'NSE barometer of Indian market'

By Staff Reporter
ITANAGAR | Mar 19 | The National Stock Exchange (NSE) can be treated as barometer of Indian market, said

its senior manager Girdhar Kannan here today.

He was addressing a regional level seminar, organised by the NSE in col-

laboration with SEBI.

The importance of savings, precautionary measures before trading and different grievance redress mecha-

nism were highlighted by NSE AGM Jagannath Das and Kolkata-based NSDC AVP Supratim Mitra.

Kannan urged the partici-

pating stake holders of investment market and financial institutions to visit www.nseindia.com for any investment related queries.
