

The NSE Board at its meeting held on February 04, 2015 discussed the recommendations of the Advisory Committees and decided that efforts be made to implement the below recommendations by the Exchange.

Sr. No.	Recommendation of the Advisory Committee
1	There is a need for expanding the suite of products available for trading and availability of new index derivatives would help in increasing investment & trading opportunities for investors.
2	Representation to regulators to increase position limits in NBF II.
3	Market lot of SME issues may be reduced in the secondary market, so as to improve participation and liquidity.
4	Rationalization of regulations pertaining to market making and trading lots in SME may be taken up with industry associations for further action.
