will be increased to the extent of over-allotment.

- 18.** The present Issue is made in terms of Chapter XB of SEBI ICDR Regulations read with Rule 19(2)(b)(i) of Securities Contracts (Regulation) Rule, 1957 wherein not less than twenty five percent of post Issue paid up equity share capital of our Company is being offered to the public for subscription.
- 19.** Except for reservation of [●] Equity Shares in favour of Market Maker, no reservation of Equity Shares offered in the present Issue is made in favour of any other person(s).
- 20.** The allocation and allotment in Retail Individual Investors Category and Other Investors Category shall be decided by our Company in consultation with the BRLM and Designated Stock Exchange subject to compliance with the provisions of SEBI ICDR Regulations. In case of under-subscription in either category, spill-over to the extent of under-subscription from other category will be made.
- 21.** Our Company shall ensure that transactions, if any in Equity Shares of our Company by our Promoters and members of the Promoter Group between the date of registering the Red Herring Prospectus with the RoC and the Issue Closing Date are reported to the Stock Exchange within 24 hours of such transactions being completed.

Our fund requirements and deployment thereof are based on the estimates of our management. These are based on current circumstances of our business and are subject to change in light of changes in external circumstances or costs, or in our financial condition and business or strategy. Our management, in response to the dynamic nature of the industry, will have the discretion to revise our business plan from time to time and consequently our funding requirement and deployment of funds may also change. This may also include rescheduling the proposed utilization of Proceeds and increasing or decreasing expenditure for a particular object vis-à-vis the utilization of Proceeds. In case of a shortfall in the Net Proceeds, our management may explore a range of options which include utilisation of our internal accruals, debt or equity financing. Our management expects that such alternate arrangements would be available to fund any such shortfall.

Deployment of Funds and Sources of Funds

M/s. Patel & Jesalpura, Chartered Accountants vide their certificate dated October 14, 2017 have confirmed that as on August 31, 2017, no funds have been deployed by our Company towards the Objects.

Proposed Deployment of Funds

Our Company plans to deploy the funds towards the above stated Objects during FY 2018 and FY 2019, depending upon various factors including the actual timing of the completion of the Issue and the receipt of the Net Proceeds. (A) Setting up of a coil manufacturing facility at Survey Number 194/2, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721

Our Company intends to set up an in-house manufacturing facility of condenser coil and evaporator coil as a part of backward integration of our manufacturing operations at Survey Number 194/2, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721, admeasuring 2,759 square yards. This facility is taken on leave & license basis from Gajanand Foods Private Limited at a license fee of ₹ 55,180 per month.

At present, our Company procures condenser coil from the domestic markets, while a majority of suppliers of evaporator coil are located overseas. The condenser coils and the evaporator coils are an essential component of the condenser and evaporator respectively, which are integrated into the refrigeration equipment. Due to irregular delivery time from suppliers and unpredictable pattern of consumption, our Company is required to maintain a substantial quantity of stock of these coils, resulting into higher inventory carrying cost.

In order to improve production efficiencies and reduce lead time in procurements, our Company plans to set up the coil manufacturing facility at an estimated cost of ₹ 624.20 Lakh. The detailed bifurcation of cost is as follows:

(₹ in Lakh)

(B) Upgradation of the existing facilities at Survey Number 227, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 and Survey Number 226/126, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721

Our Company plans to upgrade the existing facilities at Survey Number 227, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 and Survey Number 226/126, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 by (i) Installing Laser Cutting Machine (ii) Upgrading the PUF foaming technologies (iii) Adding new models of Bulk Milk Chillers and (iv) Carrying out other ancillary improvements in the system assembly.

- (i) The installation of Laser Cutting Machine will enhance the product quality and improve the design & appearance of the final products. At present, the laser cutting work is outsourced which results in additional costs, delay in delivery and additional inventory carrying cost as compared to in-house laser cutting job. Our Company expects to optimize our production and rationalize our costs and stocks through in-house laser cutting jobs.
- (ii) The upgradation of the PUF foaming technologies will make our products more competitive in the market as our Company believes that this will reduce our raw material consumption cost.
- (iii) Our Company intends to upgrade our Bulk Milk Chillers' products by adding ancillary equipment to fabricate new models in 2000 litres, 3000 litres and 5000 litres capacities.
- (iv) Our Company also intends to increase the refrigeration system assembly capacity and upgrade the assembly line which will help to increase production efficiency with advanced technology tools.

Our Company plans to upgrade the existing facilities at Dantali at an estimated cost of ₹ 699.35 Lakh. The detailed bifurcation of cost is as follows:

6. Comparison of accounting ratios with other listed companies

We believe that there are no comparable listed companies of our size in India, which are engaged in the business of commercial and industrial refrigeration equipment manufacturing. There are large listed companies whose business segments cater to refrigeration equipment manufacturing but their business also includes activities other than refrigeration equipment manufacturing. Hence, their accounting ratios are not considered for comparing with industry peers.

STATEMENT OF POSSIBLE TAX BENEFITS

To

The Board of Directors

Ice Make Refrigeration Limited

Survey No. 226/227, Dantali Industrial Estate,
Gota - Vadsar Road, At. Dantali,
Near Ahmedabad City,
Gandhinagar, Gujarat 382721

Dear Sirs,

Subject: Statement of Possible Special Tax Benefits available to Ice Make Refrigeration Limited (the “Company”) and its shareholders prepared in accordance with the requirements under Schedule VIII – Clause (VII) (L) of the SEBI (ICDR) Regulations, 2009 as amended (“the Regulations”)

We refer to the proposed SME initial public offering of the equity shares (“Equity Shares”) of Ice Make Refrigeration Limited (the “Company”, and such offering, the “Offer”). We enclose herewith the statement showing the current position of special tax benefits available to the Company and to its shareholders as per the provisions of the Income-tax Act 1961, as amended, for inclusion in the Draft Red Herring Prospectus (“DRHP”), Red Herring Prospectus (“RHP”) and Prospectus (“Offer Documents”) for the proposed Offer.

Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Income-tax Act 1961. Hence the ability of the Company or its shareholders to derive these direct tax benefits is dependent upon their fulfilling such conditions.

The benefits discussed in the enclosed statement are neither exhaustive nor conclusive. The contents stated in the Annexure are based on the information and explanations obtained from the Company. This statement is only intended to provide general information to guide the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to the specific tax implications arising out of their participation in the issue. We are neither suggesting nor are we advising the investor to invest money or not to invest money based on this statement.

We do not express any opinion or provide any assurance whether:

- The Company or its shareholders will continue to obtain these benefits in future;
- The conditions prescribed for availing the benefits have been/would be met;
- The revenue authorities/courts will concur with the views expressed herein.

We hereby give our consent to include the enclosed statement regarding the tax benefits available to the Company and to its shareholders in the Offer Documents for the Offer which the Company intends to file and/or submit to the Securities and Exchange Board of India, Registrar of Companies and stock exchanges, provided that the below statement of limitation is included in the offer document.

LIMITATIONS

Our views expressed in the statement enclosed are based on the facts and assumptions indicated above. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. Reliance on the statement is on the express understanding that we do not assume responsibility towards the investors who may or may not invest in the Offer relying on the statement.

This statement has been prepared solely in connection with the Offer under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended.

ANNEXURE TO THE STATEMENT OF SPECIAL TAX BENEFITS AVAILABLE TO ICE MAKE REFRIGERATION LIMITED (“COMPANY”) AND ITS SHAREHOLDERS

The information provided below sets out the possible direct tax benefits available to the Company and its shareholders in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of the equity shares of the Company (“Equity Shares”), under the current tax laws presently in force in India. Several of these benefits are dependent on the Company and its shareholders fulfilling the conditions prescribed under the relevant tax laws. Hence the ability of the shareholders to derive the tax benefits is dependent upon fulfilling such conditions, which, based on commercial imperatives a shareholder faces, may or may not choose to fulfill. The following overview is not exhaustive or comprehensive and is not intended to be a substitute for professional advice.

INVESTORS ARE ADVISED TO CONSULT THEIR OWN TAX CONSULTANT WITH RESPECT TO THE INDIAN TAX IMPLICATIONS AND CONSEQUENCES OF PURCHASING, OWNING AND DISPOSING OF EQUITY SHARES IN THEIR PARTICULAR SITUATION.

Our views expressed in this statement are based on the facts and assumptions as indicated in the statement. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. Reliance on this statement is on the express understanding that we do not assume responsibility towards the investors who may or may not invest in the proposed issue relying on this statement.

This statement has been prepared solely in connection with the offering of Equity Shares by the Company under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended.

STATEMENT OF POSSIBLE DIRECT TAX BENEFITS AVAILABLE TO THE COMPANY AND TO ITS SHAREHOLDERS

I. Special tax benefits available to the Company

There are no special tax benefits available to the Company under the provisions of the Income Tax Act, 1961.

II. Special tax benefits available to Shareholders

There are no special tax benefits available to the shareholders under the provisions of the Income Tax Act, 1961.

NOTES:

1. The above position is as per the current tax law as amended by ‘The Taxation Laws (Second Amendment) Act, 2016’ and the proposed amendments contained in Finance Bill 2017 which is yet to be passed by the Parliament and receive the assent of the President.
2. This statement does not discuss any tax consequences in the country outside India of an investment in the Equity Shares. The shareholders / investors in any country outside India are advised to consult their own professional advisors regarding possible Income tax consequences that apply to them.

Overview of Indian Economy

Brief Overview

India's importance in powering global economic growth is expected to increase. The GDP growth is expected to remain at 7% for FY 2018 similar to previous fiscal despite GST implementation. The recent dip in inflation was contemporaneous with demonetisation led crimp in demand, low-base effect and a seasonal downside pressures on food, all of which are transitory. Inflation will rise further and CRISIL Research expects an average inflation of 4% in the current fiscal, which would be well within the RBI's target.

While the adverse impact of demonetisation on growth has more or less faded, the short-term disruptive impact of GST is playing out. However, the growth will continue to be consumption-led, given normal monsoon, softer interest rates and inflation, pay commission implementation by the states which will push up purchasing power and pent-up demand (demand postponed due to the demonetisation).

Key growth drivers for GDP

At around 58%, private consumption is the largest contributor to India's GDP. The nominal per capita GDP growth, which is used as a proxy for income growth, picked up in 2016-17 and rose to 9.6% on-year compared with 8.6% in the previous year. Correspondingly, the nominal per capital private final consumption expenditure, which is used as

a proxy for consumer spending, also grew by 11.2% in 2016-17 despite demonetisation compared with 8.3% in the previous year, indicating a pick-up in consumer demand after consecutive years of decline in spending growth.

Population and urbanisation on the rise

India's population stood at 1.2 billion as of 2011, registering an annual growth of 1.64% from 2001 to 2011 and a decadal growth of about 17.6%. It is further expected to grow by 13% from 2011 to 2021 at an annual CAGR of 1.18%.

As of 2011, India's urban population was 377 million, marking an annual growth of 2.8%; rural population stood at 833 million, growing annually at 1.16%. Urbanisation levels have risen from 28% in 2001 to ~ 31% in 2011. As of 2016, the total estimated population was 1,283 million, with an annual growth of 1.18% from 2011.

Source: Census 2011, CRISIL Research

The share of urban population in total population has been consistently rising over the years from 28% in 2001 to about 31% in 2011. As per a report by the United Nations, nearly 35-37% of India's population is expected to live in urban areas by 2021. Typically, rural populations migrate to cities for better job opportunities, education and better quality of life.

IIP growth improves in 2016-17

In 2016-17, the Index of Industrial Production (IIP) climbed 5% on-year to 121. This was primarily driven by a 5% growth in the manufacturing industry which was allocated a weightage of 77.6% as per the revised IIP index with base year 2011-12. Moreover, 9% growth in the consumer non-durable goods industry and 6% growth in electricity have supported growth in IIP.

Overview of refrigeration products in India

Refrigeration products can be broadly classified into four categories:

- (E) Cold rooms and storage products
- (F) Commercial refrigeration systems
- (G) Industrial refrigeration systems
- (H) Transport refrigeration systems

One or multiple types of these systems are deployed for temperature controlled handling and logistics. CRISIL Research estimates a 14-16% CAGR for Indian cold chain market over FY 2017-2022, which would be a key driver for growth of refrigeration products in India. The below are the key industries for refrigeration products:

Source: CRISIL Research

(A) Cold room and storage products

Cold rooms are preservation chambers, usually assembled at the deployment site to desired dimensions and cooling specifications of the end user. These chambers are generally built using insulating materials, such as polyurethane foam (PUF). The size of these chambers can vary from 20 square feet to over 10,000 square feet, depending on the scale and application. The below is the classification of cold rooms:

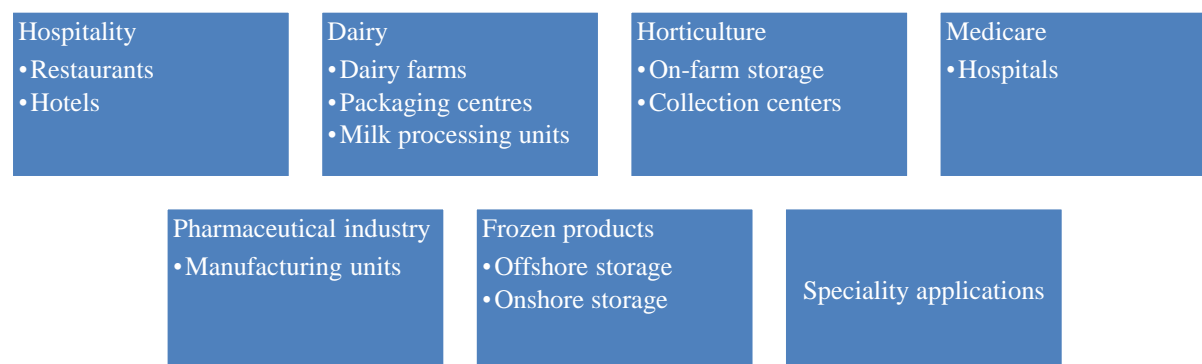

Classification of cold rooms

Modular cold rooms	Modular cold rooms are built in a flat-pack format and are easier to install. The materials used in these cold rooms are easy to clean and are food-safe. As a result, these rooms are commonly used in the food industry as well as other sectors that produce non-edible products
Combi cold rooms	These rooms have separate internal temperature zones / rooms. One of these is a chilling zone with temperatures in the range of 2 - 12° C. The other zone is a freezer having sub-zero temperatures
Walk-in cold room	As the name suggests, these rooms are large enough for a worker to navigate through it. These are deployed where a large storage capacity is required
Custom-built cold rooms	These are cold rooms built specifically as per the end-users' requirements and specifications. The deployment of these cold rooms generally involves an engineering fee payable to the designer or manufacturer

Source: CRISIL Research

Cold rooms find applications in Industries where the inventory is temperature-sensitive and require sub-zero temperatures for preservation.

Applications of cold rooms

(B) Commercial refrigeration products

Commercial refrigeration units are standardized temperature controlled storage systems, deployed at retail and commercial establishments.

Classification of commercial refrigeration systems

Source: CRISIL Research

Apart from these, there can be various types of refrigeration units specifically designed for certain applications, such as bar dispensers, commercial ice cream freezers and water dispensers.

Application of commercial refrigeration systems

Source: CRISIL Research

(C) Industrial refrigeration products

These are large-scale refrigeration units used for facilitating temperature controlled storage of large quantities of inventories. Industrial refrigeration systems are relatively similar, irrespective of their purpose. Industrial refrigeration equipment is fairly standardised in functional capability, and has common threads throughout the various parts and purposes of the machinery. This type of equipment traditionally employs the use of synthetic chemical-cooling agents, such as R22.

Components of industrial refrigeration systems

The main components to industrial refrigeration systems include coolants, coils, compressors, chambers and conductors. They are often subject to repair, as industrial refrigeration systems have to function perpetually to maintain a pre-defined temperature.

Location of industrial refrigeration systems

Large industrial chillers are commonly located in mechanical equipment rooms within the buildings close to the process in which they are cooling. Some industrial chillers may be located directly beside the process, depending on the size of the chiller and compressor. Some may even be placed completely outdoor. These refrigeration units find applications in large cold-storage facilities in the dairy, frozen products and ice-making segments.

Blast chillers/freezers

Blast chillers are used across the food industry to cool down the inventory in a short time to prevent contamination and increase the shelf life of the product, making it easier to transport. These chillers find applications in the packaged food, hospitality and industries.

(D) Transport refrigeration products

In cold chains, food-handling and distribution, products will be maintained at suitable conditions all the way to the point of sale, thus requiring transport and various kinds of storage. Transport refrigeration equipment is required to operate reliably in a much harsher environment than stationary refrigeration equipment. Due to the wide range of operating conditions and constraints imposed by the available space and weight, transport refrigeration equipment has lower efficiency than stationary systems. As a result, these systems are costlier to build and operate versus stationary systems.

Refrigerated trucks and trailers

These vehicles are refrigerated to maintain temperatures of 1.5 - 4° C for cold foods or -18 °C for frozen foods.

Refrigeration methods used in refrigerated trucks

Source: CRISIL Research

Railway Refrigeration

Most refrigerated railway cars use ice bunkers with water ice or ice-and-salt mixture. Recharging of ice is required at intermediate stations on the route. Nowadays, mechanical-refrigeration systems are being increasingly adopted, and they are provided with independent diesel generator sets so that refrigeration is independent of the car movement.

Marine Refrigeration

A special feature of marine transport is the varying climate, ranging from extreme hot to extreme cold, through which the ship has to pass during the course of its journey. As a result, marine vessels usually need on-board refrigeration for supplies as well as cargo storage in some cases. These systems can be in the form of on-board commercial refrigeration units as well as full-fledged cold rooms in some cases.

Air Refrigeration

Refrigerated air transport of some commodities can be justified on the basis of savings in terms of time and preservation of quality. In some passenger aircraft, the cargo compartments are cooled by the air-conditioning system. In cargo aircraft, perishables are cooled before the shipment. For transit refrigeration, refrigerant packages of water ice, dry ice or other substances are used, if necessary.

Overview of the Indian Logistics Industry

According to Press Information Bureau (PIB) as of May 2017, India's logistics cost as a % of GDP is 13-14%. Considering only segments such as road freight, rail freight, coastal freight, warehousing, cold chain and container freight stations / inland container depots (CFS / ICD), CRISIL Research estimates the Indian logistics industry comprising segments at Rs 6.4 trillion as of 2016-17. CRISIL Research expects the industry to grow at ~13% compound annual growth rate (CAGR) to reach Rs 9.2 trillion by 2019-20. While various modes of transport, such as roads, rail and coastal, are expected to grow at a combined CAGR of ~13%, verticals such as warehousing, cold storage and CFS / ICD will likely expand 11-12%.

The industry is dominated by transportation, which accounts for ~88%, and its share is expected to remain high at 88% over the next 3-4 years. Improved infrastructure in segments such as warehousing, cold storage and CFS/ICD,

coupled with the evolving regulatory environment and changing consumer behaviour are expected to spearhead the industry's growth. For the purpose of analysis of the logistics industry, the value-added services are included in cold chain, warehousing and CFS / ICD.

Review and outlook of temperature controlled warehousing (TCW) in India

Temperature controlled warehouses play an important role in reducing post-harvest losses. Storage of products at controlled temperature, helps reducing wastages and spoilages. Apart from preserving the quality of the product, cold storages are key to minimizing fluctuation in prices. In the absence of cold storage facilities, farmers are forced to sell their produce immediately after harvest, which results in situations of oversupply, resulting in lower price realisations. Availability of adequate cold storage facilities gives farmers the opportunity to gain from remunerative prices. Consumers too benefit as a result of stable prices and better quality of perishable commodities.

Temperature-controlled warehouses that account for 90% of the overall cold-chain industry are projected to grow at a compound annual growth rate (CAGR) of 14-16% over the next five years, driven by proliferation of quick-service restaurants (QSR), organised retail and rising demand for processed foods. Mirroring this will be overall industry growth, likely to touch Rs 505 billion in 2021-22, from Rs 249 billion in 2016-17. Government's policies and schemes- in the form of capital subsidies, grant of infrastructure status to the industry, and viability-gap funding- will aid growth. CRISIL Research interaction with players indicates that though the time taken to avail of the subsidies has declined over the past two years, it continues to be high at 1.0 - 1.5 years. The TCW segment's revenue will be led by multipurpose cold storage and its share in the total revenue is pegged to rise from 77-79% in 2016-17 to 84-86% by 2020-21.

Growth in cold-chain industry to be propelled by TCW segment

CRISIL Research expects volumes handled by temperature controlled warehouses (TCWs) to increase 5-6% on-year to 30 million tonnes in 2017-18, driven by 12-13% growth in multipurpose cold storages (accounting for ~30% in volume share). Gradual decline in the share of single commodity or potato cold storages is expected to contribute to volume growth of multipurpose cold storage facilities. Within the multipurpose segment, CRISIL Research estimates organised players (less than 10% of the overall cold storage market) to witness faster volume growth than the unorganised ones. Volume in multipurpose cold storages is expected to increase at 12-13% compound annual growth rate (CAGR) over 2016-17 to 2021-22. Accordingly, CRISIL Research estimates volume in cold storages to increase at a CAGR of 6-7% by 2021-22.

Revenue from TCWs to rise steadily

Revenue for TCWs is projected to increase 13-14% in 2017-18 and at 14-16% CAGR over the next five years, driven by 5-6% and 4-5% CAGR in volumes and rentals, respectively, aided by rising share of high rental-driven multipurpose cold storages. CRISIL Research expects the share of multipurpose cold storages to expand to 84-86% in 2021-22 from 77-79% in 2016-17.

Review and outlook of multi commodity cold storages in India

Multipurpose cold storages are where potatoes, fruits and vegetables and frozen products can be stored at the same time. Over the next five years, multipurpose cold storages will gradually gain volume share over single-commodity (potato) cold storages on faster growth in the production of fruits, vegetables and dairy products versus potatoes, and early payback in multipurpose cold storages. Within the multipurpose segment, CRISIL research estimates organised players (which constitute sub-10% of the overall cold-storage market) to witness faster volume growth than the unorganised players. CRISIL Research estimates the share of multipurpose cold storages to increase from ~30% in 2016-17 to 35-40% in 2021-22.

Frozen products, agro-products, dairy and pharmaceutical products constitute 80-90% of volume that gets stored in multipurpose facilities. The share of single-potato cold storages is expected to gradually decrease on account of lower payback period, lower rentals and stretched profitability. Yet, single-commodity potato cold storages will hold a dominant volume share; however, due to low rentals, they account for just 15-17% in value terms. Over the next five years, multipurpose cold storages are expected to gradually gain volume share over single commodity (potato) cold storages owing to the following reasons:

- Growth in production of multipurpose cold storages (fruits and vegetables, frozen products and pharmaceuticals) will outpace potatoes.
- Strict regulations by Food Safety and Standards Authority of India (FSSAI) to maintain the optimum quality of products owing to stringent import regulations of foreign countries.
- The share of single purpose or potato cold storages is expected to gradually decrease on account of lower payback period, low rentals and stretched profitability.
- Early payback in multipurpose cold storages will aid investments in multipurpose warehouses.

Note: E: Estimated, P: Projected (Based on volume)

Source: Industry, CRISIL Research

Multipurpose cold storages to lead growth in value terms

Multipurpose cold storage volumes are expected to rise at a faster pace of 6-7% CAGR compared with single commodity cold storage volumes estimated to increase 1-2% CAGR by 2021-22. Rentals for multipurpose cold storages are projected to increase at 4-5% CAGR between 2016-17 and 2021-22 compared with rentals of single commodity (potatoes) cold storages which are expected to remain flat. Effective August 2016, rentals of single commodity cold storages in West Bengal have increased by Rs 14 to around Rs 148 per quintal. Although demand (in volume) will rise for multipurpose cold storages in the long term, rentals are expected to be under pressure owing to competition among the organised players.

E: Estimated; P: Projected (Based on value)

Source: CRISIL Research

Key commodities stored in organized multipurpose cold storages

Frozen products, quick service restaurants (QSR), imported fruits and vegetables are the major volume contributors. Frozen products are largely for the exports markets. For QSR and imported fruits and vegetables, majority volume is stored for the domestic market. Increasing exports of frozen vegetables such as aubergine, cucumber and onion are likely to contribute to volume as well as value growth of multipurpose cold storages.

Increase in exports of frozen products, fruits and vegetables, pharmaceuticals and rising QSR outlets will drive volume growth in the multipurpose facilities. Also rising exports and consumption of frozen products will drive growth. CRISIL Research expects a 12-17% increase in store additions of chained QSRs. Rise in imports of fruits and vegetables, and increasing demand for frozen and processed foods will support growth.

(i) Based on volumes

(ii) Others include floriculture and confectioneries

Review and outlook of temperature controlled vehicles (TCV) in India

Temperature controlled vehicles play an important role in maintaining the quality of the product in-transit. Temperature controlled vehicles are equipped with active refrigeration for temperature controlled carriage of perishable products. Besides, modern refrigerated transport vehicles (reefer) are equipped with data logger to ensure continuous monitoring of temperature and global positioning system (GPS) to enable real-time tracking. While GPS facilitates real-time information about cargo, data logger ensures that the prescribed temperature is maintained even in transit and the quality of temperature-sensitive products is not compromised. Temperature controlled vehicles are broadly classified into primary haul vehicles and secondary haul vehicles:

- (A) Primary transportation: Primary transportation (long haul) involves movement of products/produce from the farm-gate to cold storage (hub). Generally, larger vehicles (>12 tonnes) are used to transport product / produce over long distances. CRISIL Research estimates that about 35-40 per cent of the vehicles are deployed for primary transportation.
- (B) Secondary transportation: Secondary transportation (last-mile) involves movement of product/produce from the distribution centre to the end-user / consumer. Generally, smaller vehicles (<12 tonnes) are used to transport product / produce over short distances. CRISIL Research estimates that about 60-65 per cent of the vehicles are deployed for secondary transportation.

CRISIL Research projects the revenue of temperature-controlled vehicles (TCVs) to grow at a slower compound annual growth rate (CAGR) of 6-8%, from FY 2017-2022, vis-à-vis 10-12% recorded in the previous corresponding period. Intense competition, and hence, pricing pressure will drag growth despite an anticipated surge in volumes.

The total revenue of the temperature-controlled vehicle (TCV) segment in India is estimated to have been at ~Rs 18 billion in 2016-17. Revenue billing in TCV is based on multiple factors, such as weight, volume characteristics of the cargo, the distance over which the cargo is transported, and the type of product transferred.

Growth trajectory of the TCV segment's revenue

Source: CRISIL Research

As per CRISIL Research interactions with market participants, the number of refrigerated transport (reefer) vehicles is currently estimated at about 15,000 units. A National Centre for Cold-chain Development (NCCD) study, which was released in September 2015, has indicated a requirement of 62,000 reefer vehicles. Though there is a huge requirement for reefer vehicles, CRISIL Research believes investments in reefer vehicles are limited, as the segment is highly fragmented, and, hence, results in low margins. Stiff competition and low preference of end-user industries to transport via reefers (as it increases costs) because of inability to recover restricts private players from investing in the segment.

Majority of reefer vehicles are deployed for secondary transportation

The bulk of refrigerated transport segment is fragmented with a large number of small private players focusing on select commodities or regions. About 60-65% of reefer vehicles are deployed for secondary transportation.

Share of ice cream and pharmaceuticals to increase in TCV volumes

Due to stringent USFDA regulations necessitating temperature-controlled conditions during the entire supply chain, CRISIL Research expects the volume share of pharmaceuticals and ice cream to increase in the overall TCV

volumes. In value terms, CRISIL Research expects the ice-cream industry to grow at CAGRs of 22-23% over 2015-16 to 2018-19, driven by rising milk prices; change in the product mix; rising share of branded products and increased consumption of value-added products. As increase in ice cream consumption and pharmaceutical products is expected to outpace that of frozen products, CRISIL Research expects the share of frozen products in the TCV segment to whittle down over the next five years.

TCV growth to be led by strong volume

Despite a strong volume increase expected aided by end-user industries, intense competition resulting in pricing pressure would lead to a moderate 6-8% revenue CAGR for TCV industry over FY 2017–2022, compared to 10-12% CAGR over the past five years. Volumes of TCV are expected to grow at a CAGR of 6-7% from 2016-17 to 2021-22 driven primarily by pharmaceuticals and frozen products which is largely for export markets as well as QSR in domestic markets. Among these, pharmaceutical segment would lead the growth because of increasing regulatory requirements by US FDA necessitating temperature controlled conditions during the entire supply chain including reefer vehicles. Realisations in the TCV segment are expected to grow at marginally at a CAGR of 1-2% over the same period. CRISIL Research interactions with market participants indicate that there is intense pressure on rentals especially in frozen products, ice cream as large numbers of unorganised players cater to the segment. On the other hand, rentals are comparatively higher for pharmaceutical products because of the sensitivity and quality that needs to be maintained.

Product mix in value terms

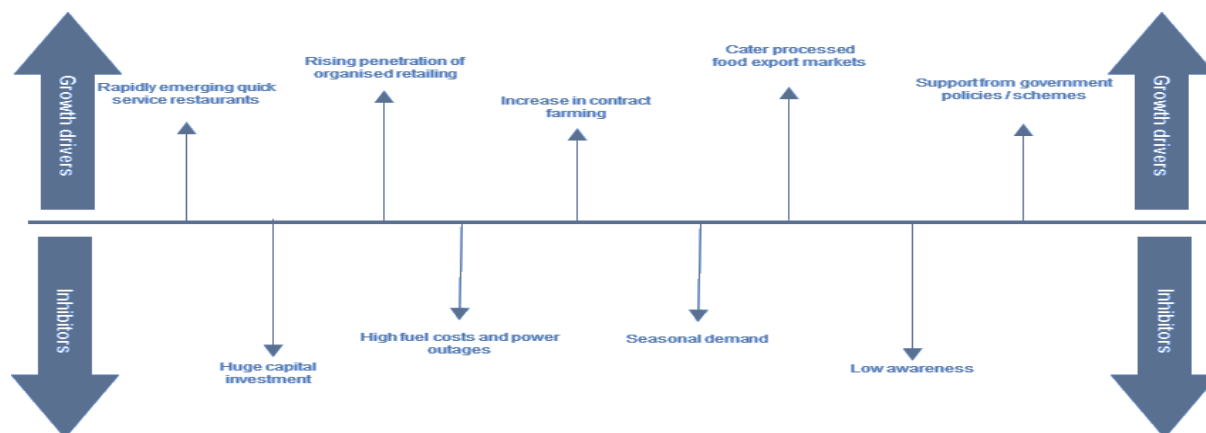

Notes:

- (i) Dairy products include butter, cheese and ice cream.
- (ii) Though potatoes comprise major chunk of volume share in cold storages, they do not reflect in the TCV segment, as potato distribution takes place through non-reefer transportation.

Growth drivers and inhibitors for cold chain industry in India

Cold chain industry: Key growth drivers and inhibitors

Key growth drivers

(A) Rapidly emerging quick-service restaurants

Time-pressed urban consumers are increasingly taking to ready-to-eat food, thereby boosting demand for preserved products, and benefiting the cold chain industry. Leading fast food chains utilise the industry's services. CRISIL Research estimates the size of the organised quick-service restaurant industry at Rs 136 billion in 2015-16, and forecasts it to grow at a compounded annual growth rate (CAGR) of 18-21% to Rs 200-250 billion by 2018-19, primarily driven by established players and relatively new entrants with plans to open new outlets.

(B) Rising penetration of organised retail and preference for processed foods

Growing urbanisation and rising per capita income is spurring growth of the organised retail industry, as consumption trends have moved in favour of frozen and fresh vegetables from malls and other retail outlets. Nearly half the average Indian's household expenditure is on food items. Food and grocery forms one of the largest verticals for organised retailers (accounting for 15-20%), comprising fruits, vegetables, milk and other dairy products, staples, cereals, processed foods, ready-to-eat meals, spices, and other edible products. The low organised retail penetration in the segment signals tremendous opportunity for organised players. However, managing the supply chain along with achieving economies of scale remains a challenge, owing to the products' perishable nature.

In India, consumers typically purchase fresh produce twice or thrice a week (on an average), from cart vendors who, in turn, buy from wholesalers. Retailers have identified this gap, and are bridging it by directly procuring from farms, thus breaking the chain and passing on cost savings to end-consumers. With the supermarket culture on the rise, cold storage businesses are set to grow further. CRISIL Research estimates that the food and grocery segment has grown 22% on-year in 2016-17, driven by new store additions. Supply chain management and cold storages are vital for modern retail today. Modern retailing formats require multiple sourcing and a centralised holding and dispatch system, followed by a decentralised sales network. Hence, strong growth in organised retail is expected to be one of the key growth drivers for the cold storage industry.

(C) Rise in contract farming

Contract farming enables production and supply of agricultural produce through contracts between producers and buyers. The commitment of a producer / seller to provide an agricultural commodity of a certain type and for a definite quantity, at a pre-defined time and price, forms the essence of such an arrangement. Many fast-moving consumer goods (FMCG) companies operating in India are increasingly engaging in contract farming. Growth in contract farming is expected to propel cold storage infrastructure in India, as under this arrangement, a buyer contracts to buy produce of a specific quality, and thus the producer has to ensure quality of the produce is maintained while it is stored.

(D) Spurt in exports of processed foods and frozen products

India exports a wide range of processed foods, including fresh and processed fruits and vegetables, frozen products, cereals, and other products such as jaggery, confectionery, sweet corn and pea. Processed fruits, vegetables and frozen products - the main users of cold storage facilities - form about half of India's total exports.

(E) Rising imports of fruits and vegetables

India's imports of fruits and vegetables from countries such as New Zealand and Indonesia have been on the rise. Modernised cold chain networks are required to maintain quality and taste of products. Also, India imports chocolate from Asian countries such as Thailand and Bangkok, and pharmaceutical industry's raw materials from the US. Both these products are highly sensitive, and hence, maintaining quality via modernised cold storages (especially pharmaceutical drugs regulated by importing countries) is of utmost importance.

(F) 100% FDI in food retail

India lacks proper infrastructure facilities for storage of fruits and vegetables and frozen products. Inadequate back-end infrastructure results in produce not being able to reach markets for sale and consumption. The government's

move to allow 100% foreign direct investment (FDI) in food retail in the Union Budget 2016-17, is expected to encourage foreign investments, and tap India's production potential for fruits, vegetables, and frozen products in a big way. It will also help reduce wastage, owing to lack of proper cold storage facilities. Players such as Amazon are expected to enter the food retail segment, while Big Basket and Grofers have plans to expand their market reach, pending FDI approvals.

(G) Governmental support

The government has taken a number of steps to augment cold chain infrastructure in the country:

- Capital investment in the creation of modern storage capacity has been made eligible for the viability gap funding (PPP-VGF) scheme of the finance ministry; funding is capped at 40% of overall project cost.
- In May 2015, the RBI classified loans to cold chain companies under 'agriculture activities' for priority sector lending (PSL), subject to sanctioned limit of Rs 1 billion per borrower.
- In 2011-12, the Reserve Bank of India (RBI) accorded infrastructure status to the cold storage industry to ensure its access to low-cost funds with longer tenure.
- In 2010-11, the government approved 100% FDI under the automatic route to attract foreign capital.
- The government is operating a number of schemes to boost investments in the cold chain sector.

(H) Key schemes under implementation

In March 2017, the government granted approval for creation of 101 integrated cold chain projects under Ministry of Food Processing Industries, for creation of cold chain, value addition, and preservation infrastructure. Total investment for these cold chain projects is estimated at Rs 31 billion, of which Rs 8.3 billion will be in the form of grants. These 101 cold chain projects will add storage capacity of 0.2 million MT, 115 MT per hour of individual quick freezing capacity, 56 lakh litres per day of milk processing, 210 MT per batch of blast freezing and 629 refrigerated / insulated vehicles.

	Ministry of Food Processing Industries (MFPI)	Mission of Integrated Development of Horticulture (MIDH)	Agriculture and Processed Foods Export Development Authority (APEDA)
Objective	Provide integrated cold chain and preservation infrastructure facilities without any break from the farm gate to the consumer.	Provide financial assistance for setting up cold storages, Modern pack houses, pre-coolers, reefer vehicles ripening chambers.	To encourage creation of cold storage infrastructure by providing financial assistance.
Eligible Parties	Individual, Groups of Entrepreneurs, Cooperative Societies, Self Help Groups (SHGs), Farmers Producer Organizations (FPOs), NGOs, Central / State PSUs	Individuals, group of farmers, partnership / proprietary firms SHGs, FPOs, Cooperatives, Local bodies, APMC and State Governments.	Private players and State Government agencies.
Scheme	Financial assistance @ 50% the total cost of plant and machinery and technical civil works in General areas and 75% for NE region including Sikkim and difficult areas (J&K, Himachal Pradesh and Uttarakhand) subject to a maximum of Rs. 100 million	Credit linked back ended subsidy @ 35% of the project cost in general areas and 50% in case of hilly and schedule areas is available. up to 5000 MT capacity will be promoted under NHM / HMNEH sub-schemes & capacity above 5000 MT upto 10000 MT will be promoted under NHB sub-scheme.	1. Provide up to 90% assistance of the eligible project cost to State Government Agencies.
			2. 40% of the cost of equipment subject to a ceiling of INR 25.00 lakh per beneficiary

	Ministry of Food Processing Industries (MFPI)	Mission of Integrated Development of Horticulture (MIDH)	Agriculture and Processed Foods Export Development Authority (APEDA)
Investments	As on August 2017, investments worth INR 18.3 billion have been approved out of which INR 8.60 billion have been disbursed.	As of 2016, INR 9.8 billion have been sanctioned for cold chain components.	In FY 2015, INR 450 million have been spent on grants / subsidies for development of infrastructure.

Note :

- a) National Mission on Food Processing (NMFP), was launched by MFPI during 12th Five Year Plan (2012-2017) for implementation through State/UT. The components of scheme included financial assistance for setting up of cold chain, value addition and preservation infrastructure for non-horticultural products, reefer vehicles etc. However, in the Union budget (2015-16), it was announced that the scheme be delinked from Central government support. The decision to continue with the scheme rests with the respective state governments.
- b) AMI (Agricultural Marketing Infrastructure), sub-scheme under Integrated Scheme for Agri Marketing (ISAM), which provides financial assistance in the form of back-ended subsidy has been put on hold w.e.f 5th August 2014. However, the scheme is available for SC/ST and North Eastern states.

- d) # NHB - National Horticulture Board

Key inhibitors

(C) Huge capital investment

Maintaining controlled temperature conditions necessitates investment in insulation equipment, making cold chain business a capital-intensive one. Excluding land cost, typical investment is Rs 5,000-6,000 per tonne for single-commodity potato cold storages, and about Rs 20,000-30,000 per tonne for multi-purpose commodity cold storages. For the temperature-controlled vehicles (TCV) segment, typical investment is Rs 2-3 million for a 8-10 tonne reefer vehicle.

(D) High fuel costs and irregular power supply

Fuel costs account for a major chunk (~ 50%) of operating costs in cold storages. Moreover, while cold storages are dependent on steady power supply to maintain temperatures, large parts of India face regular power cuts. Investment in power backup systems also increases overall costs, making it unviable for smaller players.

(C) Seasonal demand

Seasonal demand for fruits and vegetables makes the cold chain business susceptible to seasonal variations. However, catering to multiple commodities with varying seasonality helps avoid fluctuation in utilisation.

(D) Low awareness

The supply chain of most products is long and fragmented in India. Quality of temperature-sensitive products deteriorates, if not handled well. Thus, greater awareness on this aspect is required.

Regulations impacting players operating in refrigeration products

(A) Montreal protocol

The Montreal Protocol, finalised in 1987, is a global agreement to protect the stratospheric ozone layer by phasing out the production and consumption of ozone-depleting substances (ODS). Under the protocol, the signing countries have agreed to regulate the consumption of ozone-depleting refrigerants and chemicals, such as CFCs, HCFCs (hydro chlorofluorocarbons) and other chlorine- and bromide-based refrigerants. As a party to the protocol, India has phased out the use of CFCs and Halon, and steps are being taken to phase out the usage of HCFCs by 2030.

(B) Ozone depletion rules

The Government of India has formulated draft ODS regulations, termed as the Ozone Depleting Substances (Regulation and Control) Rules, which were published in the Gazette of India in 1998 for public comments and also circulated in the industry for advance intimation and comments. These have since been officially notified, before bring them formally in to effect in January 2000. As a result, manufacturers producing cold rooms and other refrigeration products have to adhere to these regulations when producing, procuring or trading refrigerants, which are classified as ozone-depleting substances.

(C) Key recent developments

According to a March 6, 2017, press release from the Ministry of Environment and Forests, the government of India launched Stage-II of Phase-Out Management Plan of Hydro chlorofluorocarbons (HPMP). The plan aims to gradually phase out the use of HCFC by 2030, starting with the phasing out 8,190 MT or 769.49 ODP tonne of HCFC consumption between 2017 and 2023.

This will be achieved by using USD 44.1 million from the multilateral fund for the implementation of the Montreal Protocol. About 400 enterprises, including more than 300 micro, small and medium enterprises in the foam manufacturing sector and six large air-conditioning manufacturing enterprises are expected to be supported under HPMP-II for conversion from HCFCs to non-HCFC technologies.

Incentives for players involved in refrigeration products in India

Government incentive schemes for end users of refrigeration products

The government of India has extended various excise subsidies, incentives and outright assistance schemes for cold storage deployment across the country through NCCD (National centre for Cold Chain Development), NHB (National Horticulture Board) and NABARD (National Bank for Agriculture and Rural Development), and also through various other programmes and schemes.

In the pre-GST regime, under the NCCD programme, cold rooms and reefer vehicles qualified for an excise duty waiver, if deployed for agricultural applications. Additionally, manufacturers of pallet-based cold storage products for agricultural applications were exempt from countervailing duties (CVD) and special additional duties (SAD). However, there is no update on how the pre-GST excise waiver program for refrigerated vehicles and cold rooms will be implemented in the current scenario.

Effect of GST implementation on the industry

Pre-GST scenario

In the pre-GST regime, manufacturers of refrigeration products were under the purview of multiple taxation authorities, namely excise, VAT and LBT (Local body taxes if applicable). Under the pre-GST regime, domestic manufacturers were at an inherent disadvantage due to the differential rates between customs duty and excise duty. For reference, the excise rate for refrigeration products components was set at 12.5% by the Department of Revenue, government of India, whereas the customs duty for similar imported components ranged between 7.5% and 10%. This was a major dampener for the margins of domestic refrigeration products manufacturers versus integrators and contractors using imported components.

Additionally, the VAT rates were in the range of 12-15%, depending on the state of sale. To complicate it further, differential taxation procedures for intra-state and inter-state transactions were a major dampener for small players. Moreover, the applicability of LBT in metros and other cities with local governing bodies added to the tediousness of the entire transportation and documentation process while hurting the overall margins of players as well.

Post-GST scenario

Effective July 1, 2017, the tax rates for refrigeration products as per the Goods and Service Tax Act 2017, are as follows:

Goods	GST rate
-------	----------

Refrigerated containers (reefers)	18%
Refrigerated motor vehicles	18%
Refrigerators, freezers and other refrigerating or freezing equipment, electric or other; heat pumps other than air-conditioning machines	28%

Source: CBEC

As seen above, based on the prevalent GST rates, domestic refrigeration product manufacturers stand to gain due to the consolidation of all taxes. At the same time, players using imported components for manufacturing stand to lose, as their margins are expected to be affected due to the additional 5-6 % tax burden. As a result, the GST will favour domestic manufacturers over integrators and contractors using imported components, further making a case for the 'Make in India' campaign supported by the government.

While there is an overall benefit for players manufacturing for domestic consumption, it remains to be seen how the GST regime works out for manufacturing units in designated economic zones that enjoy deemed export status. Also, due to the new GST rules, smaller players, which were earlier exempt from the excise duty, will have to compete on an even footing with larger players, and could see their margins hurt.

It is worth noting that refrigerated vehicles attract a lower tax rate of 18% under the new regime, compared with normal motor vehicles, which attract a minimum tax rate of 28 %. The pre-GST excise rate for refrigerated vehicles was 12.5%, in addition to the state value added tax (VAT), ranging from 12-14.5 %. This has caused a reduction in the effective tax rate on refrigerated vehicles.

OUR BUSINESS

This section should be read in conjunction with the sections “Risk Factors”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Financial Statements” beginning on pages 17, 233 and 161 of this DRHP, respectively. Our Restated Financial Information for FY 2017, FY 2016 and FY 2015 and for the 3 month period ended June 30, 2017, included in this DRHP is prepared in accordance with the Companies Act and restated in accordance with the SEBI Regulations. References to “Restated” below are to our Restated Standalone Financial Information for FY 2017, FY 2016 and FY 2015 and for the 3 month period ended June 30, 2017 All figures in this section are on a standalone basis, unless as specified otherwise.

Overview

We are a refrigeration equipment manufacturer, engaged in providing cooling solutions. We provide cooling solutions for cooling systems and accessories used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. We classify our business into the following 4 verticals: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. We operate our business verticals under the brand of “Ice Make”.

Our Company is promoted by Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel and Mr. Vipul I. Patel. Our promoters commenced the business in 2 firms (i) Ice Make Refrigeration (Proprietorship Firm) in 1993 and (ii) Hi Make Engineers (Proprietorship Firm) in 1997 (The name was thereafter modified to Colpan Poly Panel Industries). The running business of the 2 firms was taken over by way of a business transfer agreement in 2009.

Our Promoters, through the aforesaid firms, had initiated business as refrigeration equipment manufacturer by Commercial Refrigeration manufacturing in 1993 and forayed into Cold Room manufacturing in 2002 as well as Industrial Refrigeration manufacturing in 2003. Subsequently, our Company introduced Transport Refrigeration manufacturing in 2012. As per the Restated Standalone Financial Information for FY 2017, our top 5 products are: (i) Cold Room (ii) Commercial Freezer (iii) Chiller (iv) Refrigerated Vehicle and (v) Ice Cream Hardener.

In December 2016, we had acquired ‘Bharat Refrigerations Private Limited’, a company based in Chennai, engaged in a business similar to our business, which is now our wholly owned subsidiary. Bharat Refrigerations Private Limited is present in the above business verticals through the brands named ‘Bharat’ and ‘Trans Freez’.

The manufacturing facilities of our Company are located at Dantali, Gujarat and the manufacturing facilities of our Wholly Owned Subsidiary are located at Chennai, Tamil Nadu. Our dealers and associates are present in the cities of Bikaner, Cochin, Cuttack, Goa, Hubli, Jodhpur, Kolhapur, Kolkata, Nagpur, Patna, Pune, Pondicherry, Trivandrum, Kathmandu and Colombo. Our customers include leading and reputed names across each industry.

We have received external certifications such as ISO 9001: 2015 for management system, BS OHSAS 18001: 2007 for health and safety, AN ISO 14001: 2004 for friendly environment working atmosphere, CRISIL NSIC – CRISIL SE1B for excellence and DSIR for the in-house research and development laboratory of our Company.

On the basis of our restated standalone financial statements for FY 2017, FY 2016, FY 2015, FY 2014 and FY 2013, our total revenue was ₹ 8,788.28 Lakh, ₹ 7,182.07 Lakh, ₹ 5,061.84 Lakh, ₹ 3,925.93 Lakh and ₹ 4,048.26 Lakh respectively and our net profit was ₹ 510.89 Lakh, ₹ 264.34 Lakh and ₹ 93.41 Lakh, ₹ 89.05 Lakh and ₹ 82.96 Lakh respectively. For the 3 month period ended June 30, 2017, our total revenue was ₹ 2,305.19 Lakh and our net profit were ₹ 146.53 Lakh. On the basis of our restated consolidated financial statements for FY 2017, our total revenue was ₹ 8,823.57 Lakh and our net profit was ₹ 509.11 Lakh, whereas for the 3 month period ended June 30, 2017, our revenue was ₹ 2,308.27 Lakh and net profit was ₹ 140.93 Lakh.

On the basis of our restated standalone financial statements, our CAGR for total revenue from FY 2013 to FY 2017 is 21.0%, our CAGR for EBIDTA from FY 2013 to FY 2017 is 49.0% and our CAGR for net profit from FY 2013 to FY 2017 is 58.0%. On the basis of our restated standalone financial statements, our ROCE has increased from 14.0% in FY 2013 to 39.0% in FY 2017, our ROE has increased from 13.1% in FY 2013 to 34.6% in FY 2017. Additionally, our debt / equity ratio has reduced from 1.57 times in FY 2013 to 0.93 times in FY 2017 whereas our working capital days have increased from ~ 34 days in FY 2013 to ~ 41 days in FY 2017.

Key strengths

Manufacturers of wide range of refrigeration equipments

We offer a wide range of refrigeration equipments. We manufacture products under 4 categories: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. Over the years, our product offerings have evolved to include Cold Room, Glass Door Display Chiller, Refrigeration Systems, Incubation Chambers, Ripening Chambers, Pre-Cooling Chambers, Blast Freezers / Chillers, Water Chilling Plant, Brine Chilling Plant, Ice Building Tank, Chest Freezer, Chest Cooler, Vertical Cooler, Dairy Freezer, Bulk Milk Chiller, Ice Cream Hardener, Ice Candy Production Machine, Under Counter Refrigeration, Mortuary Chambers, Ageing Vat, Refrigerated Vehicles, Eutectic Van and Bunk House in these verticals. Our diversified product portfolio helps us reduce the risks of adverse market condition and dependence on any single product.

Well established manufacturing facilities

The manufacturing facility of our Company is located at Dantali, Gujarat and the manufacturing facility of our Wholly Owned Subsidiary is located at Chennai, Tamil Nadu. Our manufacturing facilities are equipped with the requisite infrastructure enabling us to produce high quality products in a cost efficient manner to the satisfaction and as per the standards of our domestic and international customers. Our production operations at our manufacturing facilities are managed by a team of skilled technical engineers with requisite technical know-how. With the expertise of these technical persons, we have developed many efficient production processes aimed to maximize yield and minimize costs. Over the years, we have evolved our production process to diversify into a wide range of products and create a low dependence on raw materials from the external sources.

Experienced Promoters and qualified technical team

We believe that our Promoters possess extensive knowledge and understanding of the refrigeration business and have the expertise and vision to organically and inorganically scale up our business. They are supported by our qualified technical team which includes several persons having an experience of more than 20 years in the refrigeration industry. We believe that our management bandwidth is efficient and we are able to segregate the responsibilities of the business within the promoters. Our Promoters have established the business direction of our Company and will continue to guide our Company in the expansion of our business with their experience.

Strong marketing and distribution network

We market, sell and distribute our wide range of products to a diverse set of customers based in India and abroad. We conduct our marketing arrangements through a strong and dedicated sales and marketing team which is supported by our Promoters. Over the years we have established our sales network in domestic and international markets. We operate on a two-way marketing strategy, (i) Direct customer sales and (ii) Sales through dealers. As on August 31, 2017, our marketing strength comprises of 38 employees and 60 dealers. We are present in Ahmedabad and Chennai while our dealers and associates are present in Bikaner, Cochin, Cuttack, Goa, Hubli, Jodhpur, Kolhapur, Kolkata, Nagpur, Patna, Pune, Pondicherry, Trivandrum, Kathmandu and Colombo. We currently export our products to Algeria, Philippines, Singapore, Sri Lanka, Uganda and UAE.

Providing customized solutions with a focus on after sales service

Our Company is able to provide products based on certain customer specifications and also has a robust after sales service. We customize certain products on the specifications received from the customer while some of our products are standardized as per the industry requirements. We focus on quality as well as on giving solutions to clients based on their requirement. We believe that our efficient after sales service has earned customer satisfaction, which has helped us to create a trustworthy brand for the Company. With our wide presence through our dealers and associates, we have delivered after sales service to the satisfaction of our clients. As per standard practices, we provide a one year warranty for all our products. On expiry of the said warranty period, our Company, either through its employees or through the support of its associates, provides after sales services.

Catering to clients from diverse sectors and industries

Our wide range of products has helped us cater to companies in various industries. We cater to industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. Over the past years, we believe that we have built a strong and diverse customer base.

Consistent delivery of quality products

We believe that we offer quality products to our customers. Through our efforts in improving our production processes, we have developed products suitable to the requirement of our customers. Due to the consistency of our product quality, we are able to effectively sell our products at competitive prices through prudent cost optimization. We believe that our customers are satisfied with our products and the after-sales services we offer.

Key strategies

Backward integration at Dantali to improve production efficiencies

At present, our Company procures condenser coil from the domestic markets, while a majority of suppliers of evaporator coil are located overseas. The condenser coils and the evaporator coils are an essential component of the condenser and evaporator respectively, which are integrated into the refrigeration equipment. In order to improve production efficiencies and reduce lead time in procurements, our Company plans to set up the coil manufacturing facility at Dantali as a backward integration to our process. This backward integration will enable us to reduce dependency of procuring coil from external suppliers, optimize manufacturing cost and provide us with a pricing advantage. We possess the requisite knowledge to manufacture the coils for meeting our demand. For further details, kindly refer the chapter titled “Objects of the Issue” beginning on page 76 of this DRHP.

Upgradation of existing facilities at Dantali and Chennai

Our Company plans to upgrade our existing manufacturing facility at Dantali by installing Laser Cutting Machine, upgrading the PUF foaming technologies, adding new models of Bulk Milk Chillers and carrying out other ancillary improvements in the system assembly. Our Company also plans to replace certain existing obsolete machineries at Chennai by installing auto controlled shearing machine and CNC press break machine, upgrading the existing refrigeration unit, purchasing pyramid type sheet bending machine and mig welding machine, upgrading the fabrication shop with new hand tools and pneumatic tools and investing in information technology and surveillance system, for increasing product efficiency and improving the quality of our products. For further details, kindly refer the chapter titled “Objects of the Issue” beginning on page 76 of this DRHP.

Continuous expansion of our product portfolio

We have the technical knowledge to consistently create new products. We shall continue to add new products to add value to our business and customers. We have used various research and development techniques to build and develop new equipment to the satisfaction of our customers. Some of these products have been well received by our customers. We believe that high-value added and technology-driven components will provide us with an early-mover advantage to improve the profit margin and continue as a preferred supplier to customers, giving us an opportunity to further consolidate our position with our customers and increase our market share.

Expanding our customer base within India

We focus to increase the reach of our products, to cover additional business locations. Our acquisition of Bharat Refrigerations Private limited is in line with our planned strategy of increasing the reach of our products. This acquisition has resulted in enhancement of our existing manufacturing facilities and has added our presence in South India. Our Company plans to strengthen our sales network in the domestic market by actively engaging with companies that are engaged in the dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail industries, which have specific applications for our products. In order to enhance timely delivery of products to other locations, we plan to hire or setup adequate warehousing facilities in strategic business locations in India. We believe that there is potential in the Indian refrigeration market and hence we shall channelise our efforts to gain greater market share of the Indian refrigeration market.

Expanding our presence in after sales services

We believe that our after sales services provide us significant growth opportunities. We provide after sales services with a view to serve our clients better. Our team of dedicated professionals is responsible for the day-to-day operations of our after sales services. For our after sales service, we are able to charge our customer for the product repaired / replaced and the efforts undertaken for providing the services. In addition to having better profit margins, expanding our after sales presence also ensures reinforcing our brand image and brand visibility.

The registered office of our Company is situated at B-1, Vasupujya Chamber, Near Navdeep Building, Income-Tax Road, Ahmedabad, Gujarat, India – 380009, whereas the corporate office as well as the manufacturing facility of our Company is situated at Survey Number 227, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721 and Survey Number 226/126, Dantali Industrial Estate, Gota Vadsar Road, Near Ahmedabad City, Taluka Kalol, District Gandhinagar, Gujarat, India – 382721, while the registered office and the manufacturing facility of our Wholly Owned Subsidiary is situated at 2/21 A, Kannaiappan Street, Shanti Nagar, Ramapuram, Opposite DLF, Chennai, Tamil Nadu, India – 600089. We classify our business into 4 verticals: (i) Cold Room (iii) Commercial Refrigeration (ii) Industrial Refrigeration and (iv) Transport Refrigeration. We provide erection and installation services as per customer requirement with an annual maintenance contracts for after-sales services. We usually provide a one year warranty for our products. We have dedicated service teams in many cities to facilitate servicing of the products. The peak season for the sale of our refrigeration equipment is generally considered to be from November to May. As per the Restated Standalone Financial Information for FY 2017, our direct channel business contributes 60.29% to our total revenue, our dealers channel business contributes 31.96% to our total revenue, our export contributes 1.62% to our total revenue and services contributes 6.13% to our total revenue.

We believe that our products form a significant part of the entire cold chain. Our products are used in various aspects such as for storing the raw materials in the cold room of warehouses, for transportation through mobile pre cooling, for blast chilling, for blast freezing, for cold storage at the distributor / dealer, for transporting through refrigerated vehicles to wholesaler and retailer and for retail market distribution, as below:

Business verticals

(C) Cold Room

Our Promoters commenced Cold Room manufacturing in 2002. As per the Restated Standalone Financial Information for FY 2017, our Cold Room vertical contributed 63.41% to our total revenue. The product range comprises of Cold Room PUF Panels, Cold Room Doors, Condensing Units, Evaporator Units, Control Panels, Incubation Chambers, Ripening Chambers, Pre-cooling Chambers, Blast Freezers and Blast Chillers. We manufacture Cold Room products in the thickness of 60 mm to 150 mm, which can be customized as per the customer requirement. We provide customized cooling solutions for storage with temperature of + 15° C to - 40° C

for all type of products. The Cold room products are used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others.

(D) Commercial Refrigeration

Our Promoters commenced Commercial Refrigeration manufacturing in 1993. As per the Restated Standalone Financial Information for FY 2017, our Commercial Refrigeration vertical contributed 14.41% to our total revenue. The product range comprises of Chest Freezers, Chest Coolers, Vertical Coolers, Dairy Freezers, Bulk Milk Chillers, Mini Blast Freezers, Chillers, Ice Cream Hardeners, Ice Candy Production Machines, Under Counter Refrigerations, Mortuary Chambers, Pasteurized tank and Ageing Vat, standardized or customized as per customer requirement. The Commercial Refrigeration products are used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospitality and retail, among others.

(C) Industrial Refrigeration

Our Promoters commenced Industrial Refrigeration manufacturing in 2003. As per the Restated Standalone Financial Information for FY 2017, our Industrial Refrigeration vertical contributed 13.49% to our total revenue. The product range comprises of Water Chilling Plants, Brine Chilling Plants and Ice Building Tanks. The range of

our Water Chilling Plants are generally from 5 TR to 200 TR while the range for our Ice Building Tanks are generally from 5000 liters to 1,00,000 liters, as per customer requirement. The Industrial Refrigeration products are used in industries such as dairy, ice-cream, food processing, pharmaceuticals and hospitality among others.

(D) Transport Refrigeration

We commenced Transport Refrigeration manufacturing in 2012. As per the Restated Standalone Financial Information for FY 2017, our Transport Refrigeration vertical contributed 5.75% to our total revenue. The product range comprises of Refrigerated Vehicles, Refrigerated Eutectic Vans, Insulated Containers and Bunk Houses. We provide a temperature range of +12°C to -25°C for perishable foods on Small Trucks, Mini Trucks and Heavy Loading Trucks. The Transport Refrigeration products are used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, hospital, hospitality and retail, among others.

Our products

Sr. No.	Product Name	Application
		Cold Room
1	Cold Room / Storage	Used for storing perishable goods for longer time frame. It helps to protect goods from extreme temperature fluctuations.
2	Glass Door Display Chiller	Suitable for display and storing cake pastries, chocolates, beverages, dairy items, fruits and vegetables, medicines on desired temperature range from 2 °C to 8 °C.
3	Refrigeration Systems: Evaporator Unit, Condensing Unit, Electric Control Panel	Our refrigeration systems are used for cold room application to maintain various temperature ranges.
4	Incubation Chambers	Our curd incubation chamber is used to produce curd.
5	Ripening Chambers	Our Ripening chambers are widely used in food processing and agro business sectors for ripening of fruits such as Mango, Banana and Papaya.
6	Pre-Cooling Chambers	Our pre-cooling chambers are widely used in agro, dairy and frozen food industry to pre - cool the products for preserving the quality of texture and essence, including the nutrition value over

		long time.
7	Blast Freezers / Chillers	Our blast freezer / chiller is an essential cooling system to extend the shelf-life of food as it helps to meet food hygiene standards, preserving the quality of foods and reducing food waste
Commercial Refrigeration		
8	Chest Freezer, Chest Cooler, Vertical Cooler	Our freezers are used to store all perishable foods at desired temperature and widely used in retail shops and restaurant kitchen.
9	Dairy Freezer	Our dairy freezers are used to store all milk made products such as matho, srikhand, basundi, and pulp at desired temperature and widely used in retail shops and restaurant kitchen.
10	Bulk Milk Chiller	Our bulk milk chiller has a capacity ranging from 250 litres to 5000 litres which is used to cool milk at 4°C and to maintain freshness of milk
11	Ice Cream Hardener	Our hardener is a product for ice cream and frozen food industry. These machines are widely used for hardening of all type of ice cream, ice candy, frozen food and packed food.
12	Ice Candy Production Machine	Our ice candy production machine is widely used in candy making industry to produce ice candy.
13	Under Counter Refrigeration	Our under counter refrigerators are an essential system widely used in retail shop and restaurant kitchen. The top compartment is used to prepare food ingredient and the bottom compartment is used to store foods and beverages at desired temperature.
14	Mortuary Chambers	Our mortuary chamber is used to store dead bodies for long period of time and it helps to avoid bacterial and other contamination to cadaverous, which is stored under cool condition to prevent decomposition.
15	Ageing Vat	Our Ageing vat is used to cool down ice cream mix and to maintain temperature of around 4°C and it helps to improve flavour, creaminess, texture, overrun and melting resistance of ice cream.
Industrial Refrigeration		
16	Water Chilling Plant	Our water chillers are used for mineral water chilling, process cooling, oil cooling and in HVAC industries. The temperature range is from +15 °C to 0 °C
17	Brine Chilling Plant	Our brine chillers are used for process cooling. The temperature range is from 0 °C to -25 °C
18	Ice Building Tank	Our ice building tank is a system that stores energy in the form of ice. It is used in the dairy industry for quickening the process with certain limit of power load.
Transport Refrigeration		
19	Refrigerated Vehicle	Our pre-fabricated refrigerated container is mounted on vehicle chassis for transportation with temperature range +12 °C to -25 °C for all perishable foods.
20	Eutectic Mobile Container	Our eutectic refrigerated container is designed for multi deliveries of ice cream, frozen foods, bakery products and fruits and vegetables distribution.
21	Bunk House	Our bunk house is widely used in remote locations to store perishable foods for a longer duration and it is easy to shift anywhere.

Our manufacturing process

Our entire manufacturing process is undertaken in-house and generally involves: (i) Understanding the customer requirement to assess the need to customize the product design (ii) Fabricating the panel from polyurethane foam (PUF) (iii) Integrating the compressor, condenser, evaporator and expansion devices (iv) Assembling the product as per customer requirement (v) Temperature testing and (vi) Finishing, checking and product dispatch.

We manufacture the refrigeration equipment panel from polyurethane foam (PUF), in-house, which forms an integral component of the refrigeration equipment. Our refrigeration system consists of several equipments like compressor, condenser, evaporator, expansion devices and refrigerant gases. The compressor is used to compress the refrigerant from the evaporator and to raise its pressure so that the corresponding temperature is higher than that of the cooling medium. At present, we externally procure compressors, expansion devices, refrigerant gases, condenser coils and evaporator coils. The condenser coils and evaporator coils are fitted with the requisite equipment to fabricate the condenser and evaporator respectively. The condenser is used in the high pressure side of a refrigeration system to remove heat of the hot vapour refrigerant discharged from the compressor. The evaporator is used in the low pressure side of a refrigeration system to absorb heat from the surrounding location which is to be cooled by a refrigerant. The expansion device divides the high pressure side and the low pressure side of a refrigeration system and is connected between the receiver and the evaporator.

The product is assembled by integrating the refrigeration system with the panel. The process is different depending whether the product is a Cold Room, a Commercial Refrigeration system, an Industrial Refrigeration system or a Transport Refrigeration system. The final product is tested for temperature, checked and dispatched.

Manufacturing facilities

Capacity utilization

The projected capacity utilisation is higher than the actual average capacity utilisation by more than 25% during the previous 3 years. Our Company proposes to achieve the projected levels of capacity utilisation due to the increase in

demand of our products. Our capacity utilization is based on our sales forecast, which is the outcome of our understanding of the customer requirement and the feedback received from our sales and marketing team.

Key manufacturing resources

Plant and Machinery

We have installed the requisite machinery in our facilities such as CNC PUF Dispensing Machines, CNC Roll Forming Machine, CNC Punching Machine, CNC Bending Machine, PUF Panel Press, Corner Panel Press, Fabrication Line, Roll Forming Machine, Seaming Machine and others, to support our manufacturing operations. Most of the machinery used in our production facilities are manufactured in India and are readily available from such manufacturers. Except for scheduled maintenance shut downs, our units generally operate throughout the year. We schedule and carry out maintenance, repairing and servicing of our equipment at a regular intervals.

Raw Materials

We procure raw material domestically or through imports from our suppliers. We use raw materials such as Stainless Steel, PUF Chemical, Condensing Units, Evaporator Units, Condenser Coils, Evaporator Coils, Compressors, Exchangers, Copper Fittings, Refrigerant Gases, Heaters, Plywood, Colours, Cables and Pumps. All our raw materials are procured in required quantities from well-established and reputed suppliers at reasonable prices. In case of any delay in supplying, we have alternate vendors, who can meet our requirements.

Water

We rely on own borewell for water for our manufacturing and administrative facilities. Our consumption of water is around 15,000 liters per day at Dantali and around 1,500 liters per day at Chennai on a fixed rate basis.

Power

We rely on electricity from Uttar Gujarat Vij Company Limited (UGVCL) with a sanctioned load of 100 HP at Dantali. As back-up, we have installed diesel generating sets with a capacity of 207 KVA and solar panels with a capacity of 50 KWH at Dantali. We rely on electricity from Tamil Nadu Electricity Board (TNEB) at Chennai.

Environmental matters

We are committed to provide energy saving and eco-friendly products. For our raw material requirement in manufacturing process, we use PUF, an effective insulator that improves energy efficiency of storage rooms and reduces carbon emission. We abide by the extant environmental norms and strive to reduce HCFC emissions.

Quality control

Our Company has a team of dedicated, well qualified and experienced technical persons for quality assurance and quality control. We have a laboratory, well equipped to give reports for different stages of refrigeration and insulation. We have received many external certifications such as ISO 9001: 2015 for quality performance, BS OHSAS 18001: 2007 for health and safety, AN ISO 14001: 2004 for friendly environment working atmosphere, CRISIL NSIC – CRISIL SE1B for excellence and DSIR for our in-house research and development laboratory.

Planned preventive maintenance of equipment

Our Company has its own maintenance workshop with simple machine handling tools and is equipped to take care of preventive maintenance and breakdowns. Preventive maintenance is carried out at regular intervals.

Collaborations

Our Company has so far not entered into any technical or financial collaboration agreement with any parties.

Key marketing arrangements

Sales strategy

We operate on a two-way marketing strategy, (i) Direct customer sales and (ii) Sales through selling agents / dealers. As on August 31, 2017, our marketing strength comprises 38 employees and more than 60 dealers. We rely on repeat orders from existing customers as well as market our products through techno-commercial sales and marketing team of trained executives headed by our Promoters. We regularly participate in various national level and regional level trade exhibitions as well as publish product advertisements in various national magazines, directories, trade publications and other B2B portals. We also participate in tenders of various department of Central / State Government level as well as Co-Operative federations of different states of India.

Our customers

We have long-standing relationships with our customers from dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail. The sales from our top 10 customers for FY 2017 constituted 25.56% of our total revenue. Our customers include names such as Amul (Karia District Co-operative Milk Producers Union Limited), Haldiram Bhujawla Limited, Havmor Ice Cream Limited, Himalayan Food Park Private Limited, Kitchen Xpress Overseas Limited, Sankalp Recreation Private Limited, Sri Srinivasa Dairy Products Private Limited, TGB Banquets & Hotels Limited, Tirumala Milk Product Private Limited, Urmin Products Private Limited, Vadilal Industries Limited and Vimal Dairy Limited, among others.

Competition

The refrigeration industry operates in a highly competitive environment. We face competition from the unorganized sector as well as the large organized manufacturers based in India as well as other countries. However, on account of our product quality, competitive pricing, dedicated after sales service focus, strong customer relationships and our presence in the market for a long time, we are able to manage our competition.

Acquisition of Bharat Refrigerations Private Limited

On December 15, 2016, our Company entered into a Share Purchase Agreement with the shareholders of Bharat Refrigerations Private Limited, (i) Mr. T. M. Venu (ii) Mrs. R. Bharati and (iii) Mrs. V. Nithya, to acquire 100.00% equity share capital of Bharat Refrigerations Private Limited. Bharat Refrigerations Private Limited is engaged in the manufacture of Refrigeration equipment and has manufacturing facility, located at 2/21 A, Kanniappan Street, Shanti Nagar, Ramapuram, Opposite DLF, Chennai, Tamil Nadu, India – 600089. This facility measuring around 15,300 square feet has been taken on lease, from the abovementioned shareholders.

Other key resources

Human resources

Our manufacturing process requires an appropriate mix of skilled, semi-skilled and un-skilled labour. As on August 31, 2017, we have 224 permanent employees and 206 contract workers. Our existing and proposed manufacturing units are surrounded by industrial units and are well connected by railway networks and roads

The break-up of our employees is given below:

KEY INDUSTRY REGULATIONS AND POLICIES

In carrying on our business as described in the chapter titled “Our Business” beginning on page 114 of this DRHP, our Company is regulated by the following legislations in India. The following description is a summary of the relevant regulations and policies as prescribed by the Government of India and other regulatory bodies that are applicable to our business. The information detailed in this Chapter has been obtained from the various legislations, including rules and regulations promulgated by the regulatory bodies and the bye laws of the respective local authorities that are available in the public domain. The regulations and policies set out below may not be exhaustive and are only intended to provide general information to the investors and are neither designed nor intended to be a substitute for professional legal advice. For details of Government Approvals obtained by the Company in compliance with these regulations, kindly refer to the Chapter titled “Government and Other Approvals” beginning on page 255 of this DRHP.

We are a refrigeration equipment manufacturer, engaged in providing cooling solutions. We provide cooling solutions for cooling systems and accessories used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. We classify our business into the following four verticals: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. We operate our business verticals under the brand of “Ice Make”. We are required to obtain and regularly renew certain licenses/ registrations and / or permissions required statutorily under the provisions of various Central and State Government regulations, rules, bye laws, acts and policies.

Given below is a brief description of the certain relevant legislations that are currently applicable to the business carried on by us:

A. **Industry Related Regulations**

The Factories Act, 1948

The Factories Act regulates occupational safety, health and welfare of workers of the industries, in which 10 or more workers are employed on any day of the preceding 12 months and are engaged in the manufacturing process being carried out with the aid of power. The ambit of the Factories Act includes provisions as to the approval of factory building plans before construction or extension, investigation of complaints, maintenance of registers and the submission of yearly and half-yearly returns.

In addition, there are certain state specific labour laws which also need to be complied with by Indian Companies.

Gujarat Fire Prevention and Life Safety Measures Act, 2013 and the Gujarat Fire Prevention and Life Safety Measures Rules, 2014

Gujarat Fire Prevention and Life Safety Measures Act, 2013 is an act to make effective provisions for the fire prevention, safety and protection of life and property in various types of buildings and temporary structures which are likely to cause a risk of fire in different areas in the State of Gujarat. The Gujarat Fire Prevention and Life Safety Measures Act, 2013 was enacted to make provisions for fire service fees, constitution of a special fund and for the purposes connected or incidental therewith.

The Gujarat Fire Prevention and Life Safety Measures Rules, 2014 is issued under Section 57 of the Gujarat Fire Prevention and Life Safety Measures Act, 2013.

B. **LABOUR RELATED LEGISLATIONS:**

Gujarat Shops and Establishment Act, 1948

The Gujarat Shops and Establishment Act, 1948 regulates the conditions of work and employment in shops and commercial establishments and generally prescribe obligations in respect of registration, opening and closing hours, daily and weekly working hours, holidays, leave, health and safety measures and wages for overtime work.

The Employees State Insurance Act, 1948

The Employees State Insurance Act, 1948 (“ESI Act”) provides for certain benefits to employees in case of sickness, maternity and employment injury. All employees in establishments covered by the ESI Act are required to be

insured, with an obligation imposed on the employer to make certain contributions in relation thereto. Employers of factories and establishments covered under the ESI Act are required to pay contributions to the Employees State Insurance Corporation, in respect of each employee at the rate prescribed by the Central Government. Companies which are controlled by the Government are exempt from this requirement if employees receive benefits similar or superior to the benefits prescribed under the ESI Act. In addition, the employer is also required to register itself under the ESI Act and maintain prescribed records and registers.

Employees Provident Fund and Miscellaneous Provisions Act, 1952 (“EPF Act”)

Under the EPF Act, compulsory provident fund, family pension fund and deposit linked insurance are payable to employees in factories and other establishments. The legislation provides that an establishment employing more than 20 (twenty) persons, either directly or indirectly, in any capacity whatsoever, is either required to constitute its own provident fund or subscribe to the statutory employee’s provident fund. The employer of such establishment is required to make a monthly contribution to the provident fund equivalent to the amount of the employee’s contribution to the provident fund. There is also a requirement to maintain prescribed records and registers and filing of forms with the concerned authorities. The EPF Act also prescribes penalties for avoiding payments required to be made under the abovementioned schemes.

The Industrial Disputes Act, 1947 and Industrial Dispute (Central) Rules, 1957

The Industrial Disputes Act, 1947 (“ID Act”) was enacted to make provision for investigation and settlement of industrial disputes and for other purposes specified therein. Workmen under the ID Act have been provided with several benefits and are protected under various labour legislations, whilst those persons who have been classified as managerial employees and earning salary beyond a prescribed amount may not generally be afforded statutory benefits or protection, except in certain cases. Employees may also be subject to the terms of their employment contracts with their employer, which contracts are regulated by the provisions of the Indian Contract Act, 1872. The ID Act also sets out certain requirements in relation to the termination of the services of the workman’s services. This includes detailed procedure prescribed for resolution of disputes with labour, removal and certain financial obligations up on retrenchment. The Industrial Dispute (Central) Rules, 1957 specify procedural guidelines for lock-outs, closures, lay-offs and retrenchment.

manufacture or production of goods as specified hereinabove, file a memorandum of micro, small or medium enterprise, as the case may be, with the prescribed authority.

C. ENVIRONMENTAL REGULATIONS:

Our Company is also required to obtain clearances under the Environment (Protection) Act, 1986, and other environmental laws such as the Water (Prevention and Control of Pollution) Act, 1974, the Water (Prevention and Control of Pollution) Cess Act, 1977 and the Air (Prevention and Control of Pollution) Act, 1981, before commencing its operations. To obtain an environmental clearance, a no-objection certificate from the concerned state pollution control board must first be obtained, which is granted after a notified public hearing, submission and approval of an environmental impact assessment ("EIA") report and an environment management plan ("EMP").

Our Company must also comply at all times with the provisions of The Hazardous Waste (Management and Handling) Rules, 1989, as amended, and as superseded by the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008, and the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989.

1. Environment Protection Act, 1986 and Environment (Protection) Rules, 1986:

The Environmental Protection Act, 1986 is an "umbrella" legislation designed to provide a framework for co-ordination of the activities of various central and state authorities established under various laws. The potential scope of the Act is broad, with "environment" defined to include water, air and land and the interrelationships which exist among water, air and land, and human beings and other living creatures, plants, micro-organisms and property.

2. Water :

Legislations to control water pollution are listed below:

The ***Water (Prevention and Control of Pollution) Act, 1974*** prohibits the discharge of pollutants into water bodies beyond a given standard, and lays down penalties for non-compliance. The Water Act also provides that the consent of the State Pollution Control Board must be obtained prior to opening of any new outlets or discharges, which is likely to discharge sewage or effluent.

The ***Water (Prevention and Control of Pollution) Cess Act, 1977*** provides for the levy and collection of a cess on water consumed by persons carrying on certain industries and by local authorities, with a view to augment the resources of the Central Board and the State Boards for the prevention and control of water pollution constituted under the Water (Prevention and Control of Pollution) Act, 1974.

3. Air:

Legislations to control air pollution are listed below:

The ***Air (Prevention and Control of Pollution) Act, 1981*** requires that any individual or institution responsible for emitting smoke or gases by way of use as fuel or chemical reactions must apply in a prescribed form and obtain consent from the state pollution control board prior to commencing any activity. National Ambient Air Quality Standards (NAAQS) for major pollutants were notified by the Central Pollution Control Board in April 1994.

4. Hazardous Wastes:

Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2016:

These rules require that the occupier of the facility, that treats hazardous wastes, must properly collect, treat, store or dispose the hazardous wastes without adverse effects on the environment.

D. Tax Related Legislations

Income-tax Act, 1961

Income-tax Act, 1961 (“**IT Act**”) is applicable to every company, whether domestic or foreign whose income is taxable under the provisions of this Act or Rules made there under depending upon its ‘Residential Status’ and ‘Type of Income’ involved. Every assessee, under the IT Act, which includes a company, is required to comply with the provisions thereof, including those relating to tax deduction at source, advance tax, minimum alternative tax and like.

Central Goods and Services Tax Act, 2017

The Central Goods and Services Tax Act, 2017 (“**CGST Act**”) regulates the levy and collection of tax on the intra-State supply of goods and services by the Central Government or State Governments. The CGST Act amalgamates a large number of Central and State taxes into a single tax. The CGST Act mandates every supplier providing the goods or services to be registered within the State or Union Territory it falls under, within 30 days from the day on which he becomes liable for such registration. Such registrations can be amended, as well as cancelled by the proper office on receipt of application by the registered person or his legal heirs. There would be four tax rates namely 5%, 12%, 18% and 28%. The rates of GST applied are subject to variations based on the goods or services.

The Customs Act, 1962 and the Customs Tariff Act, 1975

The provisions of the Customs Act, 1962 and Rules made there under are applicable at the time of import of goods into India from a place outside India or at the time of export of goods out of India to a place outside India. The Customs Tariff Act, 1975 provides the rates at which duties of customs will be levied under the Customs Act, 1962.

Professional Tax

The professional tax slabs in India are applicable to those citizens of India who are either involved in any profession or trade. The State Government of each State is empowered with the responsibility of structuring as well as formulating the respective professional tax criteria and is also required to collect funds through professional tax. The professional taxes are charged on the incomes of individuals, profits of business or gains in vocations. The professional tax is charged as per the List II of the Constitution. The professional taxes are classified under various tax slabs in India. The tax payable under the State Acts by any person earning a salary or wage shall be deducted by his employer from the salary or wages payable to such person before such salary or wages is paid to him, and such employer shall, irrespective of whether such deduction has been made or not when the salary and wage is paid to such persons, be liable to pay tax on behalf of such person and employer has to obtain the registration from the assessing authority in the prescribed manner. Every person liable to pay tax under these Acts (other than a person earning salary or wages, in respect of whom the tax is payable by the employer), shall obtain a certificate of enrolment from the assessing authority.

The Gujarat State Tax on Professions, Trades, Callings and Employments Act, 1976 is applicable to the Company.

Central Excise Act, 1944

The Central Excise Act, 1944 (“**Central Excise Act**”) consolidates and amends the law relating to Central Duties of Excise on goods manufactured or produced in India. Excisable goods under the Act means goods specified in the Schedule to the Central Excise Tariff Act, 1985 as being subject to duty of excise. Factory means any premises, including the precincts thereof, wherein or in any part of which excisable goods are manufactured, or wherein or in any part of which any manufacturing process connected with the production of these goods being carried on or is ordinarily carried out. Under the Act a duty of excise is levied on all excisable goods, which are produced or manufactured in India as and at the rates set forth in the First Schedule to the Central Excise Tariff Act, 1985.

E. Other Legislations

Transfer of Property Act, 1882

The transfer of property, including immovable property, between living persons, as opposed to the transfer property by operation of law, is governed by the Transfer of Property Act, 1882 ("T.P. Act."). The T.P. Act establishes the general principles relating to the transfer of property, including among other things, identifying the categories of property that are capable of being transferred, the persons competent to transfer property, the validity of restrictions and conditions imposed on the transfer and the creation of contingent and vested interest in the property. Transfer of property is subject to stamping and registration under the specific statutes enacted for the purposes which have been dealt with hereinafter.

The T.P. Act recognizes, among others, the following forms in which an interest in an immovable property may be transferred:

- **Sale:** The transfer of ownership in property for a price, paid or promised to be paid.
- **Mortgage:** The transfer of an interest in property for the purpose of securing the payment of a loan, existing or future debt, or performance of an engagement which gives rise to a pecuniary liability. The T.P. Act recognises several forms of mortgages over a property.
- **Charges:** Transactions including the creation of security over property for payment of money to another which are not classifiable as a mortgage. Charges can be created either by operation of law, e.g. decree of the court attaching to specified immovable property, or by an act of the parties.
- **Leases:** The transfer of a right to enjoy property for consideration paid or rendered periodically or on specified occasions.
- **Leave and License:** The transfer of a right to do something upon immovable property without creating interest in the property.

Further, it may be noted that with regards to the transfer of any interest in a property, the transferor transfers such interest, including any incidents, in the property which he is capable of passing and under the law, he cannot transfer a better title than he himself possesses.

The Registration Act, 1908

The Registration Act, 1908 was passed to consolidate the enactments relating to the registration of documents. The main purpose for which the Act was designed was to ensure information about all deals concerning land so that correct land records could be maintained. The Act is used for proper recording of transactions relating to other immovable property also. The Act provides for registration of other documents also, which can give these documents more authenticity. Registering authorities have been provided in all the districts for this purpose.

The Indian Stamp Act, 1899

Stamp duty in relation to certain specified categories of instruments as specified under Entry 91 of the list, is governed by the provisions of the Indian Stamp Act, 1899 ("Stamp Act") which is enacted by the Central Government. All others instruments are required to be stamped, as per the rates prescribed by the respective State Governments. Stamp duty is required to be paid on all the documents that are registered and as stated above the percentage of stamp duty payable varies from one state to another. Certain states in India have enacted their own legislation in relation to stamp duty while the other states have adopted and amended the Stamp Act, as per the rates applicable in the state. On such instruments stamp duty is payable at the rates specified in Schedule I of the Stamp Act.

Instruments chargeable to duty under the Stamp Act which are not duly stamped are incapable of being admitted in court as evidence of the transaction contained therein. The Stamp Act also provides for impounding of instruments which are not sufficiently stamped or not stamped at all. Unstamped and deficiently stamped instruments can be impounded by the authority and validated by payment of penalty. The amount of penalty payable on such instruments may vary from state to state.

The Gujarat Stamp Act, 1958 are applicable to the Company.

The Indian Contract Act, 1872

The Indian Contract Act, 1872 (“**Contract Act**”) codifies the way in which a contract may be entered into, executed, implementation of the provisions of a contract and effects of breach of a contract. A person is free to contract on any terms he chooses. The Contract Act consists of limiting factors subject to which contract may be entered into, executed and the breach enforced. It provides a framework of rules and regulations that govern formation and performance of contract. The contracting parties themselves decide the rights and duties of parties and terms of agreement.

The Specific Relief Act, 1963

The Specific Relief Act is complimentary to the provisions of the Contract Act and the T.P. Act, as the Act applies both to movable property and immovable property. The Act applies in cases where the Court can order specific performance of a contract. Specific relief can be granted only for purpose of enforcing individual civil rights and not for the mere purpose of enforcing a civil law. ‘Specific performance’ means Court will order the party to perform his part of agreement, instead of imposing on him any monetary liability to pay damages to other party.

Competition Act, 2002

The Competition Act, 2002 (“**Competition Act**”) aims to prevent anti-competitive practices that cause or are likely to cause an appreciable adverse effect on competition in the relevant market in India. The Competition Act regulates anti-competitive agreements, abuse of dominant position and combinations. The Competition Commission of India (“**Competition Commission**”) which became operational from May 20, 2009 has been established under the Competition Act to deal with inquiries relating to anti-competitive agreements and abuse of dominant position and regulate combinations. The Competition Act also provides that the Competition Commission has the jurisdiction to inquire into and pass orders in relation to an anti-competitive agreement, abuse of dominant position or a combination, which even though entered into, arising or taking place outside India or signed between one or more non-Indian parties, but causes an appreciable adverse effect in the relevant market in India.

The Companies Act, 1956

The Companies Act, 1956 deals with laws relating to companies and certain other associations. It was enacted by the parliament in 1956. The Act primarily regulates the formation, financing, functioning and winding up of companies. The Companies Act, 1956 prescribes regulatory mechanism regarding all relevant aspects, including organizational, financial and managerial aspects of companies. It deals with issue, allotment and transfer of securities and various aspects relating to company management. It provides for standard of disclosure in public issues of capital, particularly in the fields of company management and projects, information about other listed companies under the same management, and management perception of risk factors. In the functioning of the corporate sector, although freedom of companies is important, protection of the investors and shareholders, on whose funds they flourish, is equally important. The Companies Act, 1956 plays the balancing role between these two competing factors, namely, management autonomy and investor protection.

The Companies Act, 2013

The Companies Act, 2013, has been introduced to replace the existing Companies Act, 1956 in a phased manner. The Ministry of Corporate Affairs has vide its notification dated September 12, 2013 has notified 98 Sections of the Companies Act, 2013 and the same are applicable from the date of the aforesaid notification. A further 183 Sections have been notified on March 26, 2014 and have become applicable from April 1, 2014. The Companies (Amendment) Act, 2015 has *inter-alia* amended various Sections of the Companies Act, 2013 to take effect from May 29, 2015. Further, vide the Companies (Amendment) Act, 2015, Section 11 of the Companies Act, 2013 has been omitted and Section 76A has been inserted in the Companies Act, 2013. The Ministry of Corporate Affairs, has also issued rules complementary to the Companies Act, 2013 establishing the procedure to be followed by companies in order to comply with the substantive provisions of the Companies Act, 2013.

The Trademarks Act, 1999

Under the Trademarks Act, 1999 (“**Trademarks Act**”), a trademark is a mark capable of being represented graphically and which is capable of distinguishing the goods or services of one person from those of others used in relation to goods and services to indicate a connection in the course of trade between the goods and some person having the right as proprietor to use the mark. A ‘mark’ may consist of a device, brand, heading, label, ticket, name

signature, word, letter, numeral, shape of goods, packaging or combination of colors or any combination thereof. Section 18 of the Trademarks Act requires that any person claiming to be the proprietor of a trade mark used or proposed to be used by him, must apply for registration in writing to the registrar of trademarks. The trademark, once applied for and which is accepted by the Registrar of Trademarks ("**the Registrar**"), is to be advertised in the trademarks journal by the Registrar. Oppositions, if any, are invited and, after satisfactory adjudications of the same, a certificate of registration is issued by the Registrar. The right to use the mark can be exercised either by the registered proprietor or a registered user. The present term of registration of a trademark is 10 (ten) years, which may be renewed for similar periods on payment of a prescribed renewal fee.

Foreign Trade (Development and Regulation) Act, 1992 ("FTA")

In India, the main legislation concerning foreign trade is the Foreign Trade (Development and Regulation) Act, 1992 ("**FTA**"). The FTA read along with relevant rules provides for the development and regulation of foreign trade by facilitating imports into, and augmenting exports from, India and for matters connected therewith or incidental thereto. As per the provisions of the Act, the Government:- (i) may make provisions for facilitating and controlling foreign trade; (ii) may prohibit, restrict and regulate exports and imports, in all or specified cases as well as subject them to exemptions; (iii) is authorized to formulate and announce an export and import policy and also amend the same from time to time, by notification in the Official Gazette; (iv) is also authorized to appoint a 'Director General of Foreign Trade' for the purpose of the Act, including formulation and implementation of the Export-Import ("**EXIM**") Policy. FTA read with the Indian Foreign Trade Policy provides that no export or import can be made by a company without an Importer-Exporter Code number unless such company is specifically exempt. An application for an Importer-Exporter Code number has to be made to the office of the Joint Director General of Foreign Trade, Ministry of Commerce.

REGULATIONS REGARDING FOREIGN INVESTMENT

Foreign investment in companies in the roadway transport industry is governed by the provisions of the FEMA read with the applicable regulations. The Department of Industrial Policy and Promotion ("**DIPP**"), Ministry of Commerce and Industry has issued 'Consolidated FDI' ("**FDI Policy**") which consolidates the policy framework on Foreign Direct Investment ("**FDI**"), with effect from August 28, 2017. The FDI Circular consolidates and subsumes all the press notes, press releases, and clarifications on FDI issued by DIPP till August 27, 2017. All the press notes, press releases, clarifications on FDI issued by DIPP till August 27, 2017 stand rescinded as on August 28, 2017. Vide an Office Memorandum dated June 5, 2017 ("**Office Memorandum**"), issued by Ministry of Finance, Department of Economic Affairs the Government of India has abolished Foreign Investment Promotion Board ("**FIPB**").

Foreign investment is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the approval route, depending upon the sector in which foreign investment is sought to be made. Subsequent to the abolition of FIPB, the work of granting government approval for foreign investment under the FDI Policy and FEMA Regulations has now been entrusted to the concerned Administrative Ministries/Departments. FDI for the items or activities that cannot be brought in under the automatic route may be brought in through the approval route. Where FDI is allowed on an automatic basis without the approval of the Government, the RBI would continue to be the primary agency for the purposes of monitoring and regulating Foreign Investment. In cases where Government approval is obtained, no approval of the RBI is required except with respect to fixing the issuance price, although a declaration in the prescribed form, detailing the foreign investment, must be filed with the RBI once the foreign investment is made in the Indian company.

The RBI, in exercise of its power under the FEMA, has also notified the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000 to prohibit, restrict or regulate, transfer by or issue security to a person resident outside India. The FDI Policy issued by the DIPP does not prescribe any cap on the foreign investments in the sector in which the Company operates. Therefore, foreign investment up to 100% is permitted in the Company under the automatic route. No approvals of the Administrative Ministries/Departments or the RBI are required for such allotment of equity Shares under this Issue. The Company will be required to make certain filings with the RBI after the completion of the Issue.

Notes to the Restated Standalone Summary Statements of Assets and Liabilities, Statement of Profits and Losses and Statement of Cash Flows:

1. Corporate Information:

Ice Make Refrigeration Limited is a company domiciled in India and incorporated under Companies Act, 1956. The company is engaged in the business of manufacturing cold rooms, freezer, refrigeration system and chilling plant etc. The company was converted from Private limited to Public limited on 29th August 2017.

2. Basis of Preparation:

The Restated Standalone Summary Statement of Assets and Liabilities of the Company as at June 30, 2017, March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 and the Related Restated Standalone Summary Statement of Profits and Losses and Restated Standalone Summary Statement of Cash Flows for the period ended June 30, 2017, March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 and other Financial Information (herein collectively referred to as "Restated Standalone Summary Statements") have been derived by the Management from the then Audited Standalone Financial Statements of the Company for the respective corresponding periods.

The financial statements are prepared and presented under the historical cost convention and evaluated on a going-concern basis using the accrual system of accounting in accordance with the accounting principles generally accepted in India (Indian GAAP) and the requirements of the Companies Act, 1956 (up to March 31, 2014), and notified sections, schedules and rules of the Companies Act 2013 (with effect from April 01, 2014), including the Accounting Standards as prescribed by the Companies (Accounting Standards) Rules, 2006 as per section 211(3C) of the Companies Act, 1956 (which are deemed to be applicable as Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of Companies (Accounts) Rules, 2014) The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

These Restated Statements and Other Financial Information have been prepared for inclusion in the Offer Document to be filed by the Company with the Securities and Exchange Board of India ('SEBI') in connection with proposed Initial Public Offering of its equity shares, in accordance with the requirements of:

(a) Sub-clause (i), (ii) and (iii) of clause (b) of Sub-section (1) of Section 26 of Part 1 Chapter III of the Act read with Rule 4 of Companies (Prospectus and Allotment of Securities) Rules, 2014; and

(b) relevant provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended (the "Regulations") issued by the Securities and Exchange Board of India ('SEBI') on 26 August 2009, as amended from time to time in pursuance of the Securities and Exchange Board of India Act, 1992.

These statements and other financial information have been prepared after incorporating adjustments for the material amounts in the respective years to which they relate.

3.1 Summary of significant accounting policies:

a. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible and Intangible Assets

All tangible and intangible Assets are valued at cost. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

c. Depreciation of tangible and intangible assets

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written down value (WDV) Method on all Assets. Depreciation is provided based on Useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

During the preceding years, the Company was providing depreciation on written down value basis at the rate prescribed in Schedule XIV of the Companies Act, 1956.

Pursuant to Companies Act, 2013 ('the Act') being effective from April 1, 2014, the Company has revised depreciation rates on tangible fixed assets as per useful life specified in Part 'C' of Schedule II of the Act and due to the same there has been a change in the estimated useful life of depreciable tangible assets which affects the depreciation in the current period and in each period during the remaining useful life of the assets. As the change is only in regard to accounting estimate requiring an adjustment of the carrying amount of tangible assets, the same do not require adjustment in the financial information for the years ended on March 31, 2014 and March 31, 2013. The Company has consistently calculated depreciation based on WDV method.

d. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangements of borrowings.

Borrowing cost directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

e. Inventories

The stock of raw materials is valued at cost. Work In Progress at estimated cost and finished goods is valued at lower of cost or net realizable value. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate related overheads.

f. Investments

Long term investments are carried at cost less provision for diminution, other than temporary, in value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

g. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods. The company collects excise taxes, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Sale of Services

Revenue from sale of services is recognized as and when the services are performed.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

h. Retirement and other employee benefits

Retirement benefit in the form of Provident fund and Employee's Contribution towards Employees' State Insurance Corporation (ESIC) is a defined contribution scheme. These contributions are charged to Profit and Loss statement. Leave encashment is charged to Profit and Loss account in the year in which it is payable.

For the year ended March 31, 2013, March 31, 2014 and March 31, 2015, gratuity was charged to statement of profit and loss on actual payment basis. In the year ended March 31, 2016 and March 31, 2017 the said obligation was charged based on contribution determined by Group gratuity scheme of LIC. However in the Restated Standalone Summary Statements, charge of gratuity for the respective years have been made based on the actuarial valuation reports to comply with As-15 Employee benefits.

i. Lease accounting

Operating Lease

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals on assets taken on operating lease are recognised as an expense in the statement of profit and loss. Initial direct cost in respect of the lease acquired is expensed out in the year in which such costs are incurred.

j. Foreign currency transaction

Foreign currency transaction and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

Exchange differences

All exchange differences are recognized as income or as expenses in the period in which they arise.

k. Income Tax

Tax expenses comprise current tax and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

l. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m. Provisions

A provision is recognized when the company has a present obligation as a result of past event. It is possible that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but disclosed its existence in the financial statements.

3.2 Segment Reporting

The Company's main activity is manufacturing of Cold Rooms, Freezer, Refrigeration Systems and chilling Plant etc. which constitutes a single reportable segment in the context of Accounting Standard – 17 "Segment Reporting" issued by the Institute of Chartered Accountants of India.

3.3 Information related to MSME

The company has not received any information from suppliers regarding their status under the Micro, Small and Medium Enterprise Development Act, 2006, and hence disclosure, if any, relating to amounts unpaid as at the year end together with the interest paid / payable as required under the said Act has not been given.

3.4 Defined Benefit Plan - Gratuity

The company has a defined benefit gratuity plan. The following table summarises the components of net benefit expense recognised in the restated standalone summary statements of profit and losses and the funded status and amount recognised in the restated standalone summary statements of assets and liabilities for the plan.

Explanatory Notes

1) Adjustment on account of provision for Gratuity

For the year ended March 31, 2013, March 31, 2014 and March 31, 2015, gratuity was charged to statement of profit and loss on actual payment basis. In the year ended March 31, 2016 and March 31, 2017 the said obligation was charged based on contribution determined by Group gratuity scheme of LIC. However in the Restated Standalone Summary Statements, charge of gratuity for the respective years have been restated based on the actuarial valuation reports to comply with As-15 Employee benefits.

2) Adjustment on account of Provision of Deferred Tax:

Due to changes in Provision for Gratuity, etc, the Company has recalculated the deferred tax liability and deferred tax assets at the rate of normal Tax rate applicable at the end of relevant year.

- 1) We have examined the attached Restated Consolidated Financial Information of Ice Make Refrigeration Limited, and its subsidiary(collectively known as “Group”), which comprise of the Restated Consolidated Summary Statement of Assets and Liabilities as at June 30, 2017 and March 31, 2017, the Restated Consolidated Summary Statement of Profit and Loss and the Restated Consolidated Summary Statement of Cash Flows for the period ended June 30,2017 and year ended March 31, 2017 and the Summary of Significant Accounting Policies as approved by the Board of Directors of the Company prepared in terms of the requirements of:

- a) Section 26 of Part I of Chapter III of the Companies Act, 2013 ("the Act") read with Rules 4 to 6 of Companies (Prospectus and Allotment of Securities) Rules, 2014 (“the Rules”); and
- b) the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended from time to time in pursuance of provisions of Securities and Exchange Board of India Act, 1992 ("ICDR Regulations").

The preparation of the Restated Consolidated Financial Information is the responsibility of the Management of the Company for the purpose set out in paragraph 10 below. The Management's responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Consolidated Financial Information. The Management is also responsible for identifying and ensuring that the Company complies with the Rules and ICDR Regulations.

- 2) In terms of Schedule VIII of the SEBI (ICDR) Regulations, 2009 and other provisions relating to accounts, We, Patel & Jesalpura, Chartered Accountants, have been subjected to the peer review process of the Institute of Chartered Accountants of India (ICAI) and hold a valid Certificate No. 009322 dated 16/09/2016 issued by the “Peer Review Board” of the ICAI.
- 3) We have examined such Restated Consolidated Financial Information taking into consideration:
- a) The terms of reference of our engagement with the Company requesting us to examine financial statements referred to above and proposed to be included in Prospectus being issued by the Company for its proposed Initial Public Offering of equity shares in SME Platform of NSE (“IPO” or “SME IPO”); and

Annexure D

Notes to the Restated Consolidated Summary Statements of Assets and Liabilities, Statement of Profits and Losses and Statement of Cash Flows:

1. Corporate Information:

Ice Make Refrigeration Limited is a company domiciled in India and incorporated under Companies Act, 1956. The company is engaged in the business of manufacturing cold rooms, freezer, refrigeration system and chilling plant etc. The company was converted from Private limited to Public limited on 29th August 2017.

2. Basis of Preparation:

The restated consolidated financial statements comprise the financial statements of Ice Make Refrigeration Limited ('the Company') and its subsidiary (the Company and its subsidiary are hereinafter collectively referred to as the 'Group').

The Restated Consolidated Summary Statement of Assets and Liabilities of the Group as at June 30, 2017 and March 31, 2017, and the Related Restated Consolidated Summary Statement of Profits and Losses and Restated Consolidated Summary Statement of Cash Flows for the period ended June 30, 2017 and March 31, 2017 and other Financial Information (herein collectively referred to as "Restated Consolidated Summary Statements") have been derived by the Management from the then Audited Consolidated Financial Statements of the Group for the respective corresponding periods.

The financial statements are prepared and presented under the historical cost convention and evaluated on a going-concern basis using the accrual system of accounting in accordance with the accounting principles generally accepted in India (Indian GAAP) and the requirements of the Companies Act, 1956 (up to March 31, 2014), and notified sections, schedules and rules of the Companies Act 2013 (with effect from April 01, 2014), including the Accounting Standards as prescribed by the Companies (Accounting Standards) Rules, 2006 as per section 211(3C) of the Companies Act, 1956 (which are deemed to be applicable as Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of Companies (Accounts) Rules, 2014) The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

These Restated Statements and Other Financial Information have been prepared for inclusion in the Offer Document to be filed by the Group with the Securities and Exchange Board of India ('SEBI') in connection with proposed Initial Public Offering of its equity shares, in accordance with the requirements of:

(a) Sub-clause (i), (ii) and (iii) of clause (b) of Sub-section (1) of Section 26 of Part 1 Chapter III of the Act read with Rule 4 of Companies (Prospectus and Allotment of Securities) Rules, 2014; and

(b) relevant provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended (the "Regulations") issued by the Securities and Exchange Board of India ('SEBI') on 26 August 2009, as amended from time to time in pursuance of the Securities and Exchange Board of India Act, 1992.

These statements and other financial information have been prepared after incorporating adjustments for the material amounts in the respective years to which they relate.

Principles of consolidation

The Consolidated Financial Statements have been prepared in accordance with Accounting Standard (AS) 21 “Consolidated Financial Statements” issued by the Institute of Chartered Accountants of India.

The financial statements of the Company and its subsidiary have been consolidated on a line-by-line basis by adding the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances and the unrealised profits / losses on intra-group transactions, and are presented to the extent possible, in the same manner as the Company’s separate financial statements. The consolidated cash flow statement has been prepared using uniform policies for the transactions. The excess of the Company’s investment in a subsidiary over the subsidiary’s net assets is recognized in the consolidated financial statements as “Goodwill (on consolidation)”.

The following entity has been considered in preparation of consolidated financial statements

Name of Entity	Country of Incorporation	% of ownership interest as at June 30, 2017
Bharat Refrigeration Private Limited	India	100%

3.1 Summary of significant accounting policies:

a. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible and Intangible Assets

All tangible and intangible Assets are valued at cost. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

c. Depreciation of tangible and intangible assets

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written down value (WDV) Method on all Assets. Depreciation is provided based on Useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

During the preceding years, the Group was providing depreciation on written down value basis at the rate prescribed in Schedule XIV of the Companies Act, 1956.

Pursuant to Companies Act, 2013 (‘the Act’) being effective from April 1, 2014, the Group has revised depreciation rates on tangible fixed assets as per useful life specified in Part ‘C’ of Schedule II of the Act and due to the same there has been a change in the estimated useful life of depreciable tangible assets which affects the depreciation in the current period and in each period during the remaining useful life of the assets. As the change is only in regard to accounting estimate requiring an adjustment of the carrying amount of tangible assets, the same do not require adjustment in the financial information for the years ended on March 31, 2014 and March 31, 2013. The Group has consistently calculated depreciation based on WDV method.

d. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangements of borrowings.

Borrowing cost directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

e. Inventories

The stock of raw materials is valued at cost. Work In Progress at estimated cost and finished goods is valued at lower of cost or net realizable value. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate related overheads.

f. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods. The Group collects excise taxes, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the group. Hence, they are excluded from revenue.

Sale of Services

Revenue from sale of services is recognized as and when the services are performed.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

g. Retirement and other employee benefits

Retirement benefit in the form of Provident fund and Employee's Contribution towards Employees' State Insurance Corporation (ESIC) is a defined contribution scheme. These contributions are charged to Profit and Loss statement. Leave encashment is charged to Profit and Loss account in the year in which it is payable.

In the Restated Consolidated Summary Statements, charge of gratuity for the respective period has been made based on the actuarial valuation reports by an actuary to comply with AS-15 Employee benefits.

h. Lease accounting

Operating Lease

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals on assets taken on operating

lease are recognised as an expense in the statement of profit and loss. Initial direct cost in respect of the lease acquired is expensed out in the year in which such costs are incurred.

i. Foreign currency transaction

Foreign currency transaction and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

Exchange differences

All exchange differences are recognized as income or as expenses in the period in which they arise.

j. Income Tax

Tax expenses comprise current tax and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

k. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l. Provisions

A provision is recognized when the group has a present obligation as a result of past event. It is possible that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

m. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The group does not recognize a contingent liability but disclosed its existence in the financial statements.

3.2 Segment Reporting

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion of our financial condition and results of operations should be read in conjunction with our restated financial statements for FY 2017, FY 2016 and FY 2015 and for the 3 months period ended June 30, 2017, included in this DRHP, prepared in accordance with the Companies Act and Indian GAAP and restated in accordance with the SEBI ICDR Regulations, including the schedules, annexure and notes thereto and the reports thereon, included in the section titled – “Financial Statements” on page 161 of this DRHP. Our Company's Financial Year commences on April 1 and ends on March 31 of the following year, so all references to a particular Financial Year or Fiscal are to the twelve months ended March 31 of that year. Indian GAAP differs in certain material aspects from U.S. GAAP and IFRS. We have not attempted to quantify the impact of IFRS or U.S. GAAP on the financial data included in this DRHP, nor do we provide reconciliation of our financial statements to those under U.S. GAAP or IFRS. Accordingly, the degree to which the Indian GAAP financial statements included in this DRHP will provide meaningful information is entirely dependent on the reader's level of familiarity with the Companies Act, Indian GAAP and SEBI ICDR Regulations. This discussion contains forward-looking statements and reflects our current views with respect to future events and financial performance. Actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors such as those set forth in “Risk Factors” and “Forward-Looking Statements” beginning on pages 17 and 16 of this DRHP respectively. In this section, unless the context otherwise requires, any reference to “we”, “us” or “our” refers to Ice Make Refrigeration Limited, our Company.

Overview

We are a refrigeration equipment manufacturer, engaged in providing cooling solutions. We provide cooling solutions for cooling systems and accessories used in industries such as dairy, ice-cream, food processing, agriculture, pharmaceuticals, cold chains, logistics, hospital, hospitality and retail, among others. We classify our business into the following 4 verticals: (i) Cold Room (ii) Commercial Refrigeration (iii) Industrial Refrigeration and (iv) Transport Refrigeration. We operate our business verticals under the brand of “Ice Make”.

Our Company is promoted by Mr. Chandrakant P. Patel, Mr. Rajendra P. Patel and Mr. Vipul I. Patel. Our promoters commenced the business in 2 firms (i) Ice Make Refrigeration (Proprietorship Firm) in 1993 and (ii) Hi Make Engineers (Proprietorship Firm) in 1997 (The name was thereafter modified to Colpan Poly Panel Industries). The business of these 2 firms was taken over by way of a business transfer agreement in 2009. Our Promoters, through the aforesaid firms, had initiated business as refrigeration equipment manufacturer by Commercial Refrigeration manufacturing in 1993 and forayed into Cold Room manufacturing in 2001 as well as Industrial Refrigeration manufacturing in 2003. Subsequently, our Company introduced Transport Refrigeration manufacturing in 2012. As per the Restated Standalone Financial Information for FY 2017, our top 5 products are: (i) Cold Room (ii) Commercial Freezer (iii) Chiller (iv) Refrigerated Vehicle and (v) Ice Cream Hardener.

In December 2016, we had acquired ‘Bharat Refrigerations Private Limited’, a company based in Chennai, engaged in a business similar to our business, which is now our wholly owned subsidiary. Bharat Refrigerations Private Limited is present in the above business verticals through the brands named ‘Bharat’ and ‘Trans Freez’.

The manufacturing facilities of our Company are located at Dantali, Gujarat and the manufacturing facilities of our Wholly Owned Subsidiary are located at Chennai, Tamil Nadu. Our dealers and associates are present in the cities of Bikaner, Cochin, Cuttack, Goa, Hubli, Jodhpur, Kolhapur, Kolkata, Nagpur, Patna, Pune, Pondicherry, Trivandrum, Kathmandu and Colombo. Our customers include leading and reputed names across each industry.

We have received external certifications such as ISO 9001: 2015 for management system, BS OHSAS 18001: 2007 for health and safety, AN ISO 14001: 2004 for friendly environment working atmosphere, CRISIL NSIC – CRISIL SE1B for excellence and DSIR for the in-house research and development laboratory of our Company.

On the basis of our restated standalone financial statements, our total revenue for FY 2017, FY 2016 and FY 2015 was ₹ 8,788.28 Lakh, ₹ 7,182.07 Lakh and ₹ 5,061.84 Lakh respectively and our net profit for FY 2017, FY 2016 and FY 2015, was ₹ 510.89 Lakh, ₹ 264.34 Lakh and ₹ 93.41 Lakh respectively. For the 3 months period ended June 30, 2017, our total revenue was ₹ 2,305.19 Lakh and our net profit was ₹ 146.53 Lakh. On the basis of our restated consolidated financial statements, our total revenue for FY 2017 was ₹ 8,823.57 Lakh and our net profit for FY 2017 was ₹ 509.11 Lakh. For the 3 months period ended June 30, 2017, our total revenue was ₹ 2,308.27 Lakh and our net profit was ₹ 140.93 Lakh. Our CAGR for total revenue for the past 2 financial years, on the basis of our restated

standalone financial statements, was 31.76% and our CAGR for net profit for the past 2 financial years, on the basis of our restated standalone financial statements, was 133.87%.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien and/or consolidation/splitting, kindly refer the chapter titled “*Main Provisions of Articles of Association*” beginning on page 334 of this DRHP.

Market Lot and Trading Lot

In terms of Section 29 of the Companies Act, 2013, the Equity Shares shall be allotted only in dematerialised form. As per the existing SEBI ICDR Regulations, the trading in the Equity Shares shall only be in dematerialised form for all Bidders. In this context, 2 (two) agreements have been signed among our Company, the respective Depositories and the Registrar to the Issue:

- Agreement dated October 12, 2017 among NSDL, our Company and the Registrar to the Issue; and
- Agreement dated October 05, 2017 among CDSL, our Company and the Registrar to the Issue.

Trading of the Equity Shares will happen in the minimum contract size of [●] Equity Shares in terms of the SEBI circular no. CIR/MRD/DSA/06/2012 dated February 21, 2012 and the same may be modified by NSE EMERGE from time to time by giving prior notice to investors at large. Allocation and allotment of Equity Shares through this Issue will be done in multiples of [●] Equity Share subject to a minimum allotment of [●] Equity Shares to the successful Bidders.

Minimum Number of Allottees

In accordance with the Regulation 106R of SEBI ICDR Regulations, the minimum number of allottees in this Issue shall be 50 shareholders. In case the minimum number of prospective allottees is less than 50, no allotment will be made pursuant to this Issue and the monies blocked by the SCSBs shall be unblocked within 4 working days of closure of issue.

Joint Holders

Where two or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint-owners with benefits of survivorship.

Jurisdiction

Exclusive jurisdiction for the purpose of this Issue is with the competent courts/authorities in Mumbai, Maharashtra, India.

The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933 (“Securities Act”) and may not be offered or sold within the United States (as defined in Regulation S under the Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Accordingly, the Equity Shares are only being offered and sold outside the United States in offshore transactions in compliance with Regulation S under the Securities Act and the applicable laws of

the jurisdiction where those offers and sales occur.

Nomination Facility to Bidders

In accordance with Section 72 of the Companies Act, 2013, the sole or first Bidder, along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall, be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the equity share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to equity share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of equity share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or to the Registrar. A nomination may be cancelled, or varied by nominating any other person in place of the present nominee, by the holder of the Equity Shares who has made the nomination, by giving a notice of such cancellation or variation to our Company in the prescribed form.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013, shall upon the production of such evidence as may be required by the Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of ninety days, our Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Issue will be made only in dematerialized mode there is no need to make a separate nomination with our Company. Nominations registered with respective depository participant of the applicant would prevail. If the Bidder wants to change the nomination, they are requested to inform their respective depository participant.

Period of operation of subscription list

Minimum Subscription and Underwriting

In terms of Regulation 14 of the SEBI ICDR Regulations, if our Company does not receive the minimum subscription of 90% of the Issue including devolvement of Underwriter(s), if any, within 60 days from the Bid/Issue Closing Date, our Company shall forthwith refund the entire subscription amount received. If there is a delay beyond the prescribed time, our Company shall pay interest prescribed under the Companies Act, the SEBI Regulations and applicable laws.

In terms of Regulation 106P (1) of the SEBI ICDR Regulations, the Issue is 100% underwritten. For details of underwriting arrangement, kindly refer the chapter titled “*General Information - Underwriting and Underwriting Agreement*” on page 55 of this DRHP.

Further, in accordance with Regulation 106Q of the SEBI ICDR Regulations, the minimum application size in terms of number of specified securities shall not be less than Rupees One Lakh per application.

Withdrawal of the Issue

Our Company in consultation with the BRLM, reserve the right not to proceed with the Issue at any time before the Issue Opening Date without assigning any reason thereof.

If our Company withdraws the Issue anytime after the Issue Opening Date but before the allotment of Equity Shares, a public notice within two (2) Working Days of the Issue Closing Date or such other time as may be prescribed by

SEBI, providing reasons for not proceeding with the Issue shall be issued by our Company. The notice of withdrawal will be issued in the same newspapers where the pre-Issue advertisements have appeared and the Stock Exchange will also be informed promptly.

The BRLM, through the Registrar to the Issue, will instruct the SCSBs to unblock the ASBA Accounts within one (1) working Day from the day of receipt of such instruction. Our Company shall also inform the same to the Stock Exchange, i.e, NSE EMERGE on which Equity Shares are proposed to be listed.

If our Company withdraws the Issue after the Issue Closing Date and subsequently decides to proceed with an Issue of the Equity Shares, our Company will file a fresh offer document with the stock exchange where the Equity Shares may be proposed to be listed. Notwithstanding the foregoing, the Issue is subject to obtaining (i) the final listing and trading approvals of the Stock Exchange with respect to the Equity Shares issued through this DRHP, which our Company will apply for only after Allotment; and (ii) the final RoC approval of the RHP and Prospectus.

Arrangements for Disposal of Odd Lots

The trading of the Equity Shares will happen in the minimum contract size of [●] Equity Shares in terms of the SEBI circular no. CIR/MRD/DSA/06/2012 dated February 21, 2012. However, in terms of Regulation 106V (5) of the SEBI ICDR Regulations, the Market Maker shall buy the entire shareholding of a shareholder in one lot, where value of such shareholding is less than the minimum contract size allowed for trading on the NSE EMERGE.

Restrictions, if any on Transfer and Transmission of Equity Shares

Except for (a) the lock-in of the pre-Issue capital of our Company and the Promoters' Contribution as provided in "*Capital Structure*" on page 65 and (b) otherwise provided in our Articles of Association, as described in the chapter titled "*Main Provisions of the Articles of Association*" beginning on page 334, there are no restrictions on transfer and transmission of shares/ debentures and on their consolidation/ splitting.

Option to Receive Securities in Dematerialized Form

Pursuant to Section 29 of the Companies Act, 2013, the Equity Shares being offered through the Red Herring Prospectus can be applied for and will be allotted in dematerialized form only. Bidders will not have the option of Allotment of the Equity Shares in physical form. Further, as per the SEBI Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges.

Migration to Main Board

In accordance with the NSE Circular dated March 10, 2014, our Company will have to be mandatorily listed and traded on the NSE EMERGE for a minimum period of two years from the date of listing and only after that our Company can migrate to the Main Board of the NSE as per the guidelines specified by SEBI and as per the procedures laid down under Chapter XB of the SEBI ICDR Regulations.

As per the provisions of the Chapter XB of the SEBI ICDR Regulations, the migration to the Main board of NSE from the NSE EMERGE on a later date shall be subject to the following:

- If the face value capital of our Company is likely to increase above ₹ 2,500 Lakh by virtue of any further issue of capital by way of rights, preferential issue, bonus issue etc. (which has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal and for which our Company has obtained in-principal approval from the Main Board), we shall have to apply to NSE for listing of our shares on its Main Board subject to the fulfilment of the eligibility criteria for listing of specified securities laid down by the Main Board.
- If the face value capital of our Company is more than ₹ 1,000 Lakh but below ₹ 2,500 Lakh, we may still apply for migration to the Main Board if the same has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal.

BIDS BY FIIs INCLUDING FII's

In terms of the SEBI FPI Regulations, any qualified foreign investor or FII who holds a valid certificate of registration from SEBI shall be deemed to be an FPI until the expiry of the block of three years for which fees have been paid as per the SEBI FII Regulations. An FII or a sub-account may participate in this Issue, in accordance with Schedule 2 of the FEMA Regulations, until the expiry of its registration with SEBI as an FII or a sub-account. An FII shall not be eligible to invest as an FPI after registering as an FPI under the SEBI FPI Regulations.

In case of Bids made by FIIs, a certified copy of the certificate of registration issued by the designated depository participant under the FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason. An FII or subaccount may, subject to payment of conversion fees under the SEBI FPI Regulations, participate in the Issue, until the expiry of its registration as a FII or sub-account, or until it obtains a certificate of registration as FPI, whichever is earlier. Further, in case of Bids made by SEBI-registered FIIs or sub-accounts, which are not registered as FIIs, a certified copy of the certificate of registration as an FII issued by SEBI is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason.

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) must be below 10% of our post-Issue Equity Share capital. Further, in terms of the FEMA Regulations, the total holding by each FPI shall be below 10% of the total paid-up Equity Share capital of our Company and the total holdings of all FIIs put together shall not exceed 24% of the paid-up Equity Share capital of our Company. The aggregate limit of 24% may be increased up to the sectoral cap by way of a resolution passed by the Board of Directors followed by a special resolution

passed by the Shareholders of our Company and subject to prior intimation to RBI. In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs as well as holding of FIIs (being deemed FPIs) shall be included. The existing individual and aggregate investment limits an FII or sub account in our Company is 10% and 24% of the total paid-up Equity Share capital of our Company, respectively.

FPIs are permitted to participate in the Issue subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 22 of the SEBI FPI Regulations, an FPI, other than Category III foreign portfolio and unregulated broad based funds, which are classified as Category II foreign portfolio investor by virtue of their investment manager being appropriately regulated, may issue or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by an FPI against securities held by it that are listed or proposed to be listed on any recognized stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with know your client norms. An FPI is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority.

FPIs who wish to participate in the Issue are advised to use the Bid cum Application Form for Non Residents (blue in colour).

BIDS BY SEBI REGISTERED VCFs, AIFs AND FVCIs

The SEBI FVCI Regulations and the SEBI AIF Regulations inter-alia prescribe the investment restrictions on the VCFs, FVCIs and AIFs registered with SEBI. Further, the SEBI AIF Regulations prescribe, among others, the investment restrictions on AIFs.

The holding by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offering.

The category I and II AIFs cannot invest more than 25% of the corpus in one Investee Company. A category III AIF cannot invest more than 10% of the corpus in one Investee Company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulation until the existing fund or scheme managed by the fund is wound up and such funds shall not launch any new scheme after the notification of the SEBI AIF Regulations.

All FIIs and FVCIs should note that refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of Bank charges and commission.

Our Company or the BRLM will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

There is no reservation for Eligible NRIs, FPIs and FVCIs and all Bidders will be treated on the same basis with other categories for the purpose of allocation.

BIDS BY MUTUAL FUNDS

No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in index

funds or sector or industry specific funds. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, our Company reserves the right to accept or reject any Bid cum Application in whole or in part, in either case, without assigning any reason thereof.

In case of a mutual fund, a separate Bid cum Application can be made in respect of each scheme of the mutual fund registered with SEBI and such Applications in respect of more than one scheme of the mutual fund will not be treated as multiple applications provided that the Bids clearly indicate the scheme concerned for which the Bids has been made.

The Bids made by the asset management companies or custodians of Mutual Funds shall specifically state the names of the concerned schemes for which the Applications are made.

BIDS BY LIMITED LIABILITY PARTNERSHIPS

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company reserves the right to reject any bid without assigning any reason thereof. Limited liability partnerships can participate in the Issue only through the ASBA process.

BIDS BY INSURANCE COMPANIES

In case of Bids made by insurance companies registered with the IRDA, a certified copy of certificate of registration issued by IRDA must be attached to the Bid cum Application Form. Failing this, our Company reserves the right to reject any Bid by Insurance Companies without assigning any reason thereof. The exposure norms for insurers, prescribed under the Insurance Regulatory and Development Authority (Investment) Regulations, 2000, as amended, (the "IRDA Investment Regulations") are broadly set forth below:

- 1) equity shares of a company: the least of 10% of the investee company's subscribed capital (face value) or 10% of the respective fund in case of life insurer or 10% of investment assets in case of general insurer or reinsurer;
- 2) the entire group of the investee company: not more than 15% of the respective fund in case of a life insurer or 15% of investment assets in case of a general insurer or reinsurer or 15% of the investment assets in all companies belonging to the group, whichever is lower; and
- 3) the industry sector in which the investee company operates: not more than 15% of the fund of a life insurer or a general insurer or a reinsurer or 15% of the investment asset, whichever is lower.

The maximum exposure limit, in the case of an investment in equity shares, cannot exceed the lower of an amount of 10% of the investment assets of a life insurer or general insurer and the amount calculated under (a), (b) and (c) above, as the case may be. Insurance companies participating in this Issue shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

BIDS UNDER POWER OF ATTORNEY

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, FIIs, Mutual Funds, insurance companies and provident funds with a minimum corpus of Rs. 2,500 Lakh (subject to applicable law) and pension funds with a minimum corpus of Rs. 2,500 Lakh, a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws must be lodged along with the Bid cum Application Form. Failing this, our Company reserves the right to accept or reject any Bid in whole or in part, in either case, without

assigning any reasons thereof. In addition to the above, certain additional documents are required to be submitted by the following entities:

- a) With respect to Bids by FIIs and Mutual Funds, a certified copy of their SEBI registration certificate must be lodged along with the Bid cum Application Form.
- b) With respect to Bids by insurance companies registered with the Insurance Regulatory and Development Authority, in addition to the above, a certified copy of the certificate of registration issued by the Insurance Regulatory and Development Authority must be lodged along with the Bid cum Application Form.
- c) With respect to Bids made by provident funds with a minimum corpus of Rs. 2500 Lakhs (subject to applicable law) and pension funds with a minimum corpus of Rs. 2500 Lakhs, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be lodged along with the Bid cum Application Form.
- d) With respect to Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form
- e) Our Company in its absolute discretion, reserves the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form, subject to such terms and conditions that our Company and the BRLM may deem fit.

The above information is given for the benefit of the Bidders. Our Company, the Book Running Lead Manager and the Syndicate Members are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of the Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and Bidders are advised to ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of Equity Shares that can be held by them under applicable law or regulation or as specified in the Draft Red Herring Prospectus.

BIDS BY PROVIDENT FUNDS/PENSION FUNDS

As per Regulation 106M (3) of the SEBI ICDR Regulations, the provisions of Regulations 6(1), 6(2), 6(3), Regulation 8, Regulation 9, Regulation 10, Regulation 25, Regulation 26, Regulation 27 and sub-regulation (1) of Regulation 49 of SEBI ICDR Regulations shall not apply to us in this Issue.

2.4 Types of Public Issues – Fixed Price Issues and Book Built Issues

In accordance with the provisions of the SEBI ICDR Regulations, a company can either determine the Issue Price through the Book Building Process (“**Book Built Issue**”) or undertake a Fixed Price Issue (“**Fixed Price Issue**”). A company may mention Floor Price or Price Band in the RHP (in case of a Book Built Issue) and a Price or Price Band in the Draft Prospectus (in case of affixed price issue) and determine the price at a later date before registering the Prospectus with the Registrar of Companies.

The cap on the Price Band should be less than or equal to 120% of the Floor Price. The company shall announce the Price or the Floor Price or the Price Band through advertisement in all newspapers in which the pre- Issue advertisement was given at least 5 (five) Working Days before the Bid/ Issue Opening Date, in case of an IPO and at least 1 (one) Working Day before the Bid/ Issue Opening Date, in case of an FPO.

The Floor Price or the Issue price cannot be lesser than the face value of the securities.

Bidders/ Applicants should refer to the RHP/ Prospectus or Issue advertisements to check whether the Issue is a Book Built Issue or a Fixed Price Issue.

2.5 Issue Period

The Issue may be kept open for a minimum of 3 (three) Working Days (for all category of Bidders/ Applicants) and not more than 10 (ten) Working Days. Bidders/Applicants are advised to refer to the Bid Cum Application Form and Abridged Prospectus or RHP/ Prospectus for details of the Bid/ Issue Period. Details of Bid/ Issue Period are also available on the website of Stock Exchange(s).

In case of a Book Built Issue, the company may close the Bid/ Issue Period for QIBs 1 (one) Working Day prior to the Bid/ Issue Closing Date if disclosures to that effect are made in the RHP. In case of revision of the Floor Price or Price Band in Book Built Issues the Bid/ Issue Period may be extended by at least 3 (three) Working Days, subject to the total Bid/ Issue Period not exceeding 10 (ten) Working Days. For details of any revision of the Floor Price or Price Band, Bidders/ Applicants may check the announcements made by the Company on the websites of the Stock Exchanges and the BRLM(s), and the advertisement in the newspaper(s) issued in this regard.

2.6 Migration to Main Board

SME Issuer may migrate to the Main Board of SE from the SME Exchange at a later date subject to the following:

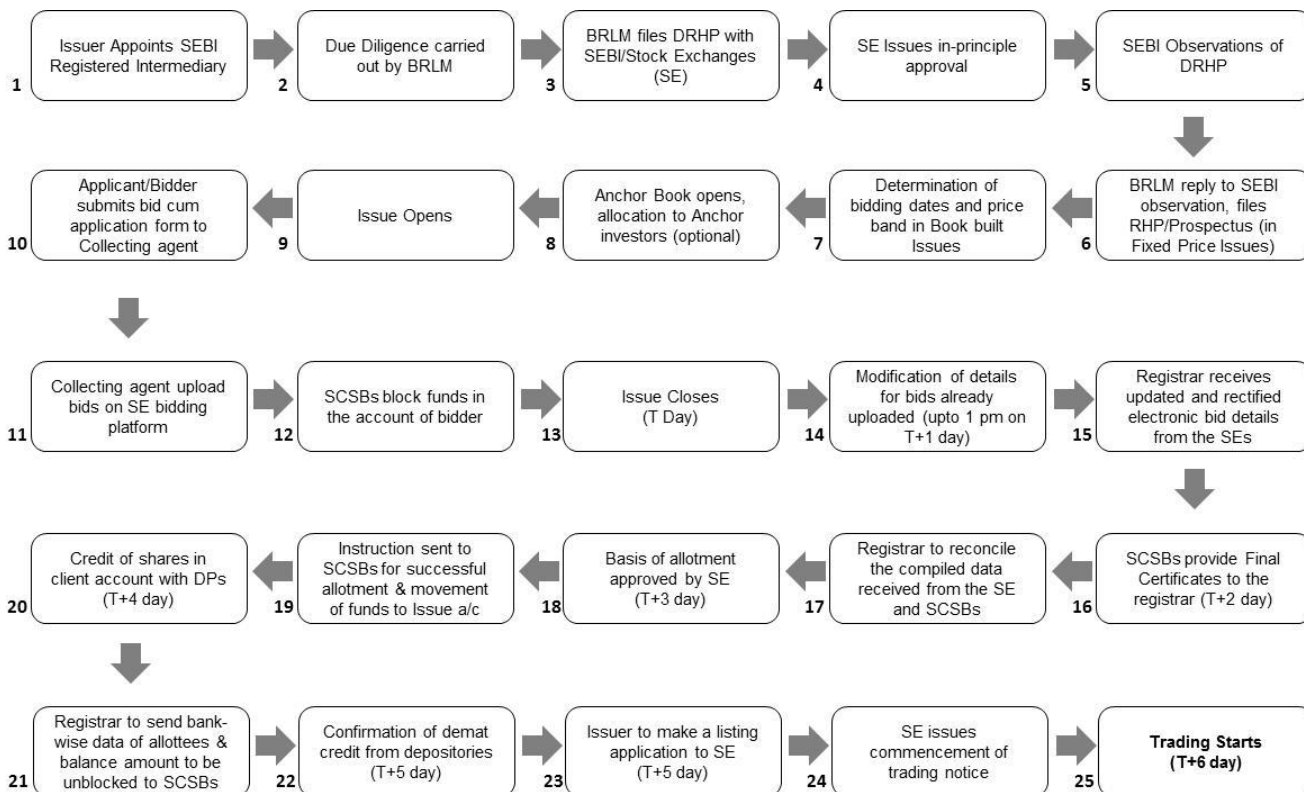

- (a) If the Paid up Capital of the Company is likely to increase above Rs. 25 crores by virtue of any further issue of capital by way of rights, preferential issue, bonus issue etc. (which has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the Promoter in favor of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal and for which the company has obtained in-principal approval from the main board), the Company shall apply to SE for listing of its shares on its Main Board subject to the fulfillment of the eligibility criteria for listing of specified securities laid down by the Main Board. OR
- (b) If the Paid up Capital of the company is more than 10 crores but below Rs. 25 crores, the Company may still apply for migration to the main board if the same has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the Promoter in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal.

2.7 Flow Chart Of Timelines

A flow chart of process flow in Fixed Price and Book Built Issues is as follows. Bidders/ Applicants may note that this is not applicable for Fast Track FPOs.:

In case of Issue other than Book Built Issue (Fixed Price Issue) the process at the following of the below mentioned steps shall be read as:

Bidders/ Applicants should note that the contact details mentioned in the Bid-cum Application Form/ Application Form may be used to dispatch communications(including letters notifying the unblocking of the bank accounts of ASB A Bidders/ Applicants) in case the communication sent to the address available with the Depositories are returned undelivered or are not available. The contact details provided in the Bid cum Application Form may be used by the Company, the members of the Syndicate, the Registered Broker and the Registrar to the Issue only for correspondence(s) related to an Issue and for no other purposes.
- (c) **Joint Bids/ Applications:** In the case of Joint Bids/ Applications, the Bids / Applications should be made in the name of the Bidder/ Applicant whose name appears first in the Depository account. The name so entered should be the same as it appears in the Depository records. The signature of only such First Bidder/ Applicant would be required in the Bid cum Application Form/ Application Form and such First Bidder/ Applicant would be deemed to have signed on behalf of the joint holders All payments may be made out in favour of the Bidder/ Applicant whose name appears in the Bid cum Application Form/ Application Form or the Revision Form and all communications may be addressed to such Bidder/ Applicant and may be dispatched to his or her address as per the Demographic Details received from the Depositories.
- (d) **Impersonation:** Attention of the Bidders/ Applicants is specifically drawn to the provisions of Sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

 - 1. makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
 - 2. makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
 - 3. otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447.*
 - 4. The liability prescribed under Section 447 of the Companies Act, 2013 includes imprisonment for a term which shall not be less than six months extending upto 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending upto three times of such amount.”*
- (e) **Nomination Facility to Bidder/ Applicant:** Nomination facility is available in accordance with the provisions of Section 72 of the Companies Act, 2013. In case of allotment of the Equity Shares in dematerialized form, there is no need to make a separate nomination as the nomination registered with the Depository may prevail. For changing nominations, the Bidders/ Applicants should inform their respective DP.

4.1.2. FIELD NUMBER 2: PAN NUMBER OF SOLE/ FIRST BIDDER/ APPLICANT

- (a) PAN (of the sole/ First Bidder/ Applicant) provided in the Bid cum Application Form/ Application Form should be exactly the same as the PAN of the person(s) in whose name the relevant beneficiary account is

held as per the Depositories' records.

- (b) PAN is the sole identification number for participants transacting in the securities market irrespective of the amount of transaction except for Bids/ Applications on behalf of the Central or State Government, Bids/ Applications by officials appointed by the courts and Bids/ Applications by Bidders/ Applicants residing in Sikkim ("**PAN Exempted Bidders/ Applicants**"). Consequently, all Bidders/ Applicants, other than the PAN Exempted Bidders/ Applicants, are required to disclose their PAN in the Bid cum Application Form/ Application Form, irrespective of the Bid/ Application Amount. A Bid cum Application Form/ Application Form without PAN, except in case of Exempted Bidders/ Applicants, is liable to be rejected. Bids/ Applications by the Bidders/ Applicants whose PAN is not available as per the Demographic Details available in their Depository records, are liable to be rejected.
- (c) The exemption for the PAN Exempted Bidders/ Applicants is subject to (a) the Demographic Details received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.
- (d) Bid cum Application Forms/ Application Forms which provide the General Index Register Number instead of PAN may be rejected.
- (e) Bids/ Applications by Bidders whose demat accounts have been 'suspended for credit' are liable to be rejected pursuant to the circular issued by SEBI on July 29, 2010, bearing number CIR/ MRD/ DP/ 22/ 2010. Such accounts are classified as "**Inactive demat accounts**" and demographic details are not provided by depositories.

4.1.3. FIELD NUMBER 3: BIDDERS/ APPLICANTS DEPOSITORY ACCOUNT DETAILS

- (a) Bidders/ Applicants should ensure that DP ID and the Client ID are correctly filled in the Bid cum Application Form/ Application Form. The DP ID and Client ID provided in the Bid cum Application Form/ Application Form should match with the DP ID and Client ID available in the Depository database, otherwise, the Bid cum Application Form/ Application Form is liable to be rejected.
- (b) Bidders/ Applicants should ensure that the beneficiary account provided in the Bid cum Application Form/ Application Form is active.
- (c) Bidders/ Applicants should note that on the basis of DP ID and Client ID as provided in the Bid cum Application Form/ Application Form, the Bidder/ Applicant may be deemed to have authorized the Depositories to provide to the Registrar to the Issue, any requested Demographic Details of the Bidder/ Applicant as available on the records of the depositories. These Demographic Details may be used, among other things, for giving refunds and allocation advice or unblocking of ASBA Account or for other correspondence(s) related to an Issue.
- (d) Bidders/ Applicants are, advised to update any changes to their Demographic Details as available in the records of the Depository Participant to ensure accuracy of records. Any delay resulting from failure to update the Demographic Details would be at the Bidders/ Applicants' sole risk.

4.1.4. FIELD NUMBER 4: BID OPTIONS

- (a) Price or Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) may be disclosed in the Prospectus/ RHP by the Company. The Company is required to announce the Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) by way of an advertisement in at least 1 (one) English, 1 (one) Hindi and 1 (one) regional newspaper, with wide circulation, at least 5 (five) Working Days before Bid/ Issue Opening Date in case of an IPO, and at least 1 (one) Working Day before Bid/ Issue Opening Date in case of an FPO.
- (b) The Bidders may Bid at or above Floor Price or within the Price Band for IPOs / FPOs undertaken through the Book Building Process. In the case of Alternate Book Building Process for an FPO, the Bidders may Bid at Floor Price or any price above the Floor Price (For further details bidders may refer to (section 5.6 (e)).

- (c) **Cut-Off Price:** Retail Individual Investors or Employees or Retail Individual Shareholders can Bid at the Cut-off Price indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process. Bidding at the Cut-off Price is prohibited for QIBs and NIIs and such Bids from QIBs and NIIs may be rejected.
- (d) **Minimum Application Value and Bid Lot:** The Company in consultation with the BRLM may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of above Rs. 1,00,000. The minimum Bid Lot is accordingly determined by a company on basis of such minimum application value.
- (e) **Allotment:** The allotment of specified securities to each RII shall not be less than the minimum Bid Lot, subject to availability of shares in the RII category, and the remaining available shares, if any, shall be allotted on a proportionate basis. For details of the Bid Lot, bidders may refer to the RHP/ Prospectus or the advertisement regarding the Price Band published by the Company.

4.1.4.1 Maximum and Minimum Bid Size

- (a) The Bidder may Bid for the desired number of Equity Shares at a specific price. Bids by Retail Individual Investors and Employees must be for such number of shares so as to ensure that the Bid Amount less Discount (as applicable), payable by the Bidder does not exceed ₹ 200,000. In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or any other reason, the Bid may be considered for allocation under the Non-Institutional Category, with it not being eligible for Discount then such Bid may be rejected if it is at the Cut-off Price.
- (b) For NRIs, a Bid Amount of up to ₹ 2,00,000 may be considered under the Retail Portion for the purposes of allocation and a Bid Amount exceeding ₹ 2,00,000 may be considered under the Non-Institutional Category for the purposes of allocation.
- (c) Bids by QIBs and NIIs must be for such minimum number of shares such that the Bid Amount exceeds ₹ 200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the Bid cum Application Form and the RHP/ Prospectus, or as advertised by the Company, as the case may be. Non-Institutional Investors and QIBs are not allowed to Bid at 'Cut-off Price'.
- (d) RII may revise their bids till closure of the bidding period or withdraw their bids until finalization of allotment. QIBs and NII's cannot withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after bidding and are required to pay the Bid Amount upon submission of the Bid.
- (e) In case the Bid Amount reduces to ₹ 2,00,000 or less due to a revision of the Price Band, Bids by the Non-Institutional Investors who are eligible for allocation in the Retail Portion would be considered for allocation under the Retail Portion.
- (f) For Anchor Investors, if applicable, the Bid Amount shall be least ₹ 10 crores. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors. Bids by various schemes of a Mutual Fund shall be aggregated to determine the Bid Amount. A Bid cannot be submitted for more than 60% of the QIB Portion under the Anchor Investor Portion. Anchor Investors cannot withdraw their Bids or lower the size of their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after the Anchor Investor Bid/ Issue Period and are required to pay the Bid Amount at the time of submission of the Bid. In case the Anchor Investor Issue Price is lower than the Issue Price, the balance amount shall be payable as per the pay-in-date mentioned in the revised CAN. In case the Issue Price is lower than the Anchor Investor Issue Price, the amount in excess of the Issue Price paid by the Anchor Investors shall not be refunded to them.
- (g) A Bid cannot be submitted for more than the Issue size.
- (h) The maximum Bid by any Bidder including QIB Bidder should not exceed the investment limits prescribed for them under the applicable laws.
- (i) The price and quantity options submitted by the Bidder in the Bid cum Application Form may be treated as

optional bids from the Bidder and may not be cumulated. After determination of the Issue Price, the number of Equity Shares Bid for by a Bidder at or above the Issue Price may be considered for allotment and the rest of the Bid(s), irrespective of the Bid Amount may automatically become invalid. This is not applicable in case of FPOs undertaken through Alternate Book Building Process (For details of bidders may refer to (section 5.6 (e))

4.1.4.2 Multiple Bids

- (a) Bidder should submit only 1 (one) Bid cum Application Form. Bidder shall have the option to make a maximum of Bids at 3 (three) different price levels in the Bid cum Application Form and such options are not considered as multiple Bids.

Submission of a second Bid cum Application Form to either the same or to another member of the Syndicate, SCSB or Registered Broker and duplicate copies of Bid cum Application Forms bearing the same application number shall be treated as multiple Bids and are liable to be rejected.

- (b) Bidders are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple Bids:
 - i. All Bids may be checked for common PAN as per the records of the Depository. For Bidders other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple Bids by a Bidder and may be rejected.
 - ii. For Bids from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Bidders, the Bid cum Application Forms may be checked for common DP ID and Client ID. Such Bids which have the same DP ID and Client ID may be treated as multiple Bids and are liable to be rejected.
- (c) The following Bids may not be treated as multiple Bids:
 - i. Bids by Reserved Categories bidding in their respective Reservation Portion as well as bids made by them in the Net Issue portion in public category.
 - ii. Separate Bids by Mutual Funds in respect of more than 1 (one) scheme of the Mutual Fund provided that the Bids clearly indicate the scheme for which the Bid has been made.
 - iii. Bids by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.
 - iv. Bids by Anchor Investors under the Anchor Investor Portion and the QIB Portion.

4.1.5. FIELD NUMBER 5: CATEGORY OF BIDDERS

- (a) The categories of Bidders identified as per the SEBI ICDR Regulations, for the purpose of Bidding, allocation and allotment in the Issue are RIIs, NIIs and QIBs.
- (b) Up to 60% of the QIB Portion can be allocated by the Company, on a discretionary basis subject to the criteria of minimum and maximum number of anchor investors based on allocation size, to the Anchor Investors, in accordance with SEBI ICDR Regulations, with one-third of the Anchor Investor Portion reserved for domestic Mutual Funds subject to valid Bids being received at or above the Issue Price. For details regarding allocation to Anchor Investors, bidders may refer to the RHP/ Prospectus.
- (c) A Company can make reservation for certain categories of Bidders/ Applicants as permitted under the SEBI ICDR Regulations. For details of any reservations made in the Issue, Bidders/ Applicants may refer to the RHP/ Prospectus.
- (d) The SEBI ICDR Regulations specify the allocation or allotment that may be made to various categories of Bidders in the Issue depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Issue specific details in relation to allocation Bidder/ Applicant may refer to the RHP/ Prospectus.

4.1.6. FIELD NUMBER 6: INVESTOR STATUS

- (a) Each Bidder/ Applicant should check whether it is eligible to apply under applicable law and ensure that any prospective allotment to it in the Issue is in compliance with the investment restrictions under applicable law.
- (b) Certain categories of Bidders/ Applicants, such as NRIs, FIIs, FPIs, QFIs and FVCIs may not be allowed to Bid/ Apply in the Issue or hold Equity Shares exceeding certain limits specified under applicable law. Bidders/ Applicants are requested to refer to the RHP/ Prospectus for more details.
- (c) Bidders/ Applicants should check whether they are eligible to apply on non-repatriation basis or repatriation basis and should accordingly provide the investor status. Details regarding investor status are different in the Resident Bid cum Application Form and Non-Resident Bid cum Application Form.
- (d) Bidders/ Applicants should ensure that their investor status is updated in the Depository records.

4.1.7. FIELD NUMBER 7: PAYMENT DETAILS

- (a) All Bidders are required to make payment of the full Bid Amount (net of any Discount, as applicable) along-with the Bid cum Application Form. If the Discount is applicable in the Issue, the RIIs should indicate the full Bid Amount in the Bid cum Application Form and the payment shall be made for Bid Amount net of Discount. Only in cases where the RHP/ Prospectus indicates that part payment may be made, such an option can be exercised by the Bidder. In case of Bidders specifying more than 1 (one) Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of 3 (three) options at net price, i.e. Bid price less Discount offered, if any.
- (b) Bidders who Bid at Cut-off price shall deposit the Bid Amount based on the Cap Price.
- (c) Bidders can participate in the Issue only through the ASBA mechanism.
- (d) Bid Amount cannot be paid in cash, through money order or through postal order.

4.1.7.1 Payment instructions for ASBA Bidders

- (a) ASBA Bidders may submit the Bid cum Application Form either
 - i. in physical mode to the Designated Branch of an SCSB where the Bidders/ Applicants have ASBA Account, or
 - ii. in electronic mode through the internet banking facility offered by an SCSB authorizing blocking of funds that are available in the ASBA account specified in the Bid cum Application Form, or
 - iii. in physical mode to a member of the Syndicate at the Specified Locations, or Registered Brokers of the Stock Exchange or RTAs or DPs.
- (b) ASBA Bidders may specify the Bank Account number in the Bid cum Application Form. The Bid cum Application Form submitted by an ASBA Bidder and which is accompanied by cash, demand draft, money order, postal order or any mode of payment other than blocked amounts in the ASBA Account maintained with an SCSB, may not be accepted.
- (c) Bidders should ensure that the Bid cum Application Form is also signed by the ASBA Account holder(s) if the Bidder is not the ASBA Account holder;
- (d) Bidders shall note that for the purpose of blocking funds under ASBA facility clearly demarcated funds shall be available in the account.
- (e) From 1 (one) ASBA Account, a maximum of 5 (five) Bids cum Application Forms can be submitted.
- (f) ASBA Bidders bidding through a member of the Syndicate should ensure that the Bid cum Application Form is submitted to a member of the Syndicate only at the Specified locations. ASBA Bidders should also note

that Bid cum Application Forms submitted to a member of the Syndicate at the Specified locations may not be accepted by the Member of the Syndicate if the SCSB where the ASBA Account, as specified in the Bid cum Application Form, is maintained has not named at least 1 (one) branch at that location for the members of the Syndicate to deposit Bid cum Application Forms (a list of such branches is available on the website of SEBI at [http:// www.sebi.gov.in](http://www.sebi.gov.in)).

- (g) ASBA Bidders bidding through a Registered Broker/**RTAs/DPs** should note that Bid cum Application Forms submitted to the Registered Brokers/ **RTAs/DPs** may not be accepted by the Registered Broker/ **RTAs/DPs**, if the SCSB where the ASBA Account, as specified in the Bid cum Application Form, is maintained has not named at least 1 (one) branch at that location for the Registered Brokers. **RTAs/DPs** to deposit Bid cum Application Forms.
- (h) ASBA Bidders bidding directly through the SCSBs should ensure that the Bid cum Application Form is submitted to a Designated Branch of a SCSB where the ASBA Account is maintained.
- (i) Upon receipt of the Bid cum Application Form, the Designated Branch of the SCSB may verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the Bid cum Application Form.
- (j) If sufficient funds are available in the ASBA Account, the SCSB may block an amount equivalent to the Bid Amount mentioned in the Bid cum Application Form and for application directly submitted to SCSB by investor, may enter each Bid option into the electronic bidding system as a separate Bid.
- (k) If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB may not upload such Bids on the Stock Exchange platform and such bids are liable to be rejected.
- (l) Upon submission of a completed Bid cum Application Form each ASBA Bidder may be deemed to have agreed to block the entire Bid Amount and authorized the Designated Branch of the SCSB to block the Bid Amount specified in the Bid cum Application Form in the ASBA Account maintained with the SCSBs.
- (m) The Bid Amount may remain blocked in the aforesaid ASBA Account until finalisation of the Basis of allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Issue Account, or until withdrawal or failure of the Issue, or until withdrawal or rejection of the Bid, as the case may be.
- (n) SCSBs bidding in the Issue must apply through an Account maintained with any other SCSB; else their Bids are liable to be rejected.

4.1.7.2.1 Unblocking of ASBA Account

- (a) Once the Basis of Allotment is approved by the Designated Stock Exchange, the Registrar to the Issue may provide the following details to the controlling branches of each SCSB, along with instructions to unblock the relevant bank accounts and for successful applications transfer the requisite money to the Public Issue Account designated for this purpose, within the specified timelines: (i) the number of Equity Shares to be Allotted against each Bid, (ii) the amount to be transferred from the relevant bank account to the Public Issue Account, for each Bid, (iii) the date by which funds referred to in (ii) above may be transferred to the Public Issue Account, and (iv) details of rejected ASBA Bids, if any, along with reasons for rejection and details of withdrawn or unsuccessful Bids, if any, to enable the SCSBs to unblock the respective bank accounts.
- (b) On the basis of instructions from the Registrar to the Issue, the SCSBs may transfer the requisite amount against each successful ASBA Bidder to the Public Issue Account and may unblock the excess amount, if any, in the ASBA Account.
- (c) In the event of withdrawal or rejection of the Bid cum Application Form and for unsuccessful Bids, the Registrar to the Issue may give instructions to the SCSB to unblock the Bid Amount in the relevant ASBA Account within 6 (six) Working Days of the Bid/ Issue Closing Date.

4.1.7.2 Additional Payment Instructions for NRIs

The Non-Resident Indians who intend to make payment through Non-Resident Ordinary (NRO) accounts shall use the form meant for Resident Indians (non-repatriation basis). In the case of Bids by NRIs applying on a repatriation basis, payment shall not be accepted out of NRO Account.

4.1.7.3 Discount (if applicable)

- (a) The Discount is stated in absolute rupee terms.
- (b) Bidders applying under RII category, Retail Individual Shareholder and employees are only eligible for discount. For Discounts offered in the Issue, Bidders may refer to the RHP/ Prospectus.
- (c) The Bidders entitled to the applicable Discount in the Issue may make payment for an amount i.e. the Bid Amount less Discount (if applicable).

Bidder may note that in case the net payment (post Discount) is more than 2 (two) lakh Rupees, the bidding system automatically considers such applications for allocation under Non-Institutional Category. These applications are neither eligible for Discount nor fall under RII category.

4.1.8. FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS

- (a) Only the First Bidder/ Applicant is required to sign the Bid cum Application Form/ Application Form. Bidders/ Applicants should ensure that signatures are in one of the languages specified in the Eighth Schedule to the Constitution of India.
- (b) If the ASBA Account is held by a person or persons other than the ASBA Bidder/ Applicant, then the Signature of the ASBA Account holder(s) is also required.
- (c) The signature has to be correctly affixed in the authorization/ undertaking box in the Bid cum Application Form/ Application Form, or an authorisation has to be provided to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form/ Application Form.
- (d) Bidders/ Applicants must note that Bid cum Application Form/ Application Form without signature of Bidder/ Applicant and / or ASBA Account holder is liable to be rejected.

4.1.9. ACKNOWLEDGEMENT AND FUTURE COMMUNICATION

- (a) Bidders should ensure that they receive the acknowledgment duly signed and stamped by a member of the Syndicate, Registered Broker, RTAs or SCSB, as applicable, for submission of the Bid cum Application Form.
- (b) All communications in connection with Bids/ Applications made in the Issue should be addressed as under:
 - (i) In case of queries related to Allotment, non-receipt of Allotment Advice, credit of allotted equity shares, refund orders, the Bidders/ Applicants should contact the Registrar to the Issue.
 - (ii) In case of ASBA Bids submitted to the Designated Branches of the SCSBs, the Bidders/ Applicants should contact the relevant Designated Branch of the SCSB.
 - (iii) In case of queries relating to uploading of Syndicate ASBA Bids, the Bidders/ Applicants should contact the relevant Syndicate member(s).
 - (iv) In case of queries/RTA/DP relating to uploading of Bids by a Registered Broker, the Bidders/ Applicants should contact the relevant Registered Broker RTA/DP.
 - (v) Bidder/ Applicant may contact the Company Secretary and Compliance Officer or BRLM in case of any other complaints in relation to the Issue.
- (c) The following details (as applicable) should be quoted while making any queries -

- (i) full name of the sole or First Bidder/ Applicant, Bid cum Application Form number, Applicants'/ Bidders' DP ID, Client ID, PAN, number of Equity Shares applied for, amount paid on application.
- (ii) name and address of the member of the Syndicate, Registered Broker RTA/DP or the Designated Branch, as the case may be, where the Bid was submitted or
- (iii) In case of ASBA Bids, ASBA Account number in which the amount equivalent to the Bid Amount was blocked.

For further details, Bidder/ Applicant may refer to the RHP/ Prospectus and the Bid cum Application Form.

4.2 **INSTRUCTIONS FOR FILING THE REVISION FORM**

- (a) During the Bid/ Issue Period, any Bidder/ Applicant (other than QIBs and NIIs, who can only revise their bid upwards) who has registered his or her interest in the Equity Shares at a particular price level is free to revise his or her Bid within the Price Band using the Revision Form, which is a part of the Bid cum Application Form.
- (b) RII may revise their bids till closure of the bidding period or withdraw their bids until finalization of allotment.
- (c) Revisions can be made in both the desired number of Equity Shares and the Bid Amount by using the Revision Form.
- (d) The Bidder/ Applicant can make this revision any number of times during the Bid/ Issue Period. However, for any revision(s) in the Bid, the Bidders/ Applicants will have to use the services of the same member of the Syndicate, the Registered Broker or the SCSB through which such Bidder/ Applicant had placed the original Bid. Bidders/ Applicants are advised to retain copies of the blank Revision Form and the Bid(s) must be made only in such Revision Form or copies thereof.

4.2.1 FIELDS 1, 2 AND 3: NAME AND CONTACT DETAILS OF SOLE/ FIRST BIDDER/ APPLICANT, PAN OF SOLE/ FIRST BIDDER/ APPLICANT & DEPOSITORY ACCOUNT DETAILS OF THE BIDDER/ APPLICANT

Bidders/ Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.2.2 FIELD 4 & 5: BID OPTIONS REVISION 'FROM' AND 'TO'

- (a) Apart from mentioning the revised options in the Revision Form, the Bidder/ Applicant must also mention the details of all the bid options given in his or her Bid cum Application Form or earlier Revision Form. For

example, if a Bidder/ Applicant has Bid for 3 (three) options in the Bid cum Application Form and such Bidder/ Applicant is changing only one of the options in the Revision Form, the Bidder/ Applicant must still fill the details of the other 2 (two) options that are not being revised, in the Revision Form. The members of the Syndicate, the Registered Brokers RTAs, DPs and the Designated Branches of the SCSBs may not accept incomplete or inaccurate Revision Forms.

- (b) In case of revision, Bid options should be provided by Bidders/ Applicants in the same order as provided in the Bid cum Application Form.
- (c) In case of revision of Bids by RIIs, Employees and Retail Individual Shareholders, such Bidders/ Applicants should ensure that the Bid Amount, subsequent to revision, does not exceed ₹ 200,000. In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or for any other reason, the Bid may be considered, subject to eligibility, for allocation under the Non-Institutional Category, not being eligible for Discount (if applicable) and such Bid may be rejected if it is at the Cut-off Price. The Cut-off Price option is given only to the RIIs, Employees and Retail Individual Shareholders indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process.
- (d) In case the total amount (i.e., original Bid Amount plus additional payment) exceeds ₹ 200,000, the Bid will be considered for allocation under the Non-Institutional Portion in terms of the RHP/ Prospectus. If, however, the RII does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the RII and the RII is deemed to have approved such revised Bid at Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIIs who have bid at the Cut-off Price could either revise their Bid or the excess amount paid at the time of bidding may be unblocked

4.2.3 FIELD 6: PAYMENT DETAILS

- (a) All Bidders/Applicants are required to make payment of the full Bid Amount (less Discount (if applicable) along with the Bid Revision Form. In case of Bidders/Applicants specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less discount offered, if any.
- (b) In case of Bids submitted by ASBA Bidder/Applicant, Bidder/Applicant may issue instructions to block the revised amount based on cap of the revised Price Band (adjusted for the Discount (if applicable) in the ASBA Account, to the same member of the Syndicate/Registered Broker/RTA/DP or the same Designated Branch (as the case may be) through whom such Bidder/Applicant had placed the original Bid to enable the relevant SCSB to block the additional Bid Amount, if any.
- (c) In case of Bids, other than ASBA Bids, Bidder/Applicant, may make additional payment based on the cap of the revised Price Band (such that the total amount i.e., original Bid Amount plus additional payment does not exceed ₹ 200,000 if the Bidder/Applicant wants to continue to Bid at the Cut-off Price), with the members of the Syndicate /Registered Broker/RTAs/DPs to whom the original Bid was submitted.
- (d) In case the total amount (i.e., original Bid Amount less discount (if applicable) plus additional payment) exceeds ₹ 200,000, the Bid may be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the Bidder/Applicant does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for may be adjusted downwards for the purpose of allotment, such that no additional payment is required from the Bidder/Applicant and the Bidder/Applicant is deemed to have approved such revised Bid at the Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIIs, Employees and Retail Individual Shareholders, who have bid at the Cut-off Price, could either revise their Bid or the excess amount paid at the time of bidding may be unblocked.

- (w) Bids/ Applications not uploaded on the terminals of the Stock Exchanges;
- (x) Bids/ Applications by SCSBs wherein a separate account in its own name held with any other SCSB is not mentioned as the ASBA Account in the Bid cum Application Form/ Application Form.

5.6 BASIS OF ALLOCATION

- (a) The SEBI ICDR Regulations specify the allocation or Allotment that may be made to various categories of Bidders/ Applicants in an Issue depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Issue size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the RHP / Prospectus. For details in relation to allocation, the Bidder/ Applicant may refer to the RHP / Prospectus.
- (b) Under-subscription in Retail Portion is allowed to be met with spill-over from any other category or combination of categories at the discretion of the Company and in consultation with the BRLM and the Designated Stock Exchange and in accordance with the SEBI ICDR Regulations.
- (c) In case of under subscription in the Net Issue, spill-over to the extent of such under-subscription may be permitted from the Reserved Portion to the Net Issue. For allocation in the event of an under-subscription applicable to the Company, Bidders/ Applicants may refer to the RHP.

Illustration of the Book Building and Price Discovery Process.

Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue; it also excludes bidding by Anchor Investors.

Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹ 20 to ₹ 24 per share, Issue size of 3,000 Equity Shares and receipt of 5 (five) Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Company at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Company is able to Issue the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.0 in the above example. The Company, in consultation with the BRLM, may finalise the Issue Price at or below such Cut-Off Price, i.e., at or below ₹ 22.0. All Bids at or above this Issue Price and cut-off Bids are valid Bids and are considered for allocation in the respective categories.

(e) Alternate Method of Book Building

In case of FPOs, companies may opt for an alternate method of Book Building in which only the Floor Price

is specified for the purposes of bidding (“**Alternate Book Building Process**”).

The company may specify the Floor Price in the RHP or advertise the Floor Price at least 1 (one) Working Day prior to the Bid/ Issue Opening Date. QIBs may Bid at a price higher than the Floor Price and the Allotment to the QIBs is made on a price priority basis. The Bidder with the highest Bid Amount is allotted the number of Equity Shares Bid for and then the second highest Bidder is Allotted Equity Shares and this process continues until all the Equity Shares have been allotted. RIIs, NIIs and Employees are Allotted Equity Shares at the Floor Price and allotment to these categories of Bidders is made proportionately. If the number of Equity Shares Bid for at a price is more than available quantity then the allotment may be done on a proportionate basis. Further, the company may place a cap either in terms of number of specified securities or percentage of issued capital of the Company that may be allotted to a single Bidder, decide whether a Bidder be allowed to revise the bid upwards or downwards in terms of price and/ or quantity and also decide whether a Bidder be allowed single or multiple bids.

SECTION 6: ISSUE PROCEDURE IN FIXED PRICE ISSUE

Applicants may note that there is no Bid cum Application Form in a Fixed Price Issue. As the Issue Price is mentioned in the Fixed Price Issue therefore on filing of the Prospectus with the RoC, the Application so submitted is considered as the application form.

Applicants may only use the specified Application Form for the purpose of making an Application in terms of the Prospectus which may be submitted through Syndicate member(s)/ SCSB and/ or Registered Broker or RTAs or DPs.

Applicants may submit an Application Form either in physical form to the Syndicate member(s) or Registered Brokers or RTAs or DPs or the Designated Branches of the SCSBs or in the electronic form to the SCSB or the Designated Branches of the SCSBs authorising blocking of funds that are available in the bank account specified in the Application Form only (“ASBA Account”). The Application Form is also made available on the websites of the Stock Exchanges at least 1 (one) day prior to the Bid/ Issue Opening Date.

In a fixed price Issue, allocation in the net Issue to the public category is made as follows: minimum fifty per cent to Retail Individual Investors; and remaining to (i) individual investors other than Retail Individual Investors; and (ii) other Applicants including corporate bodies or institutions, irrespective of the number of specified securities applied for. The unsubscribed portion in either of the categories specified above may be allocated to the Applicants in the other category.

For details of instructions in relation to the Application Form, Bidders/ Applicants may refer to the relevant chapter of the GID.

SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The allotment of Equity Shares to Bidders/ Applicants other than Retail Individual Investors and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders/ Applicants may refer to RHP/ Prospectus. No Retail Individual Investor is will be allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Investor Category and the remaining available shares, if any will be allotted on a proportionate basis. The company is required to receive a minimum subscription of 90% of the Issue (excluding any Offer for Sale of specified securities). However, in case the Issue is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

7.1 ALLOTMENT TO RIIs

Bids received from the RIIs at or above the Issue Price may be grouped together to determine the total demand under this category. If the aggregate demand in this category is less than or equal to the Retail Portion at or above the Issue Price, full Allotment may be made to the RIIs to the extent of the valid Bids. If the aggregate demand in this category is greater than the allocation to in the Retail Portion at or above the Issue Price, then the maximum number of RIIs who can be Allotted the minimum Bid Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIIs by the minimum Bid Lot (“Maximum RII Allottees”). The Allotment to the RIIs will then be made in the following manner:

- (a) In the event the number of RIIs who have submitted valid Bids in the Issue is equal to or less than Maximum

RII Allottees, (i) all such RIIs shall be Allotted the minimum Bid Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Portion shall be Allotted on a proportionate basis to the RIIs who have received Allotment as per (i) above for the balance demand of the Equity Shares Bid by them (i.e. who have Bid for more than the minimum Bid Lot).

- (b) In the event the number of RIIs who have submitted valid Bids in the Issue is more than Maximum RII Allottees, the RIIs (in that category) who will then be allotted minimum Bid Lot shall be determined on the basis of draw of lots.

7.2 ALLOTMENT TO NIIs

Bids received from NIIs at or above the Issue Price may be grouped together to determine the total demand under this category. The allotment to all successful NIIs may be made at or above the Issue Price. If the aggregate demand in this category is less than or equal to the Non-Institutional Category at or above the Issue Price, full allotment may be made to NIIs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at or above the Issue Price, allotment may be made on a proportionate basis upto a minimum of the Non-Institutional Category.

7.3 ALLOTMENT TO QIBs

For the Basis of Allotment to Anchor Investors, Bidders/ Applicants may refer to the SEBI ICDR Regulations or RHP / Prospectus. Bids received from QIBs bidding in the QIB Portion (net of Anchor Portion) at or above the Issue Price may be grouped together to determine the total demand under this category. The QIB Portion may be available for allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price. Allotment may be undertaken in the following manner:

- (a) In the first instance allocation to Mutual Funds for upto 5% of the QIB Portion may be determined as follows: (i) In the event that Bids by Mutual Fund exceeds 5% of the QIB Portion, allocation to Mutual Funds may be done on a proportionate basis for upto 5% of the QIB Portion; (ii) In the event that the aggregate demand from Mutual Funds is less than 5% of the QIB Portion then all Mutual Funds may get full allotment to the extent of valid Bids received above the Issue Price; and (iii) Equity Shares remaining unsubscribed, if any and not allocated to Mutual Funds may be available for allotment to all QIBs as set out at paragraph 7.4(b) below;
- (b) In the second instance, allotment to all QIBs may be determined as follows: (i) In the event of oversubscription in the QIB Portion, all QIBs who have submitted Bids above the Issue Price may be Allotted Equity Shares on a proportionate basis for upto 95% of the QIB Portion; (ii) Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs; and (iii) Under-subscription below 5% of the QIB Portion, if any, from Mutual Funds, may be included for allocation to the remaining QIBs on a proportionate basis.

7.4 ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)

- (a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Issue Price will be at the discretion of the company subject to compliance with the following requirements:
- (i) not more than 60% of the QIB Portion will be allocated to Anchor Investors;
 - (ii) Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and
 - (iii) Allocation to the Anchor Investors shall be on a discretionary basis, and subject to:
 - where allocation in the Anchor Investor Portion is upto ₹ 10 crores, maximum of 2 (two) Anchor Investors;
 - where the allocation under the Anchor Investor Portion is more than ₹ 10 crores but upto ₹ 250 crores, minimum of 2 (two) and maximum of 15 (fifteen) Anchor Investors, subject to a minimum Allotment of ₹ 5 crores per Anchor Investor; and

- where the allocation under the Anchor Investor portion is more than ₹ 250 crores: (i) minimum of 5 (five) and maximum of 15 (fifteen) Anchor Investors for allocation upto ₹ 250 crores; and (ii) an additional 10 Anchor Investors for every additional allocation of ₹ 250 crores million or part thereof in the Anchor Investor Portion; subject to a minimum Allotment of ₹ 5 crores per Anchor Investor.
- (b) A physical book is prepared by the Registrar on the basis of the Bid cum Application Forms received from Anchor Investors. Based on the physical book and at the discretion of the company in consultation with the BRLM, selected Anchor Investors will be sent a CAN and if required, a revised CAN.
- (c) In the event that the Issue Price is higher than the Anchor Investor Issue Price: Anchor Investors will be sent a revised CAN within 1 (one) day of the Pricing Date indicating the number of Equity Shares allocated to such Anchor Investor and the pay-in date for payment of the balance amount. Anchor Investors are then required to pay any additional amounts, being the difference between the Issue Price and the Anchor Investor Issue Price, as indicated in the revised CAN within the pay-in date referred to in the revised CAN. Thereafter, the Allotment Advice will be issued to such Anchor Investors
- (d) In the event the Issue Price is lower than the Anchor Investor Issue Price: Anchor Investors who have been Allotted Equity Shares will directly receive Allotment Advice.

7.5 BASIS OF ALLOTMENT FOR QIBs (OTHER THAN ANCHOR INVESTORS), NIIs AND RESERVED CATEGORY IN CASE OF OVER-SUBSCRIBED ISSUE

In the event of the Issue being over-subscribed, the Company may finalise the Basis of Allotment in consultation with the Designated Stock Exchange in accordance with the SEBI ICDR Regulations, 2009.

The allocation may be made in marketable lots, on a proportionate basis as explained below:

- (a) Bidders may be categorized according to the number of Equity Shares applied for;
- (b) The total number of Equity Shares to be Allotted to each category as a whole may be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio;
- (c) The number of Equity Shares to be Allotted to the successful Bidders may be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio;
- (d) In all Bids where the proportionate allotment is less than the minimum bid lot decided per Bidder, the allotment may be made as follows: the successful Bidders out of the total Bidders for a category may be determined by a draw of lots in a manner such that the total number of Equity Shares Allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and each successful Bidder may be Allotted a minimum of such Equity Shares equal to the minimum Bid Lot finalised by the Company;
- (e) If the proportionate allotment to a Bidder is a number that is more than the minimum Bid lot but is not a multiple of one (which is the marketable lot), the decimal may be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it may be rounded off to the lower whole number. Allotment to all bidders in such categories may be arrived at after such rounding off; and
- (f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares Allotted to the Bidders in that category, the remaining Equity Shares available for allotment may be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate allotment to the successful Bidders in that category. The balance Equity Shares, if any, remaining after such adjustment may be added to the category comprising Bidders applying for minimum number of Equity Shares.

7.6 DESIGNATED DATE AND ALLOTMENT OF EQUITY SHARES

- (a) **Designated Date:** On the Designated Date, the Escrow Collection Bank shall transfer the funds represented by allocation of Equity Shares to Anchor Investors (other than ASBA funds with the SCSBs) from the Escrow Account, as per the terms of the Escrow Agreement, into the Public Issue Account with the Banker to the Issue. The balance amount after transfer to the Public Issue Account shall be transferred to the Refund Account. Payments of refund to the Bidders shall also be made from the Refund Account as per the terms of the Escrow Agreement and the RHP. On the Designated Date, the Registrar to the Issue shall instruct the SCSBs to transfer funds represented by allocation of Equity Shares from ASBA Accounts into the Public Issue Account.
- (b) **Issuance of Allotment Advice:** Upon approval of the Basis of Allotment by the Designated Stock Exchange, the Registrar shall upload the same on its website. On the basis of the approved Basis of Allotment, the Company shall pass necessary corporate action to facilitate the Allotment and credit of Equity Shares. Bidders/ Applicants are advised to instruct their Depository Participant to accept the Equity Shares that may be allotted to them pursuant to the Issue.

Pursuant to confirmation of such corporate actions, the Registrar will dispatch Allotment Advice to the Bidders/ Applicants who have been Allotted Equity Shares in the Issue.

- (c) The dispatch of Allotment Advice shall be deemed a valid, binding and irrevocable contract.
1. Company will ensure that: (i) the Allotment of Equity Shares; and (ii) credit of shares to the successful Bidders/ Applicants Depository Account will be completed within 6 (six) Working Days of the Bid/ Issue Closing Date.

SECTION 8: INTEREST AND REFUNDS

8.1 COMPLETION OF FORMALITIES FOR LISTING & COMMENCEMENT OF TRADING

The Company may ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges are taken within 6 (six) Working Days of the Bid/ Issue Closing Date. The Registrar to the Issue may give instructions for credit to Equity Shares the beneficiary account with DPs, and dispatch the Allotment Advice within 6 (six) Working Days of the Bid/ Issue Closing Date.

8.2 GROUNDS FOR REFUND

8.2.1 NON RECEIPT OF LISTING PERMISSION

A Company makes an application to the Stock Exchange(s) for permission to deal in/ list and for an official quotation of the Equity Shares. All the Stock Exchanges from where such permission is sought are disclosed in RHP/ Prospectus. The Designated Stock Exchange may be as disclosed in the RHP/ Prospectus with which the Basis of Allotment may be finalised.

If the Company fails to make application to the Stock Exchange(s) and obtain permission for listing of the Equity Shares, in accordance with the provisions of Section 40 of the Companies Act, 2013, the Company may be punishable with a fine which shall not be less than ₹ 5 lakhs but which may extend to ₹ 50 lakhs and every officer of the Company who is in default shall be punishable with imprisonment for a term which may extend to 1 (one) year or with fine which shall not be less than ₹ 50,000 but which may extend to ₹ 300,000 , or with both.

If the permissions to deal in and for an official quotation of the Equity Shares are not granted by any of the Stock Exchange(s), the Company may forthwith repay, without interest, all moneys received from the Bidders/ Applicants in pursuance of the RHP/ Prospectus.

If such money is not repaid within the prescribed time after the Company becomes liable to repay it, then the Company and every director of the Company who is an officer in default may, on and from such expiry of such period, be liable to repay the money, with interest at such rate, as disclosed in the RHP/ Prospectus.

8.2.2 NON RECEIPT OF MINIMUM SUBSCRIPTION

If the Issuer does not receive a minimum subscription of 90% of the Net Issue (excluding any offer for sale of specified securities), including devolvement to the Underwriters, the Issuer may forthwith, take steps to unblock the entire subscription amount received within six Working Days of the Bid/Issue Closing Date and repay, without interest, all moneys received from Anchor Investors. In case the Issue is in the nature of Offer for Sale only, then minimum subscription may not be applicable. In case of under-subscription in the Issue, the Equity Shares in the Fresh Issue will be issued prior to the sale of Equity Shares in the Offer for Sale.

If there is a delay beyond the prescribed time after the Issuer becomes liable to pay or unblock the amount received from Bidders, then the Issuer and every director of the Issuer who is an officer in default may on and from expiry of 15 Working Days, be jointly and severally liable to repay the money, with interest at the rate of 15% per annum in accordance with the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended.

8.2.3 MINIMUM NUMBER OF ALLOTTEES

The Company may ensure that the number of prospective Allottees to whom Equity Shares may be allotted may not be less than 50 failing which the entire application monies may be refunded forthwith.

8.2.4 IN CASE OF ISSUES MADE UNDER COMPULSORY BOOK BUILDING – Not applicable

In case an Company not eligible under Regulation 26(1) of the SEBI ICDR Regulations, 2009 comes for an Issue under Regulation 26(2) of SEBI (ICDR) Regulations, 2009 but fails to allot at least 75% of the Net Issue to QIBs, in such case full subscription money is to be refunded.

8.3 MODE OF REFUND

- (a) **In case of ASBA Bids/ Applications:** Within 6 (six) Working Days of the Bid/Issue Closing Date, the Registrar to the Issue may give instructions to SCSBs for unblocking the amount in ASBA Account on unsuccessful Bid/ Application and also for any excess amount blocked on Bidding/ Application.
- (b) In the case of Bids from Eligible NRIs, FIIs and FPIs, refunds, if any, may generally be payable in Indian Rupees only and net of bank charges and/ or commission. If so desired, such payments in Indian Rupees may be converted into U.S. Dollars or any other freely convertible currency as may be permitted by the RBI at the rate of exchange prevailing at the time of remittance and may be dispatched by registered post. The Company may not be responsible for loss, if any, incurred by the Bidder/ Applicant on account of conversion of foreign currency.
- (c) In case of Anchor Investors: Within six Working Days of the Bid/Issue Closing Date, the Registrar to the Issue may dispatch the refund orders for all amounts payable to unsuccessful Anchor Investors.

In case of Anchor Investors, the Registrar to the Issue may obtain from the depositories, the Bidders/Applicants' bank account details, including the MICR code, on the basis of the DP ID, Client ID and PAN provided by the Anchor Investors in their Anchor Investor Application Forms for refunds. Accordingly, Anchor Investors are advised to immediately update their details as appearing on the records of their depositories. Failure to do so may result in delays in dispatch of refund orders or refunds through electronic transfer of funds, as applicable, and any such delay may be at the Anchor Investors' sole risk and neither the Issuer, the Registrar to the Issue, the Escrow Collection Banks, or the Syndicate, may be liable to compensate the Anchor Investors for any losses caused to them due to any such delay, or liable to pay any interest for such delay.

Mode of making refunds for Bidders/Applicants other than ASBA Bidders/Applicants (Anchor Investors)

The payment of refund, if any, may be done through various modes as mentioned below:

- (a) **NACH** - National Automated Clearing House is a consolidated system of electronic clearing service. Payment of refund would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including MICR code wherever applicable from the depository. The payment

of refund through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get refunds through NEFT or Direct Credit or RTGS;

- (b) **NEFT** - Payment of refund may be undertaken through NEFT wherever the branch of the Bidders/Applicants' bank is NEFT enabled and has been assigned the Indian Financial System Code ("IFSC"), which can be linked to the MICR of that particular branch. The IFSC Code may be obtained from the website of RBI as at a date prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Bidders/Applicants have registered their nine-digit MICR number and their bank account number while opening and operating the demat account, the same may be duly mapped with the IFSC Code of that particular bank branch and the payment of refund may be made to the Bidders/Applicants through this method. In the event NEFT is not operationally feasible, the payment of refunds may be made through any one of the other modes as discussed in this section;
- (c) **Direct Credit** - Bidders/Applicants having their bank account with the Refund Banker may be eligible to receive refunds, if any, through direct credit to such bank account;
- (d) **RTGS** - Bidders/Applicants having a bank account at any of the centres notified by SEBI where clearing houses are managed by the RBI, may have the option to receive refunds, if any, through RTGS. The IFSC code shall be obtained from the demographic details. Anchor Investors should note that on the basis of PAN of the applicant, DP ID and beneficiary account number provided by them in the Bid cum Application Form, the Registrar to the Issue will obtain from the Depository the demographic details including address, Bidders/Applicants account details, IFSC code, MICR code and occupation (hereinafter referred to as "Demographic Details"). The bank account details for would be used giving refunds. Hence, Bidders/Applicants are advised to immediately update their bank account details as appearing on the records of the Depository Participant. Please note that failure to do so could result in delays in despatch/ credit of refunds to Bidders/Applicants at their sole risk and neither the BRLM or the Registrar to the Issue or the Escrow Collection Banks nor the Company shall have any responsibility and undertake any liability for the same; and
- (e) Please note that refunds, on account of our Company not receiving the minimum subscription of 90% of the Issue, shall be credited only to the bank account from which the Bid Amount was remitted to the Escrow Bank.

For details of levy of charges, if any, for any of the above methods, Bank charges, if any, for cashing such cheques, pay orders or demand drafts at other centres etc Bidders/Applicants may refer to RHP/Prospectus.

8.3.2 Mode of making refunds for ASBA Bidders/ Applicants

In case of ASBA Bidders/ Applicants, the Registrar to the Issue may instruct the controlling branch of the SCSB to unblock the funds in the relevant ASBA Account for any withdrawn, rejected or unsuccessful ASBA Bids or in the event of withdrawal or failure of the Issue.

8.4 INTEREST IN CASE OF DELAY IN ALLOTMENT OR REFUND

The Issuer may pay interest at the rate of 15% per annum where the refund or portion thereof is made in electronic manner, the refund instructions have not been given to the clearing system in the disclosed manner and/or demat credits are not made to Bidders/Applicants or instructions for unblocking of funds in the ASBA Account are not dispatched within the six Working days of the Bid/Issue Closing Date.

The Issuer may pay interest at 15% per annum for any delay beyond 15 days from the Bid/Issue Closing Date, if Allotment is not made

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the FEMA and various regulations made thereunder. The Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India (“DIPP”) makes policy announcements on FDI through press notes and press releases which are notified by the RBI as amendments to the FEMA. The DIPP also issues the Consolidated Foreign Direct Investment Policy (“**FDI Policy**”) from time to time. The regulatory framework pertaining to foreign investment, over a period of time, thus, consists of acts, regulations, master circulars, press notes, press releases, and clarifications among other amendments

India’s current FDI Policy issued by the DIPP with effect from August 28, 2017, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP. The Government proposes to update the FDI Policy once every year and therefore, the FDI Policy with effect from August 28, 2017 will be valid until the DIPP issues an updated circular. Under the current FDI Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. Foreign investment is allowed up to 100% under automatic route in our Company subject to certain conditions. For further details kindly refer the chapter titled “*Key Industry Regulations and Policies*” beginning on page 128 of this DRHP.

RBI has also issued Master Circular on Foreign Investment in India dated July 1, 2015. In terms of the Master Circular, an Indian company may issue fresh shares to persons resident outside India (who are eligible to make investments in India, for which eligibility criteria are as prescribed). Such fresh issue of shares shall be subject to inter-alia, the pricing guidelines prescribed under the Master Circular. The Indian company making such fresh issue of shares would be subject to the reporting requirements, inter-alia with respect to consideration for issue of shares and also subject to making certain filings including filing of Form FC-GPR.

Foreign investment limit is allowed up to 100% under automatic route in our Company, subject to appropriate approvals of the shareholders in general meeting. SEBI registered FPIs have been permitted to purchase shares of an Indian company through the Issue, subject to total FPI investment being within the individual FPI/sub account investment limit of 10% subject to the total sectoral cap of all FPIs/sub accounts put together being 24% of the paid-up capital of the Indian Company. Further, eligible NRIs investing on repatriation basis are subject to individual investment limit of 5% subject to the aggregate paid-value of the shares purchased by all NRIs on repatriation basis not exceeding 10%. The aggregate limit of 24% in case of FPIs may be increased up to the sectoral cap/statutory ceiling, as applicable, by the Indian company concerned by passing of a special resolution to that effect by its Shareholders. The aggregate limit of 10% in case of NRIs may be raised to 24 % if a special resolution to that effect is passed by the Shareholders of the Indian company concerned. Currently, vide the Shareholders’ Resolution dated October 14, 2017 the investment by FPIs in our Company have been increased from 24% to 100% of the paid-up equity share capital, and the investment by NRIs on repatriation basis in our Company have been increased from 10% to 24% of the paid-up equity share capital.

The transfer of shares between an Indian resident and a Non-resident does not require prior approval of RBI, subject to fulfillment of certain conditions as specified by DIPP / RBI, from time to time. Such conditions include (i) the activities of the investee company are under the automatic route under the foreign direct investment (“FDI”) Policy and transfer does not attract the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (ii) the non-resident shareholding is within the sectoral limits under the FDI Policy; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI. Investors are advised to refer to the exact text of the relevant statutory provisions of law before investing and / or subsequent purchase or sale transaction in the Equity Shares of our Company.

As per the existing policy of the Government of India, OCBs cannot participate in this Issue.

The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”), or the securities laws of any state of the United States and may not be offered or sold within the United States, except pursuant to exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sale occur. The Equity Shares have not been and will not be registered, listed or otherwise qualified in any

other jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. Our Company and the BRLM are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this DRHP. Bidders are advised to make their independent investigations and ensure that the Applications are not in violation of laws or regulations applicable to them.

55		When any share shall have so forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register of Member, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make any such entry as aforesaid.	Notice of forfeiture to a member
56		Any share so forfeited, shall be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of, either to the original holder or to any other person, upon such terms and in such manner as the Board of Directors shall think fit. The Board may decide to cancel such shares.	Forfeited share to be the property of the Company and may be sold etc.
57		Any member whose shares have been forfeited shall notwithstanding the forfeiture, be liable to pay and shall forthwith pay to the Company on demand all calls, installments, interest and expenses owing upon or in respect of such shares at the time of the forfeiture together with interest thereon from the time of the forfeiture until payment, at such rate not exceeding twelve per cent per annum as the Board of Directors may determine and the Board of Directors may enforce the payment of such monies or any part thereof, if it thinks fit, but shall not be under any obligation so to do.	Member still liable to pay money owing at the time of forfeiture and interest
58		The forfeiture of a share shall involve extinction at the time of the forfeiture, of all interest in and all claims and demands against the Company in respect of the share and all other rights incidental to the share, except only such of those rights as by these Articles are expressly saved.	Effect of forfeiture
59		The Board of Directors may at any time before any share so forfeited shall have been sold, re-allotted or otherwise disposed of, annul the forfeiture thereof upon such conditions as it thinks fit.	Power to annul Forfeiture
60	(1)	A duly verified declaration in writing that the declarant is a Director, the Managing Director or the Manager or Secretary of the Company, and that a share in the Company has been duly forfeited in accordance with these Articles, on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;	Validity of forfeiture
	(2)	The Company may receive the consideration, if any, given for the share on any sale, re-allotment or other disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;	
	(3)	The person to whom such share is sold, re-allotted or disposed of shall thereupon be registered as the holder of the shares;	
	(4)	Any such purchaser or allottee shall not (unless by express agreement) be liable to pay any calls, amounts, installments, interest and expenses owing to the Company prior to such purchase or allotment nor shall be entitled (unless by express agreement) to any of the dividends, interest or bonuses accrued or which might have accrued upon the share before the time of completing such purchase or before such allotment;	

Article No.		Particulars	Headings
	(5)	Such purchaser or allottee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or other disposal of the share.	
61		The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.	Provision of these Articles as to forfeiture to apply in case of nonpayment of any sum
62		Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the Certificates originally issued in respect of the relative shares shall (unless the same shall on demand by the Company have been previously surrendered to it by the defaulting member) stand cancelled and become null and void and of no effect, and the Directors shall be entitled to issue a new certificate or certificates in respect of the said shares to the persons entitled thereto.
