

Headline: The Hindu completes one year in Mumbai

Source: The Hindu

Date: 28 November 2016

 Diverse and multiple opinions always help readers to progress. So the Mumbai editions of *The Hindu* is a step in right direction. It can do even better if it can run case studies about out of the box thinkings that may be happening all around today. I am sure that there are many stories on disruptive interventions which are helping to improve our lives.
